Ms. Cantu welcomes everybody. Ms. Cantu explains a couple of changes to the SIP due to the ESSER funds now added to the budget. Ms. Cantu reminds the committee to access the SIP on the website called PLAN4LEARNING and that it is a living document. She asked the committee to log in and look at where we are supporting with the funds. The following budget considerations were also talked about as they discussed the SIP.

-HB4545 funds for students who failed STAAR in 3rd and 4th. We need to give them 30 hours of intervention

-Intervention for students who are tier2 & 3- We have 3 hourly students (college)/ 2 hourly ESSER interventionists (Certified) – we have put in for a change

-enrichment-Afterschool support for students who's parents have filled SAFs and funding will be coming from wrap around

-innovation fund will be used to do planning days as we have been doing.

The committee continues to look at each aspect of the SIP and the budgetary implications. There were no major purchases for this month other than Saturday tutorials as well as afterschool tutorials.

At 3:54 motion by Mr. Sanchez and second by Mrs. Campos to adjourn the meeting. The committee votes unanimously and meeting ends.
