Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Based on our STAAR scores, we need to strengthen our Tier 1 instruction in order to improve Domain 1 scores. Although this past year showed that we can "grow" students from where they are, we need to work on having more of our students attain the Meets standard. Since the STAAR redesign will require students to write short and extended answer responses in all tested subjects, we also need to incorporate similar writing opportunities across all subject areas on a daily basis. In addition, we also need to ensure our students are familiar with taking online assessments by having them take online assessments throughout the year. One concern teachers brought to our attention at the end of last year was the need for a school-wide discipline plan. In response, we are implementing Project Class, a social skills curriculum, that allows all staff members to have a common language and streamlines behavioral expectations across all grades. The other request made by staff and parents is the need to offer more extracurricular opportunities for our students.
Demographics

Demographics Summary

Ray K. Daily is a Prek-5th neighborhood school located near the heart of the Energy Corridor on the west side of Houston, Texas. Originally opened in 2007 as a relief school for Barbara Bush Elementary, continuous new multi-complex residential construction has increased student enrollment in our attendance zone year after year, often leading to students having to attend HUB schools. The current enrollment of the campus is 822 students, all of whom represent a variety of languages and cultures. Daily has a diverse student population with approximately 36% of students identified as Emergent Bilingual. We are working towards having all our PreK-5th grade teachers ESL-certified within the next few years in order to better meet the needs of our large population of EB students. The ethnic composition of our campus is 38% Hispanic, 33% African-American, 11% Asian, 12% Caucasian, and 5% Other. About 8% of the population is identified as Gifted and Talented and 5% of the students receive special education services. 66.5% of the student population qualify for the federally-funded free and reduced lunch program. Daily also offers a dual language program in Spanish and English with one dual language class per grade level. The special education programs available at Daily include two ECSE classes, an EXPLORE class, speech, and resource services. Prek, PALS, Kindergarten, 1st and 2nd grade classes are all self-contained. Beginning in 3rd - 5th grades, classes are departmentalized which allows teachers to become experts in specific subject areas.

Demographics Strengths

Our diverse student population is definitely a point of strength at Daily Elementary. We also have a diverse faculty and staff that is fairly reflective of our student population.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: We need to ensure we are meeting the needs of our large population of EL students. Root Cause: In the past, only one teacher per grade level was designated as the ESL teacher. We need to make sure all our teachers are ESL-certified.
Student Learning

Student Learning Summary

For the 2021-22 school year, Daily Elementary earned an "A" rating with a scaled score of 91 and 5 distinctions: Math, Science, Comparative Academic Growth, Postsecondary Readiness, and Comparative Closing the Gaps. In both School Progress and Closing the Gaps, Daily earned an A (92 and 90 respectively); however, in Student Achievement, Daily earned a C (78). 58% of students met grade level or above in reading, 45% of students met grade level or above in math, and 37% of students met grade level in science.

Student Learning Strengths

Teachers in PreK, PALS, Kindergarten, 1st and 2nd are self-contained. This allows teachers the opportunity to really get to know their students academically, socially, and emotionally. They also have more flexibility in their schedule to adjust as deemed appropriate in order to meet the needs of their students. Teachers in 3rd - 5th grades are departmentalized which allows them to become experts in their subject areas and tailor their professional development accordingly rather than focusing on all subject areas. Subject-area teachers in the upper grades collaborate with each other for planning.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1 (Prioritized): Several students in upper grades (both new and returning) with a deficit in reading. Root Cause: Literacy by 3 is not consistent across grade levels. In 1st - 5th grades, there is a percentage of students who begin at Urgent Intervention and remain there (with increases in standard scores, but no category movement). We need to put in structures for intervention and tiered small group instruction. Historically, teachers have organized their lessons towards whole group instruction.
School Processes & Programs

School Processes & Programs Summary

Daily Elementary serves students in PreK-5th grade. We have 2 self-contained ECSE classes, resource and speech services. Daily has a dual language program for students K-5th. Our school operates out of one calendar. Every Friday, we send out the Weekly Agenda to all staff members which includes meetings (members who need to be present, location, etc.), trainings, events, deadlines for the upcoming week. There is also a section on looking ahead so staff is aware of upcoming events and deadlines. Outlook invites are also used as well. For parent communication, we have adopted Class Dojo school-wide. Every Wednesday, I send out the school newsletter, the Daily News, to all parents via HISD Connect and Class Dojo.

