Woodson PK-5 Leadership Academy School-Parent-Student Compact

Woodson Staff, students, and parents of the Sunnyside community agree that this compact outline how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high standards.

Title I regulations require that each school served under Title I jointly develop with a distribute to the parents of participating children, a written parental involvement policy agreed on by parents that describes the requirements outlined in Title I law.

School Responsibilities Woodson Staff will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that supports children in meeting the State's student academic achievement standards.
2. Provide parents with frequent reports on their children's academic and behavioral progress. In each classroom we will provide progress reports through Parent/Teacher conferences, samples of student work, updates on reading, writing and math assessments. We will initiate a parent contact at the first signs of a pattern of behavior that interferes with student learning.
3. Set high expectations for staff, students and parents by ensuring challenging curriculum, implementing programs targeted at increasing student achievement and committing to recruit, retain, and train qualified staff. Also, highlight/prepare ways that the parent can advance the learning environment at home.
4. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as defined by grade level teams.
5. Provide parents reasonable access to staff.
