SIP Part 1: Background, Data Analysis and Needs Assessment

MISSION STATEMENT

Mission

Ortiz Middle School exists to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

Ortiz graduates are active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Vision

Ortiz graduates are internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

SCHOOL PROFILE

Daniel Ortiz Jr. Middle School is located at 6767 Telephone Road in the Glenbrook Valley Community. The current enrollment is 1067 students. Ortiz MS serves students in grades 6, 7, and 8. The ethnic breakdown of the student population is approximately 73.23% Hispanic, 18.72% African American, 1.74% White, and 5.56% Asian/Pacific Islander. Approximately 8.63% of the students qualify for special education services and 22% are English language learners (ELL). Ortiz offers the English as a Second Language program for ELL students, and Special Education instruction is provided via the Co-Teaching Model, Life Skills, and the Behavior Student Center. Our school is a Title I school, and 97% of the families are classified as economically disadvantaged. Furthermore, 13% of the students are enrolled in the Gifted and Talented program and receive instruction in pre-advanced placement classes. Ninety-five percent of the students are considered At-Risk. The attendance rate for 2015-2016 was 94.9%, and the dropout rate was 0.09%. Neighborhood associations include the Glenbrook Valley Civic Club and the Meadowbrook Civic Club.

SHARED DECISION MAKING (sample language provided – modify as needed)

Organizational Structure

The Campus Intervention Team (CIT) is based on the Shared Decision-Making model (SDM) designed to establish, monitor, and evaluate goals for budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development. This model is aligned to state legislation and HISD board policy. The intention of the SDMC is to pull together our community in a constructive, organized, and unified body to enhance the education of all students. The CIT is responsible for development, implementation, and monitoring of the School Improvement Plan, monitoring of student performance, and determination of student interventions and support service.

The SDMC component of the CIT is the shared decision-making body. Professional staff representatives are elected by the faculty. Principal determines number of classroom teachers; then, assigns half that number to school-based staff. This complies with 2/3 - 1/3 rule for professional staff. In addition, the committee must have one non-instructional staff, one business member, at least two parents and at least two community members. Parents are elected by the PTO, PTA or PACS membership.

The Council meets monthly and as needed to discuss issues brought forth by the administration, staff, parents, or community. It is supported by standing committees that address budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development. Standing committees meet as needed. Parents are encouraged to serve on standing committees.

The SDMC functions under the direction of the Principal. Members of the SDMC attend SDMC meetings for the term of his office, monitor the implementation of the School Improvement Plan, address issues presented by the principal, present issues for discussion and recommend resolutions to the SDMC, create ad hoc committees by consensus of the SDMC, chair standing committees and ad hoc committees, submit minutes to the principal for committee meetings, and report the recommendations to the SDMC. The SDMC is responsible for approving all professional development plans for the school.

The Principal coordinates the process of shared decision making, facilitates communication for all stakeholders, considers issues and recommendations from the community, SDMC, and standing committees, and makes decisions based on those recommendations.

Shared Decision Making Process

Consensus is the ultimate goal of the SDMC. Agreement by all participants is not always possible or necessary for consensus. Consensus is a collective process that provides a forum for full dialogue on appropriate/applicable responses to issues.

Members of the committees discuss and make recommendations to the SDMC. The SDMC reviews recommendations and reaches consensus. Sufficient consensus is defined as a willingness to settle an issue in favor of the majority. All points of view will be considered and general agreement must be reached before decisions will be implemented. If general agreement is not reached, further study of the issue will occur and alternatives will be presented until agreement is reached. After all alternatives have been explored, a deadlock can be broken by a majority vote. As issues come up for discussion, the chairperson is responsible for ensuring that all present have a legitimate opportunity to state their case. The principal retains the authority to exercise a veto over decisions made by the SDMC.

Method of Communications

Members of the school community may submit non-personnel issues for consideration through the shared decision-making process. Written issues or concerns are submitted to any SDMC member or placed in the SDMC box located in the main office. A school community member may attend a meeting of any committee to discuss or present an issue. All meetings are on the monthly calendar. The SDMC delivers issues to appropriate standing committees for action. Communications from all committees is transmitted to faculty, staff, and parents.

All SDMC information must be included on the campus website. A list of meeting dates, committee members, agendas and minutes for each meeting must be able to be accessed. The home page of each campus website must include a link to the SDMC page for easy access.

NEEDS ASSESSMENT

Narrative of Data Analysis and Root Causes (causal factors – include % of economically disadvantaged data)

Click here to enter text.