PreK-2nd grade classes are self-contained. Third - 5th classes are departmentalized (except for 3rd grade Dual Language): Math/science and ELAR/SS in order to encourage interdisciplinary practices while becoming an "expert" in specific subjects. Many of our teachers have become ESL-certified since this is an area of need for students in our community. This year, we are focusing on providing more extracurricular activities for our students (UIL, Robotics & Coding Club, Gardening Club, Safety Patrol, Name that Book, Sports). We are also creating more opportunities for our parents to get involved as well.

School Processes & Programs Strengths

Since we are a diverse learning community with over 30 different languages represented by our students, we take many opportunities to celebrate our diversity (ie. Hispanic Heritage parade, Lunar New Year Parade, a Black History parade). Our staff members are willing to go above and beyond to help our students academically and socially/emotionally. Last year, our campus was fortunate enough to have a Wraparound Specialist for the first time. Ms. Pena has helped tremendously in connecting families to school and in finding resources to meet our students' non-academic needs.

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1 (Prioritized): Several of our students have attendance and tardy concerns. There are lower attendance rates on Mondays, Fridays, and bad weather days. Root Cause: Lower attendance rates on Mondays because students or their parents are tired from the weekend. Many of our students walk to school because they are ineligible for school buses so on inclement weather days, they choose not to come to school. Also, families reside outside of Daily's zone, but are still enrolled at Daily. They are often tardy or absent due to travel time and traffic.
Perceptions

Perceptions Summary

We have a core group of parents that make up our PTO. Many of our parents are working parents so the level of parent engagement varies accordingly. Feedback from long-time parents have been positive about changes they have seen in our school in the past three years. Most teachers who choose to leave Daily do so because they are moving, retiring, or leaving the field of education.

Perceptions Strengths

Overall, we have a positive perception from our parent community. Our parent body have conveyed that they are happy with the changes they have seen. With the help of our Wraparound Specialist, we have increased our parent engagement and participation levels. We have also worked with community partners, such as the SPARK park organization, to bring a SPARK park on our campus. Staff culture is also positive. We try to cultivate a family atmosphere. I make sure our administrative team is always available to support our teachers.

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1: Parents may not be as involved in school as much as we would like. Root Cause: Some of our bilingual parents feel more comfortable if they are able to communicate with bilingual staff members. Other parents are willing to be involved, but their work schedule prevent them from more involvement. We need to offer more opportunities after-hours.
Priority Problems of Practice

**Problem of Practice 1**: Several students in upper grades (both new and returning) with a deficit in reading.

**Root Cause 1**: Literacy by 3 is not consistent across grade levels. In 1st - 5th grades, there is a percentage of students who begin at Urgent Intervention and remain there (with increases in standard scores, but no category movement). We need to put in structures for intervention and tiered small group instruction. Historically, teachers have organized their lessons towards whole group instruction.

**Problem of Practice 1 Areas**: Student Learning

**Problem of Practice 2**: Several of our students have attendance and tardy concerns. There are lower attendance rates on Mondays, Fridays, and bad weather days.

**Root Cause 2**: Lower attendance rates on Mondays because students or their parents are tired from the weekend. Many of our students walk to school because they are ineligible for school buses so on inclement weather days, they choose not to come to school. Also, families reside outside of Daily's zone, but are still enrolled at Daily. They are often tardy or absent due to travel time and traffic.

**Problem of Practice 2 Areas**: School Processes & Programs
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations
- Federal Report Card and accountability data

**Student Data: Assessments**
- STAAR current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results

**Student Data: Student Groups**
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

**Student Data: Behavior and Other Indicators**
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

**Employee Data**
396 Daily Elementary School

## Board Goals

**Board Goal 1:** The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

**Goal 1:** For the 2022-23 school year, 3rd, 4th, and 5th grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard will increase from 58% to 60%.

