    III. Enrollment Update/ Budget
          A. 342 Students - under projection of 400.
          B. We will have to give some money back to the district, but we don't have a final
              number yet.
    IV.   Professional Development
          A. Not a comp day. Waiting on the district plan.
    V.   Carnegie Math
          A. Supported by district with a Curriculum Implementation Coach
          B. Rollout will continue to be evaluated at the campus and district level.
    VI.   Canvas
          A. Our goal is to move into at least the "Developing" phase of Canvas use. We will
              do this through professional development and utilizing our instructional
              technology coach.
    VII. Verizon Grant

A. We are a Verizon Innovative Learning School for the 2022-2023 school year.
    1. This means students receive Chromebooks, with data plans, and our campus gets an Instructional Technology Coach to help build teachers' capacity for instructional technology applications and best practices.