Narrative of Identified Needs – Include Special Education Needs

1. The reading skills of students in sixth and seventh grade are in need of significant improvement. Sixth grade students passed the STAAR reading test at 52% and seventh grade students passed the STAAR reading test at 54%. These two scores are well below state and district levels.
2. The math performance levels of sixth and seventh graders need improvement. Sixth grade students passed the STAAR math test at 62% and seventh grade students passed the STAAR math test at 60%. These two scores are well below state and district levels.
3. Safety, and our student and faculty perception of safety on campus, needs to improve in particular as it relates to bullying, violence, bus safety, and gang activity.
4. Attendance in school year 2016-2017 was 94.9%. This was slightly below district goal of 95% and well below campus goal of 97%.
5. The achievement gap between our special populations, specifically ELL and SPED students, needs to improve in a dramatic form as compared to all other student groups across grade levels and across subject areas. Academic level of ELL and SPED students will increase 10% in all grade levels in all content areas by the end of the 2016-2017 school year.
6. Level III Academic Performance STAAR scores show our students are not achieving Level III performance at acceptable percentages. This is a campus priority for school year 2016.

7. Lack of parental involvement in school life and in school activities such as PTO meetings, academic events, and athletic events is a concern. We have created a committee to communicate with and encourage more parental involvement.

Following the in-depth data analysis, needs assessment and development of the campus SIP, the campus must indicate on this table that any unmet or barely met accountability standards have been addressed:

SIP Part 2: Goals & Objectives

Based on the Data Analysis and Needs Assessment, the following Goals and **Measurable** Objectives must be developed to address the identified needs:

Goal Area I: Increase Student Achievement (HISD Goal 1)

1. Reading
2. Mathematics
3. Accountability and Federal System Safeguards
4. Index 4 Goals
 - a. Dropout Prevention / Graduation Rate Improvement (MS,HS)
 - b. Ninth Grade Promotion (HS)
 - c. Advanced Course / Dual Credit Enrollment (HS)
 - d. AP/IB Exams Participation and Scores (HS)
 - e. PSAT/SAT/ACT Participation and Scores (HS)
 - f. College Readiness (ES,MS,HS)
5. Attendance
6. Highly Qualified and Effective Teachers, Administrators and Paraprofessionals

Goal Area II: Improve Safety, Public Support, and Confidence (HISD Goals 3, 5)

- a. Bullying Prevention
- b. Child Abuse & Sexual Abuse Prevention
- c. Coordinated Health Program (Elementary, Middle, and K-8 Campuses Required)
- d. Dating Violence Awareness
- e. Discipline Management – Safe Environments
 - a. DAEP Referrals
 - b. Special Education In-school Suspension
 - c. Special Education Out-of-School Suspension
- f. Drug, Tobacco, Alcohol Prevention
- g. Suicide Prevention
- h. Parent and Community Involvement

Goal Area III: Special Population Goals & Strategies

- a. Gifted & Talented Program
- b. Special Education Program
 - a. STAAR/EOC Participation
 - b. Representation
 - i. Overall
 - ii. African-American
 - iii. Hispanic
 - iv. ELL
 - c. Placement in Instructional Setting 40/41
- c. Economically Disadvantaged
 - a. STAAR/EOC Participation
- d. English Language Learners
 - a. STAAR/EOC Participation
 - b. TELPAS Reading and Composite Scores
- e. Dyslexia Program

GOAL AREA 1 – Student Achievement: Reading

Priority Need:	Low STAAR scores in 6 th & 7 th grade reading
Critical Success Factor(s):	Improve academic performance
Goal:	At the end of school year 2016-2017, 6 th & 7 th grade reading STAAR scores will be at least 7% higher compared to 2016 reading STAAR scores.

SIP Part 3: Special Funding Goals

Goal Area: Title I, Part A – 8 Required Components of Schoolwide Planning

1. **Comprehensive Needs Assessment** All data were reviewed for all students and student groups to identify areas of strength and areas of need in terms of student achievement, staff development, and parent involvement in relation to the state academic content standards and the state student academic achievement standards. PL 107-110 §1114(b)(1)(A) ; PL 107-110 §1115(d)(2)(A)
 - **The reading skills of students at grade level 6 and 7 are in need of significant improvement.**
 - **The math performance levels of 6th and 7th graders need improvement.**
 - **Safety, and our student and faculty perception of safety on campus, needs to improve in particular as it relates to bullying, violence, bus safety, and gang activity.**
 - **In the school year 2015-2016 the school attendance was 94.9% which did not meet district goals for middle schools.**
 - **The achievement gap between our special populations, specifically ELL and SPED students, needs to improve in a dramatic form as compared to all other student groups across grade levels and across subject areas.**
 - **Level III Academic Performance STAAR scores show our students are not achieving Level III performance at acceptable percentages. This is a campus priority for school year 2016.**
 - **Lack of parental involvement in PTO meetings, academic events, and athletic events is a concern.**