**Strategic Priorities:**
Expanding Educational Opportunities, Transforming Academic Outreach

**Measurable Objective 1:** Students will show progress from BOY to EOY as measured by Ren 360 and BRR.

**Evaluation Data Sources:** Ren 360 tiered reports from BOY, MOY, EOY, and progress monitoring. BOY, MOY, and EOY BRR.

### HB3 Board Goal

<table>
<thead>
<tr>
<th>Strategy 1 Details</th>
<th>Reviews</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Strategy 1:</strong> We will continue our partnership with Literacy Now to provide consistent intervention with identified Tier 3 students in kindergarten (14), 1st grade (14), and 2nd grade (20).</td>
<td></td>
</tr>
<tr>
<td><strong>Strategy's Expected Result/Impact:</strong> These identified students will make progress (increasing by one category) as indicated on Ren 360 and BRR.</td>
<td></td>
</tr>
<tr>
<td><strong>Staff Responsible for Monitoring:</strong> Classroom Teachers, Reading Interventionist</td>
<td></td>
</tr>
</tbody>
</table>
| **Action Steps:** 1. Teachers will use ITR reports and BOY assessments to provide a roster of 52 students (between kindergarten and 2nd grade)  
2. Literacy Now will screen these potential students and select 48 students who will benefit most from the program.  
3. Students' progress will be monitored throughout the program. |
| **Title I:** 2.4, 2.5, 2.6 |
| **- TEA Priorities:** Build a foundation of reading and math |
| **Funding Sources:** Contract with Literacy Now - 2110000000 - Title 1 Basic Programs - 6200 - Contracted Services - $37,000 |
| **Reviews** | Formative | Summative |
| **Nov** | **Jan** | **Mar** | **June** |
## Strategy 2 Details

**Strategy 2:** Implement Really Great Reading, a research-based phonics program, with fidelity as part of the daily literacy block.

**Strategy's Expected Result/Impact:** More students will move up a category on Ren 360, especially out of Urgent Intervention.

**Staff Responsible for Monitoring:** Classroom Teachers, Reading Interventionist

**Action Steps:**
1. Provide training for RGR during preservice weeks.
2. Ensure all necessary RGT materials are distributed to classroom teachers for them to implement the program with fidelity.
3. Reading Interventionist make sure classes are rostered so that teachers/students can get the maximum benefit from RGR.
4. Monitor its implementation and provide training/assistance as needed.

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Build a foundation of reading and math

## Strategy 3 Details

**Strategy 3:** Students will use Freckle Reading to provide support and reinforcement in areas of growth needed as identified on Ren 360.

**Strategy's Expected Result/Impact:** Increase student performance on Ren 360 as Freckle helps to address specific deficits in understanding.

**Staff Responsible for Monitoring:** Classroom teachers, Administrators

**Action Steps:**
1. Renew Freckle license.
2. Schedule training during PLC to show teachers how they can assign specific objectives to reinforce on Freckle based on BOY/MOY Ren 360 and progress monitoring.
3. Run monthly reports for Freckle usage and growth.

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Build a foundation of reading and math

**Funding Sources:** Freckle Math and Reading License - 1991010004 - General Fund - State Comp Ed - 6200 - Contracted Services - $11,520

## Measurable Objective 2:
For the 2022-23 school year, students will show progress on reading formative common assessments created online with similar format to redesigned STAAR.

**Evaluation Data Sources:** Formative common assessments, On-Track
### Strategy 1 Details

**Strategy 1:** Interventionists will work closely with reading teachers using backwards planning in creating formative common assessments online using OnTrack with similar STAAR redesign format using the six weeks' planning guides and scope/sequence.

**Strategy's Expected Result/Impact:** Increase student familiarity with taking assessments online and with the types of questions on the redesigned STAAR. Identify TEKS that require clarification and/or additional reinforcement/reteach/intervention.

