SDMC Minutes **Thursday, September 22, 2022** **3:30PM – 4:30PM**

- **School Improvement Plan**
 - We discussed goals for our campus, the different types of objectives and strategies that we can use to meet our goal and reviewed the diagnostics.
 - For the 2022-2023 school year, we are focusing on the area of Academics:
 - Quality Tier 1 Instruction – utilization of daily exit tickets to track mastery, daily 5 and daily 3 will be utilized in all kinder-5th grade, focus on small group instruction during literacy and math blocks and focusing on writing aligned lesson plans.
 - Quality Intervention Instruction – implementing a school wide 30-minute intervention block in Kinder-5th grade and will vertically align the intervention block across all grade levels.
 - Quality Data Analysis and Planning – increase our use of PLCs on a weekly basis, utilize tri-weekly common assessments, and utilize DDI (Data Driven Instruction) protocols with fidelity.
 - One of our goals is making sure that our Domain 1 stays in a good place. We also discussed the changes with the daily attendance rating from a 92% to a 95% for this school year.
