ANIMAL CRUELTY PREVENTION
SAFETY AWARENESS TIPS

Animal cruelty is deliberate abuse or simply the failure to take care of an animal. Learn what you can do to help prevent animal cruelty, abuse and neglect.

PREVENTION

- Understand what animal cruelty is and how to recognize animal abuse and neglect.
  - **Definition:** Animal cruelty is deliberate abuse or simply the failure to take care of an animal. Intentional cruelty can range from failing to adequately provide an animal with food, water, shelter, socialization or veterinary care to torturing, maiming, mutilating or killing an animal.
  - **Signs:** Pets with an open sore, wound, injury, and/or illness that is not being treated, pets covered in ticks, fleas, and/or other parasites, pets left in unsanitary environments and/or left outside in inclement weather without adequate shelter, pets left in kennels or cages that are small to stand, turn, or make normal movements, and any other act intended to cause harm to a pet resulting in abuse and/or neglect.
  - Stay informed and spread awareness on factual information. Visit organizations who are dedicated to advocating, preventing, and protecting our furry friends.

CONVERSATION

Having ongoing conversations with your student(s) and loved ones about animal cruelty is critical in raising awareness. Not only should our loved ones know how they can keep their pets safe, but knowing how to stay safe around other animals and what to do if animal cruelty is spotted, is crucial.

**Ask your student:**
- Is it okay to pet someone else’s pet without asking? **No, because the owner may want to give directions before allowing you to pet them.**
- What can you do if you notice other students intentionally harming an animal for fun? **Tell a trusted adult and/or report it to the appropriate authorities.**
- What should you do if a dog tries to attack you? **Lie still and quietly with your knees to your chest and your hands over the ears.**

**Ask yourself:**
- Are my pet’s vaccines and rabies tag current?
- Is my pet well trained to be around children?
- If my pet is outside, are they able to reach their food and water?

**DID YOU KNOW?**

You are required to have a breeder’s permit to breed and sell animals. [Texas Department of Licensing & Regulation](dosomething.org)

Homeless animals outnumber homeless people 5 to 1 [dosomething.org]

**Children 10 years old** can be charged with animal cruelty for brutality against animals. [Harris County Animal Cruelty Taskforce]

Animal neglect is often one of the first indicators of distress in a household. [The Humane Society]

Pet abuse was found in 88% of families under supervision for physical abuse. [The Humane Society]
**WHERE TO REPORT**

Report Anonymously to Crime Stoppers at 713-222-TIPS (8477)

Report to the Harris County Animal Cruelty Taskforce 832-927-PAWS or 927paws.org

Houston SPCA 713-869-7722

Houston Police Department 713-884-3131

**LOCAL OFFICIALS**

It is important to be aware of what role each entity plays in the fight against animal cruelty, abuse and neglect. From detainment to conviction everyone has a role to play.

- **Officer**: Detains individual and contacts DA to see if they will accept charges. If charges are accepted, arrest is made and officer books individual.
- **District Attorney (DA)**: Analyze and gather evidence to determine whether or not there are grounds for prosecution. Gives approval for arrest.
- **Judge**: Oversees court proceedings.
- **Magistrate**: Determines if the individual will be released on bond or detained in jail.