**Staff Responsible for Monitoring:** Classroom Teachers, Interventionists

**Action Steps:**
1. Provide Interventionists training to create online formative assessments using On-Track.
2. Provide time for interventionists and teachers to backwards plan from assessments.

**Title I:**
2.4, 2.6

**- TEA Priorities:**
Build a foundation of reading and math

**Funding Sources:** Extra Duty Pay - 2110000000 - Title 1 Basic Programs - 6100 - Payroll - $5,000

### Strategy 2 Details

**Strategy 2:** Teachers will strengthen Tier 1 instruction by increasing the use of high-yielding, impactful instructional strategies (Lead4ward instructional playlist, structured conversation opportunities, interactive journals, whole body learning, etc.).

**Strategy's Expected Result/Impact:** Increase engagement and the use of high-yielding instructional strategies will increase the level of student mastery during first-time instruction.

**Staff Responsible for Monitoring:** Classroom Teachers, Administrators

**Action Steps:**
1. Use Lead4ward instructional playlist, structured conversation opportunities, interactive journals, whole body learning, etc.
2. Classroom teachers notify administrators of any resources they may need to strengthen Tier 1 instruction.

**Title I:**
2.4, 2.6

**- TEA Priorities:**
Build a foundation of reading and math
### Strategy 3 Details

**Strategy 3:** Teachers will plan writing opportunities across all subject areas using short answer responses, written explanations/justifications for responses, etc.

- **Strategy’s Expected Result/Impact:** Increase in more authentic assessment of understanding that requires higher levels of critical thinking.
- **Staff Responsible for Monitoring:** Classroom teachers, Administrators
- **Action Steps:**
  1. PD on writing across all content areas during preservice.
  2. Ensure lesson plans/assessments include writing opportunities. PLC form asks content teams to include how writing will be incorporated.
  3. Review student writing artifacts during PLCs throughout the year.

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Build a foundation of reading and math

**Measurable Objective 3:** For the 2022-23 school year, Daily Elementary will follow HB 4545 guidelines for accelerated learning in small groups by providing 30 hours of accelerated instruction for those fourth and fifth grade students who did not meet the passing standard on STAAR Reading in Spring 2022.

- **Evaluation Data Sources:** STAAR data, small group accelerated learning documentation
- **HB3 Board Goal**
## Strategy 1 Details

**Strategy 1:** Built in intervention blocks for every grade level where interventionists, contract tutors, and trained teacher assistants are assigned to provide 4545 accelerated learning to students.

**Strategy's Expected Result/Impact:** Increase in performance of HB4545 students on formative common assessments throughout the year.

**Staff Responsible for Monitoring:** Administrators, Classroom Teachers, Interventionists

**Action Steps:**
1. Identify and assign students for HB 4545 accelerated learning.
2. Create schedule for interventionists and contract tutors.
3. Monitor HB4545 tutoring provided by contract tutors periodically throughout the year.
4. Make adjustments as needed based on results on formative common assessments.

**Title I:**
2.4, 2.5, 2.6

**- TEA Priorities:**
Build a foundation of reading and math

**Funding Sources:**
- Contract Tutors - 2890000000 - Federal Special Revenue - 6200 - Contracted Services - $25,000
- Interventionist - 2890000000 - Federal Special Revenue - 6100 - Payroll - $61,500

## Strategy 2 Details

**Strategy 2:** Teachers and interventionists will provide after-school HB4545 tutoring for students. In the spring, students will be offered Saturday tutorials.

**Strategy's Expected Result/Impact:** Students receiving HB4545 tutoring will improve performance on formative common assessments.

**Staff Responsible for Monitoring:** Classroom teachers, Interventionists

**Action Steps:**
1. Identify and schedule students for HB 4545 accelerated tutoring after school.
2. Gather parent permission.

**Title I:**
2.4, 2.5, 2.6

**Funding Sources:**
- Extra duty pay for after-school tutoring - 2110000000 - Title 1 Basic Programs - 6100 - Payroll - $5,000
### Strategy 3 Details

**Strategy 3:** Students will use Freckle ELAR and Imagine Learning and Literacy as online intervention programs.

**Strategy's Expected Result/Impact:** Students using these platforms will show growth as reflected in monthly reports and in formative common assessments.