Schoolwide Reform Strategies List at least four (4) campus-specific, schoolwide reform strategies that will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on scientifically-based research to increase achievement for each sub-group on state tests. PL 107-110 §1114(b)(1)(B) ; PL 107-110 §1001(9)

- 1) **Implementing the International Baccalaureate Program campus wide**
 - 2) **Implementing the Performing and Visual Arts Magnet Program as a way to increase academic achievement**
 - 3) **Planning and delivering data driven instruction**
 - 4) **Providing time for teachers to have Professional Learning Communities meetings daily**
2. **High-Quality and Ongoing Professional Development** Explain the process to provide high-quality and ongoing professional development for teachers, paraprofessionals and other staff members. Professional development must include the goals and objectives of the schoolwide plan, and receive the sustained, high-quality professional development required to implement them. PL 107-110 §3115(c)(2)(D) ; PL 107-110 §1114(b)(1)(D)
 - **Process of high-quality professional development: All our core teachers attend year-long trainings by Lead4ward and also Literacy in the Middle. These two programs are offered by the district.**
 - **Process of ongoing professional development: Lead teachers are allowed additional time in their daily schedules to work with new and struggling teachers. Lead teacher receive training during the summer and during the school year to effectively support new teachers and to provide in-campus professional development throughout the school year.**
 3. **Strategies to Increase Parental Involvement** Identify at least four (4) strategies specific to your campus to increase parental involvement activities. PL 107-110 §1118
 - 1) **International Arts Festival in the Fall semester**
 - 2) **International Food Festival in the Spring semester**

- 3) **Asian New Year Celebration; Black History Month Celebration; Noche Latina**
 - 4) **Magnet and IB News Letter**
4. **Ensure Smooth Transition for Students (PRIMARY/ES)** Explain plans for assisting preschool children in the transition from early childhood programs to local elementary school programs. **(SECONDARY)** Identify transition activities for students as they enter each level (intermediate, middle, high school) and as students exit special programs (e.g. Bilingual, ESL & Special Education) PL 107-110 §1114(b)(1)(G) ; PL 107-110 §1115(c)(1)(D)
 - **(PRIMARY/ES) Preschool transition: NA**
 - **(SECONDARY) Transition activities: Spring Break Camp for incoming students; Summer Camp for incoming students; IB Camp for students new to IB**
 5. **Measures to Include Teachers in Decisions Regarding the Use of Academic Assessments** In addition to state performance data, describe measures to include teachers in making decisions about academic assessments in order to provide information on, and to improve, the achievement of individual students and the overall instructional program. PL 107-110 §1114(a)(1)(H)
 - **Describe measures: Teachers design common assessments in intervals of three to four weeks. They have access to the district-provided snapshot assessments as an additional source of information. The data generated is analyzed by three methods: school provided analysis in excel format; Ed Plan, and ScribeSense. Teacher meet daily in PLC's to analyze the data and to inform the instructional decisions needed for the short term and long term academic plan**
 6. **Effective, Timely Additional Assistance** Address activities to identify and ensure effective, timely assistance for all students not meeting state standards. PL 107-110 §1115(b)(2)(B) ; PL 107-110 §1114(b)(1)(I)
 - **Process to identify students: Administrators hold data meetings to analyze summative and formative data to identify students in need of academic intervention. Teachers meet daily to analyze summative and formative data to identify individual students in need of academic support and the specific areas in which students need additional support**
 - **Activities to ensure effective and timely assistance: Saturday Tutorials every Saturday from 9:00 AM to 12:00 PM; Weekdays tutorials from 3:30 to 5:00 PM; Teacher initiated tutorials after school hours; Ongoing intervention plans as needed**
 7. **Coordination and Integration of Federal, State and Local Services Programs** State the strategies to coordinate programs/services/funds under NCLB to upgrade the entire educational program and increase student achievement while ensuring that the intent and purpose of each program has been met. PL 107-110 §1112(b)(1)(E) ; PL 107-110 §1114(b)(1)(J)
 - **Strategies to increase program effectiveness: First, administrators meet weekly with the school's business manager to ensure funds are being used according to federal, state, or local requirements and according also with their respective purpose. Second, we coordinate the different programs in order not to duplicate the services or materials provided by each program. Third, we evaluate the effectiveness of the services we are offering with these funds by making an analysis of cost vs. academic progress.**

Goal Area: State Compensatory Education (standard language provided, update data)

EXECUTIVE SUMMARY

SCHOOL IMPROVEMENT PLAN: SCHOOL YEAR 2016-2017

Campus Name: Ortiz Middle School

School, Students, and Community

Daniel Ortiz Jr. Middle School is located at 6767 Telephone Road in the Glenbrook Valley Community. The current enrollment is 1067 students. Ortiz MS serves students in grades 6th, 7th, and 8th. The ethnic breakdown of the student population is approximately 73.23% Hispanic, 18.72% African American, 1.74% White, and 5.56% Asian/Pacific Islander. Approximately 8.63% of the students qualify for special education services and 22% are English language learners (ELL). Ortiz offers the English as a Second Language program for ELL students and the Special Education instruction is provided via the Co-Teaching Model, Life Skills, and the Behavior Student Center. Our school is a school-wide Title I school, and 97% of the families are classified as economically disadvantaged, Furthermore, 13% of the students are enrolled in the Gifted and Talented program and receive instruction in pre-advanced placement classes. 95% percent of the students are considered At-Risk. The attendance rate for 2013-2014 was 94.9%, and the dropout rate was 0.09%. Neighborhood associations include the Glenbrook Valley Civic Club and the Meadowbrook Civic Club.

Areas in Need of Improvement

Based upon a careful analysis of the data we identified seven areas needing improvement. Our goals correlate with these academic needs.

1. The reading skills of students in sixth and seventh grade are in need of significant improvement. Sixth grade students passed the STAAR reading test at 52% and seventh grade students passed the STAAR reading test at 54%. These two scores are well below state and district levels.
2. The math performance levels of sixth and seventh graders need improvement. Sixth grade students passed the STAAR math test at 62% and seventh grade students passed the STAAR math test at 60%. These two scores are well below state and district levels.
3. Safety, and our student and faculty perception of safety on campus, needs to improve in particular as it relates to bullying, violence, bus safety, and gang activity.
4. Attendance in school year 2015-2016 was 94.9%. This was slightly below district goal of 95% and well below campus goal of 97%.
5. The achievement gap between our special populations, specifically ELL and SPED students, needs to improve in a dramatic form as compared to all other student groups across grade levels and across subject areas. Academic level of ELL and SPED students will increase 10% in all grade levels in all content areas by the end of the 2016-2017 school year.
6. Level III Academic Performance STAAR scores show our students are not achieving Level III performance at acceptable percentages. This is a campus priority for school year 2016.
7. Lack of parental involvement in school life and in school activities such as PTO meetings, academic events, and athletic events is a concern. We have created a committee to communicate with and encourage more parental involvement.

Major Goals for School Year 2016-2017

From the seven priority needs we developed the following school goals for the current school year.

- **Reading Goal**
At the end of school year 2016-2017, 6th & 7th grade reading STAAR scores will be at least 7% higher compared to 2016 reading STAAR scores.
- **Math Goal**
At the end of school year 2016-2017, 6th & 7th grade math STAAR scores will be at least 10% higher compared to 2016 math STAAR scores.
- **Safety Goal**
Improve School safety by having 100% of our teachers on duty everyday
- **Attendance Goal**
By the end of school year 2016-2017, we will achieve a yearly attendance rate of 97%.
- **Achievement Gap Goal**
At the end of school year 2016-2017 6th, 7th, & 8th grade Special Population STAAR scores will be 10% higher than the 2016 STAAR scores.
- **Level III Academic Performance Gap**
By the end of school year 2016-2017 students at all grade levels and all testing subjects will achieve Level III Performance in STAAR scores at a level 15% higher than STAAR scores in school year 2015-2016
- **Parent Involvement Goal**
In school year 2016-17 we will increase parent attendance at school meetings and events by 50% compared to parent attendance for the 2015-16 school year.

Major Initiatives to be implemented in School Year 2016-2017

- **Magnet Program**
School year 2016-2017 will be the first year our campus will implement the Magnet program in Performing and Visual Arts. To that effect, we will increase the number and variety of courses offered to our students in the Fine Arts Department. One of the main goals will be to achieve higher levels of academic performance through greater involvement in the visual and performing arts.
- **International Baccalaureate Program**
This year we will continue to implement the IB program in the design and delivery of instruction. In order to create an international mindfulness in our campus we will continue to promulgate the IB learner profile among students and faculty. We will have the IB authorization visit in April 2017.

SIP APPROVAL 2016-2017

School Name: Ortiz Middle School

Principal Name: Sam Dominguez

This School Improvement Plan (SIP) for Ortiz Middle School was developed according to the procedures described in this document. The final draft of the plan was submitted to the Shared Decision Making Committee (SDMC) on 9/7/2016 as evidenced by the SDMC agenda. Through the SDMC, the SIP was reviewed with parents, community members, and the school's professional staff. The plan was presented to the professional staff for a vote of approval by secret ballot on 9/9/2016. The plan received at least two-thirds approval. I attest that if this school is under a designation as Required Improvement, Focus, or Priority, an on-site needs assessment has been conducted in compliance with [TEC §39.106\(b\)](#) and recommendations were made by the intervention team when considered appropriate. In addition, these findings have been recorded and are available upon request.
