Thompson Parental Engagement Policy

* * * * *

PART I. GENERAL EXPECTATIONS

Ruby L. Thompson Elementary is a school-wide Title I, Part A campus, and is committed to providing a quality education for every child in this school. As a parent you have the right to be in the planning, review, and improvement of the school's Title I Program. Thompson Elementary understands the value of parental and family engagement in ensuring that we attain our instructional goals. The collaboration between home and school, will help all students reach their academic potential. This partnership is imperative for student success. Therefore, Thompson will include parents in all aspects of the school's Title I Program.

The school will notify parents of the policy in a language that they can understand. The policy will be also be made available to the local community and updated periodically to meet the changing needs of parents and the school. Parents of all students are valued partners. Therefore, opportunities will be provided for all parents to be a part of their child's learning community, regardless of limited English proficiency, mobility, or disabilities. Student data and information will be provided in the parent's primary language, and interpreters will be provided as needed, during school-wide meetings, events, and parent/ teacher meetings.

If the school-wide program plan for Title I, Part A, developed under section 1114(b) of the ESEA, is not satisfactory to the parents of participating children, the school will submit any parent comments with the plan when the school submits the plan to the local educational agency Houston Independent School District. The school will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental engagement is spent, and will ensure that not less than 95 percent of the 1 percent reserved goes directly to the schools. The school will build its own and the parent's capacity for strong parental engagement, in order to ensure effective engagement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement.

The school will be governed by the following statutory definition of parental engagement, and will carry out programs, activities, and procedures in accordance with this definition:

Parental engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- (A) parents play an integral role in assisting their child's learning;*
- (B) parents are encouraged to be actively involved in their child's education at school;*
- (C) parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;*
- (D) the carrying out of other activities, such as those described in section 1118 of the ESEA.*
