Ms. Cantu welcomes everybody. Ms. Cantu explains that they are meeting to make sure that we are on track with some of the needs of the campus. DLA data was shared and where we are and that the SIP will be updated for the formative evaluations on Plan4Learning. Mrs. Cantu asks the committee if the money is well spent on the planning days. Majority agree and wish they could have another when we return. It is added to the calendar.

The committee continues to look at each aspect of the SIP and the budgetary implications. There were no major purchases for this month other than Saturday tutorials as well as afterschool tutorials. Mrs. Cantu also talks about the K-8 that it is now on parents and community to act on it and talk with trustees.

At 4:15 motion by Ms. Hulsey and second by Ms. Fagler to adjourn the meeting. The committee votes unanimously and meeting ends.