**Staff Responsible for Monitoring:** Classroom Teachers, Interventionists

**Action Steps:**
1. Renew Freckle license.
2. Have HB4545 students take Imagine Learning and Literacy BOY benchmark.
3. Monitor usage and growth by running monthly reports.

**Title I:**
2.4, 2.6

3. Monitor HB4545 tutoring provided by contract tutors periodically throughout the year.
4. Make adjustments as needed based on results on formative common assessments.

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Build a foundation of reading and math
### Strategy 2 Details

**Strategy 2:** Teachers and interventionists will provide after-school HB4545 tutoring for students. In the spring, students will be offered Saturday tutorials.

**Strategy's Expected Result/Impact:** Students receiving HB4545 tutoring will improve performance on formative common assessments.

**Staff Responsible for Monitoring:** Classroom teachers, Interventionists

**Action Steps:**
1. Identify and schedule students for HB4545 accelerated tutoring after school.
2. Gather parent permission.

**Title I:**
- 2.4, 2.5, 2.6

**Funding Sources:** Extra duty pay for after-school tutoring - 2110000000 - Title 1 Basic Programs - 6100 - Payroll - $20,000

### Progress Matrix

- ![Progress Matrix](image)
Board Goal 3: The percentage of graduates that meet the criteria for College/Career/Military Readiness as measured in Domain 1 of the state accountability system will increase.

Goal 1: For the 2022-23 school year, students performing at or above grade level in reading and math as measured by the Masters Grade Level Standard will increase from 31% to 37%.

Strategic Priorities:
Expanding Educational Opportunities, Transforming Academic Outreach

Measurable Objective 1: For the 2022-23 school year, students who attained Masters last year will achieve Masters and students who attained Meets within 3 questions of Masters will move from Meets to Masters on the 2023 STAAR.

Evaluation Data Sources: STAAR results, Formative Common Assessments

2. Create Google link.  
3. Send home truancy letters, create attendance contracts, and schedule attendance meetings and home visits as needed. | | | | |

**Title I:**  
2.5, 2.6, 4.1
### Strategy 2 Details

**Strategy 2:** Daily will implement Attendance Awareness Month during the month of September. We will highlight the importance of coming to school every day when students are healthy through flyers and sharing articles in Daily News. Every Friday, students who come to school will get to celebrate coming to school by participating in an incentive.

**Strategy's Expected Result/Impact:** Increase awareness of the importance of attendance and increase attendance rate.

**Staff Responsible for Monitoring:** Principal, Wraparound Specialist, SIR

**Action Steps:**
1. Create Attendance Awareness Month incentives for each Friday (ex. bringing a small stuffed animal for "beary" good attendance).
2. Include article highlighting importance of attendance in Daily News.
3. Schedule for CORE to come to school on last Friday in September.

**Title I:**
2.4, 2.5, 2.6

### Strategy 3 Details

**Strategy 3:** Wraparound Specialist will provide monthly attendance incentives to reward students with good attendance.

**Strategy's Expected Result/Impact:** Increase attendance rate by motivating students to come to school.

**Staff Responsible for Monitoring:** Classroom teachers, Wraparound Specialist, Principal

**Action Steps:**
1. Schedule monthly attendance incentives.
2. Run report to identify qualifying students.

**Title I:**
2.5, 2.6

**- TEA Priorities:**
Build a foundation of reading and math

**Funding Sources:**
- Incentives - 1991010001 - General Fund - Regular Program - 6300 - Supplies and Materials
- $2,000

### Strategy 2 Details

**Strategy 2:** Teachers will strengthen Tier 1 instruction by increasing the use of high-yielding, impactful instructional strategies (Lead4ward instructional playlist, structured conversation opportunities, interactive journals, whole body learning, etc.).

**Strategy's Expected Result/Impact:** Increase engagement and the use of high-yielding instructional strategies will increase the level of student mastery during first-time instruction.

