What is SDMC?

- **Shared Decision-Making Committee**

  - The Shared Decision-Making Committee (SDMC) at each school reviews the district’s educational goals, objectives, and major district wide classroom instructional programs. Each committee shall be designed to involve professional and non-professional staff, parents, community members, and business representatives in establishing academic and other performance objectives of the school for each academic excellence indicator adopted in the Texas Education Code (TEC).

  - The committee was designed to establish, monitor, and evaluate goals for budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development.
