- Ms. Castro brought the meeting to order at 3:25, Ms. Castro began the meeting by going over the PEIMS information to be turned in on Friday October 28, 2022.
  - Ms. Castro reported we have met projection for this year. We are short 5 students from last year. So the enrollment across district has decreased and Moreno has really worked hard to keep our numbers. Teachers have done an excellent job of having our students report to school and be here. We are in a good place right now.
  - The T-TESS is going well and open labs are being held for information on the rubric. And also, this goes well with our calibration walk and visit.
  - Information was given to the team about the calibration and who would be coming to visit and which teachers would be visited.
  - Questions were asked about who would be visited, the teachers are Chov, Ramos, Crawford, Coleman, Dimas, and Guebara, and Quirino are stand bys.
  - The information on the surveys students are to take were reviewed. Ms. Chavez will administer. Parent at coffee asked about online meeting for parents.
  - Safety and Security, we are in line to get the key cards. Not sure when estimated time for delivery. Ms. Castro asked team to discuss what code word, or calling over system .
  - Grade level concerns were the following 5<sup>th</sup> grade will dance still be held answer yes during ancillary and it is up to the teacher who will attend. Ancillary will still hold a class for those not allowed. No food will be sold. Let Ms. Castro know who will attend.
  - 4<sup>th</sup> asked clarification about one pd. And one free, yes. K- 2<sup>nd</sup> have theirs planned and Ms. Castro asked that if students are allowed not to go, notice does not need to be given.
  - Third grade asked about attendance goodies.. can it be food., Ms. Castro responded yes. Alternate it.
  - 2<sup>nd</sup> grade asked about check procedures for Oil Ranch. Ms. Villarreal will speak to Ms. Crawford.
  - First grade suggested that a raffle be held for students that have perfect attendance great suggestion.
  - Kinder had no concerns. Ancillary asked if Fall Festival will be during day. Yes
  - Question on MyOn and beginning will get with team.
- SDMC concluded at 4:00