**Staff Responsible for Monitoring:** Classroom Teachers, Administrators

**Action Steps:**
1. Use Lead4ward instructional playlist, structured conversation opportunities, interactive journals, whole body learning, etc.
2. Classroom teachers notify administrators of any resources they may need to strengthen Tier 1 instruction.

**Title I:**
2.4, 2.6

**TEA Priorities:**
Build a foundation of reading and math

### Strategy 3 Details

**Strategy 3:** Teachers will establish routines and procedures to routinely use manipulatives to represent mathematical concepts from concrete, pictorial, to abstract to strengthen Tier 1 instruction.

**Strategy's Expected Result/Impact:** Increase students' conceptual math understanding thereby increasing student performance on formative common assessments.

**Staff Responsible for Monitoring:** Classroom Teachers, Math Interventionist

**Action Steps:**
1. Provide access to math manipulatives.
2. Provide coaching as needed from Math Interventionist.
3. Utilize math department as a resource, as needed.

**Title I:**
2.4, 2.6

**TEA Priorities:**
Build a foundation of reading and math

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by the administrative team at Daily Elementary. Based on our STAAR scores, we need to strengthen our Tier 1 instruction in order to improve Domain 1 scores. Although this past year showed that we can "grow" students from where they are, we need to work on having more of our students attain the Meets standard. Since the STAAR redesign will require students to write short and extended answer responses in all tested subjects, we also need to incorporate similar writing opportunities across all subject areas on a daily basis. In addition, we also need to ensure our students are familiar with taking online assessments by having them take online assessments throughout the year. One concern teachers brought to our attention at the end of last year was the need for a school-wide discipline plan. In response, we are implementing Project Class, a social skills curriculum, that allows all staff members to have a common language and streamlines behavioral expectations across all grades. The other request made by staff and parents is the need to offer more extracurricular opportunities for our students.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways: SIP was shared and reviewed at a faculty meeting and also with the SDMC.

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes: Monitoring will be completed through PLCs and SDMC meetings.

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations: Website, Presented to SDMC

The SIP was made available to parents by: Presented to SDMC; Available on website

We provide the SIP to parents in the following languages:

- English
- Spanish

2.4: Opportunities for all children to meet State standards
Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- HB4545 - All students who did not meet the passing standard on Math and/or Reading STAAR assessments last year will receive 30 hours of accelerated instruction in math and/or reading during the 22-23 school year in a small group setting.
- All 4th Grade students who did not meet the passing standard on Math and/or Reading STAAR assessments last year will have an Accelerated Learning Committee meeting with one parent to discuss the plan to bring the student to grade-level.
- Identified Tier 3 students in K, 1st, and 2nd grades will receive additional reading intervention through Literacy Now four times/week.
- Students will be invited to after-school tutorials beginning in the fall. Saturday tutorials will begin in the spring.
- Intervention blocks have been added for each grade level. During this designated time, interventionists, teachers, and teacher assistants will provide consistent intervention. Students will also use Imagine Learning, Imagine Math, and FRECKLE during this intervention time.

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:

- HB4545 - All students who did not meet the passing standard on Math and/or Reading STAAR assessments last year will receive 30 hours of accelerated instruction in math and/or reading during the 2022-23 school year.
- Students will be invited to after-school tutorials for increased learning time. Saturday tutorials will begin in the spring.
- Implementation of Project Class Social Skills Curriculum.
- Increase in enrichment after-school opportunities for students.

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas: Professional development on research-based reading resources such as Really Great Reading
- Strengthen Tier 1 instruction in all content areas by increasing engagement using Lead4ward Instructional Playlist, Kagan strategies, structured conversation opportunities, whole body learning, academic vocabulary, sentence stems, etc.
- Small Group Instruction based on student data needs: Use of data for flexible grouping

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

Progress on SIP will be evaluated every quarter. During the summer, we will evaluate the schoolwide plan and make adjustments for the upcoming school year.

