MISSION STATEMENT

De Zavala Elementary School provides a challenging learning environment and encourages high expectations for success. We seek the development of appropriate and rigorous instruction that is differentiated to meet all our students' needs. Our school promotes the development of a well-rounded student through a rigorous academic curriculum and opportunities to learn and enhance new skills in our after-school clubs. We proudly foster high parent, teacher, and community member involvement in the goal to create life-long learning members of society.

VISION STATEMENT

De Zavala Elementary encourages and aims in providing equitable opportunities and equal access to an effective and individualized education in a safe and caring environment. We believe in addressing the "whole child" and that all children can and will learn if given the proper resources. Our students will develop the foundation of becoming critical thinkers and problem solvers; they will know and understand how to be successful in a global society.

Safety and Security: All doors must be locked. Fire-drill will be conducted during summer school. Summer-school teachers and staff will closely monitor all students during breakfast, lunch, recess, and dismissal.

Summer School 2023: Summer school will take place during June 6 – July 3, 2023. De Zavala will host Franklin Elementary. Franklin students will be bussed and dropped off in front of our school. Breakfast and lunch will be open to the public.

Summer District Project: Heating, Ventilation, and Air Conditioning (HVAC) Department will update our air conditioning during the summer and will inform us of completion date.
