WHAT IS A SCHOOL-PARENT COMPACT?

A school-parent compact is a written agreement between a school, the parents and students. The compact is an action plan that provides strategies used to support and increase students’ academic and behavioral success.

The compact explains each stakeholder’s role of support in the student’s educational journey. The compact outlines the strategies of support by the students, parents and teachers.

The Scroggins Elementary School-Parent Compact was jointly developed with teachers, students and parents in order to increase the success of our school and community.