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:
The languages in which the PFE was distributed include

- English

Five strategies to increase Parent and Family Engagement include:

- Wraparound Council
- Wraparound Resource Room (RAK)
- Weekly Newsletter
- SAF Resources
- School-wide family/community activities

4.2: Offer flexible number of parent involvement meetings

The campus will provide a minimum of four Title I Parent Meetings:

- Meet the Teacher
- Parents' Night
- Curriculum Night
- Parent Engagement Workshops (collaboration with Literacy Now)

5. Targeted Assistance Schools Only

Title I, Part A Campus Improvement Plan (CIP) — Schoolwide and Targeted Assistance

The 3-Elements Campus Improvement Plan (CIP) is specific to your campus. You can obtain the information needed to complete the CIP questions from a variety of sources, including campus administrators/staff and HISD’s External Funding Department.

Campus Name ____________________________________________ Campus Number _________

SPECIAL REVENUE FUNDING GOALS

GOAL AREA: Title I, Part A – 3 Required Elements of Schoolwide Planning – Campus Compliance
NOTE: As a Schoolwide Title I, Part A campus, ESSA Requires the completion of the sections below (campus compliance).

1. Comprehensive Needs Assessment: The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire Campus that takes into account information on the academic achievement of children in relation to the challenging state academic standards, particularly the needs of those children who are failing, or at risk of failing, to meet the challenging state academic standards and any other factors as determined by the Local Educational Agency (LEA).

   • Briefly summarize your campus’s needs as identified in your Comprehensive Needs Assessment. Include a list of the data sources used and a description of the CNA process the campus followed.

   • Indicate the programs and resources that are being purchased out of Title I funds.

   • Indicate the date(s) the CNA was developed or the date(s) the CNA was reviewed or revised.

   ________________________________________________________________

   Continued on next page....
2. Campus Improvement Plan Requirement (CIP) Schoolwide Plan Development: The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other campus leaders, paraprofessionals present in the campus, and other stakeholders. Campus-specific, schoolwide reform strategies will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

- List at least four (4) campus-specific, schoolwide reform strategies that will provide opportunities for all students, particularly the needs of those students who are at risk of not meeting the challenging State academic standards to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

1. _______________________________________________________________________________
2. _______________________________________________________________________________
3. _______________________________________________________________________________
4. _______________________________________________________________________________

A. Indicate the locations where the CIP is made available. Examples: campus, post office, student handbook, parent meetings, campus website, etc.

B. Indicate how you communicated to parents the location of the CIP. Examples: Campus Messenger, parent meetings, campus newsletters, etc.

C. Indicate the languages in which the CIP was made available.

Continued on next page....
3. Parent and Family Engagement: Campuses shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the following requirements:

Parents shall be notified of the policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. The policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the campus.

Identify at least four (4) strategies specific to your campus to increase Parent and Family Engagement activities.

1. __________________________________________________________________________
2. __________________________________________________________________________
3. __________________________________________________________________________
4. __________________________________________________________________________

A. List the individuals, including roles (parents, teacher, admin, etc.) who assisted with the development of the PFE Policy.

B. Indicate how the Parent and Family Engagement Policy was distributed.

C. Indicate specific languages in which the PFE Policy was distributed.

Continued on next page....
Title I Parent Meetings

Indicate the dates and times of the four required Title I Parent Meetings (each meeting must be offered twice to accommodate parents - eight meetings total).

| *Teacher, Class-Size, Bilingual* | 30001374 | |
| *Teacher, Class-Size Reduction [General] All grade levels | 30001705 | |

*Before hiring a CSR teacher, schools must first meet the State’s standards for pupil-teacher ratios (i.e., 8-4 = 22:1; for all other grades, a school must maintain an average of not less than 25:1 based on average daily attendance). After meeting the State’s standards, you may apply for a CSR teacher to meet the District’s recommended standards (i.e., 8-4 = 20:1; grade 5-6 = 26:1; grades 6-8 = 28:1 or class load of 160 students; grades 9-12 = 30:1 or class load of 160 students).

Rev. 01/13/2022

---

Be sure to indicate Title I positions on the campus CIP Personnel Chart.
Indicate “Yes” or “No” below if your campus’s Title I funds will be utilized to fund the following items:
