SIP Part 1: Background, Data Analysis and Needs Assessment

MISSION STATEMENT

Mission

Ortiz Middle School exists to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

Ortiz graduates are active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Vision

Ortiz graduates are internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

SCHOOL PROFILE

Daniel Ortiz Jr. Middle School is located at 6767 Telephone Road in the Glenbrook Valley Community. The current enrollment, by PEIMS Summer Collection 2018-2019, is 1038 students. Ortiz MS serves students in grades 6, 7, and 8. The ethnic breakdown of the student population is approximately 72.7% Hispanic, 22.5% African American, 1.2% White, and 3.0% Asian/Pacific Islander. Approximately 11.9% of the students qualify for special education services and 28.0% are English language learners (ELL). Ortiz offers the English as a Second Language program for ELL students, and Special Education instruction is provided via the Co-Teaching Model, Life Skills, and the Behavior Student Center. Our school is a Title I school, and 100% of the families are eligible for free or reduced lunch. Furthermore, 6% of the students are enrolled in the Gifted and Talented program and receive instruction in pre-advanced placement classes. Ninety-five percent of the students are considered At-Risk. The attendance rate for 2018-2019 was 95.04%. Neighborhood associations include the Glenbrook Valley Civic Club and the Meadowbrook Civic Club.

SHARED DECISION MAKING

Organizational Structure

The Campus Intervention Team (CIT) is based on the Shared Decision-Making model (SDM) designed to establish, monitor, and evaluate goals for budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development. This model is aligned to state legislation and HISD board policy. A Professional Service Provider (PSP), and a School Support Officer or Lead Principal is a member of the Campus Intervention Team for schools under state *Improvement required* sanctions or federal sanctions as a *Focus* or *Priority* campus. Teacher Development Specialists and other district level personnel can serve as members of the CIT according to the campus needs. The intention of the SDMC is to pull together our community in a constructive, organized, and unified body to enhance the education of all students. The CIT is responsible for development, implementation,

and monitoring of the School Improvement Plan, monitoring of student performance, and determination of student interventions and support service.

The SDMC component of the CIT is the shared decision-making body. Professional staff representatives are elected by the faculty. Principal determines number of classroom teachers; then, assigns half that number to school-based staff. This complies with 2/3 - 1/3 rule for professional staff. In addition, the committee must have one non-instructional staff, one business member, at least two parents and at least two community members. Parents are elected by the PTO, PTA or PACS membership.

The Council meets monthly and as needed to discuss issues brought forth by the administration, staff, parents, or community. It is supported by standing committees that address budgeting, staffing, curriculum, planning, school organization, staffing patterns, and staff development. Standing committees meet as needed. Parents are encouraged to serve on standing committees.

The SDMC functions under the direction of the Principal. Members of the SDMC attend SDMC meetings for the term of his/her office, monitor the implementation of the School Improvement Plan, address issues presented by the principal, present issues for discussion and recommend resolutions to the SDMC, create ad hoc committees by consensus of the SDMC, chair standing committees and ad hoc committees, submit minutes to the principal for committee meetings, and report the recommendations to the SDMC. The SDMC is responsible for approving all professional development plans for the school.

The Principal coordinates the process of shared decision making, facilitates communication for all stakeholders, considers issues and recommendations from the community, SDMC, and standing committees, and makes decisions based on those recommendations.

Shared Decision-Making Process

Consensus is the goal of the SDMC. Agreement by all participants is not always possible or necessary for consensus. Consensus is a collective process that provides a forum for full dialogue on appropriate/applicable responses to issues.

Members of the committees discuss and make recommendations to the SDMC. The SDMC reviews recommendations and reaches consensus. Sufficient consensus is defined as a willingness to settle an issue in favor of the majority. All points of view will be considered and general agreement must be reached before decisions will be implemented. If general agreement is not reached, further study of the issue will occur and alternatives will be presented until agreement is reached. After all alternatives have been explored, a deadlock can be broken by a majority vote. As issues come up for discussion, the chairperson is responsible for ensuring that all present have a legitimate opportunity to state their case. The principal retains the authority to exercise a veto over decisions made by the SDMC.

Method of Communications

Members of the school community may submit non-personnel issues for consideration through the shared decision-making process. Written issues or concerns are submitted to any SDMC member or placed in the SDMC box located in the main office. A school community member may attend a meeting of any committee to discuss or present an issue. All meetings are on the monthly calendar. The SDMC delivers issues to appropriate standing committees for action. Communications from all committees is transmitted to faculty, staff, and parents.

All SDMC information must be included on the campus website. A list of meeting dates, committee members, agendas and minutes for each meeting must be able to be accessed. The home page of each campus website must include a link to the SDMC page for easy access.

NEEDS ASSESSMENT

Narrative of Data Analysis, Problems and Root Causes
(causal factors – include % of economically disadvantaged data)

Narrative of Identified Needs – Include Special Education Needs

1. The reading and writing skills of students at all grade levels is a campus priority. A two-year STAAR score comparison in Reading shows an increase of 10% for sixth grade students from 41% to 51%. However, seventh grade dropped from 54% to 45% and eighth grade dropped from 73% to 66%. Moreover, the seventh grade Writing scores dropped from 50% to 40%.
2. Social Studies continues to be a priority this year. Although the STAAR score for 8th grade went up 1% as compared to last year's score, the overall academic performance level is too low.
3. Science scores for 8th grade show a decrease of 3% as compared with last year's STAAR scores. The academic performance went down from 61% to 58%.
4. Safety, and our student and faculty perception of safety on campus, needs to improve in particular as it relates to bullying, bus safety, and gang activity.
5. Attendance in school year 2017-2018 was 95.04%. This was slightly above district goal of 95% and well below campus goal of 97%.
6. The overall academic performance of Special Education students continues to be a campus priority. A three-year comparison study of STAAR scores for SPED students at all grade levels and for all subjects shows a mixed outcome. From school year 2016 to 2017 to 2018, scores went from 13% to 17% to 15%. Although the overall trend is a positive one, the academic level for all SPED students continues to be too low.
7. STAAR scores for ELL students show a trend similar to the trend obtained by SPED students. A three-year comparison shows scores of 29% passing rate, to 37% passing rate, to 34% passing rate in the last three years. Although this is a positive trend, the overall academic performance level of ELL students continues to be too low.

Following the in-depth data analysis, needs assessment and development of the campus SIP, the campus must indicate on this table that any unmet or barely met accountability standards have been addressed:

SCHOOL WAIVERS FROM BOARD POLICY/GUIDELINES

Our campus has approved waivers from HISD Board Policy and/or Guidelines, as outlined below, for the 2017-2018 school year. Yes No

If you checked "Yes", the Waiver section below must be completed.

All Schools - HISD Early Dismissal Days Waiver of Local Board Policy EB(LOCAL) and Board Approved 2017-2018 Academic Calendar

This waiver allows a school to be exempt from the district early dismissal calendar days of September 21st, October 20th, November 10th, January 26th and February 23rd of the 2017-2018 school year. Students can attend school for a full-day instead of releasing early those days. Schools will be responsible for the additional cost of transportation that is incurred by this waiver as well as the responsibility of notifications to parents of the altered schedule change that is brought about by this waiver.

Rationale for Waiver

Metrics of Success

All Schools – Nine (9) Week Grading Cycle – Grading Cycle Waiver of Local board Policy EIA (LOCAL)

The purpose of this waiver is to use a nine week grading cycle. This will provide teachers with additional instructional time with students before grading periods. Student achievement will be positively impacted by providing students more time to improve their grades following the distribution of progress reports. The nine week cycle will align and provide for consistent communication with parents. This does not waive required UIL three week progress reporting. With a 9 week grading cycle, students have extended time to progress and have a longer opportunity to develop and demonstrate mastery on TEKS.

High Schools - Modified Schedule/State Assessment Days (State General Waiver)

This Waiver allows the district or charter school to modify the schedule of classes for high school students (Grades 9-12) only who are not being tested to report to and attend the school after the state assessment testing period has ended, therefore, reducing the interruptions during the testing period. All students must be scheduled for at least 240 minutes of instruction. The time students test can be included as instructional time. If this is a renewal, a statement of compliance is required.

High Schools – Foreign Exchange Student Waiver (State General Waiver)
The purpose of this waiver is to limit the number to 5 or more per high school must be submitted as a general waiver application.

- Districts and charter schools may request a waiver to limit the number of foreign exchange students admitted into the district under Texas Education Code §25.001(e).
- The approval of this waiver is not retroactive and takes effect on the date that the agency approves the application.
- The districts and charter schools are required to enroll foreign exchange students who arrive in the district or who have requested enrollment in the district prior to the waiver approval date.

SIP Part 2: Goals & Objectives

GOALS: Faced with a **Priority Need** and the **Critical Success Factor(s)**, the **Goal** is the changed outcome the campus is planning to accomplish. The SIP requires **SMART Goals**, including measurable objectives based on the **Needs Assessment** and a year-end **Summative Evaluation**. Campuses **must** address any unmet accountability standard or domain. **All goal areas below, that are specific to your campus grade levels, must be addressed.**

Goal Area I: Increase Student Achievement

1. Reading/Language Arts/Literacy
2. Mathematics
3. Texas Accountability System
4. Post-Secondary Readiness
 - a. Dropout Prevention / Graduation Rate Improvement (MS,HS)
 - b. Ninth Grade Promotion (HS)
 - c. Advanced Course / Dual Credit Enrollment (HS)
 - d. AP/IB Exams Participation and Scores (HS)
 - e. PSAT/SAT/ACT Participation and Scores (HS)
 - f. College Readiness (ES,MS,HS)
5. Attendance

Goal Area II: Improve Safety, Public Support, and Confidence – Safety & Violence Prevention

- a. Bullying Prevention
- b. Child Abuse & Sexual Abuse Prevention
- c. Dating Violence Awareness
- d. Drug, Tobacco, Alcohol Prevention
- e. Suicide Prevention
- f. Discipline Management – Safe Environments
 - a. DAEP Referrals
 - b. Special Education In-school Suspension
 - c. Special Education Out-of-School Suspension
- g. Parent and Community Involvement
- h. Coordinated Health Program

Goal Area III: Special Population Goals & Strategies – include funding sources in the Resource Column for Special Populations

- a. Gifted & Talented Program
- b. Special Education Program
 - a. STAAR/EOC Participation
 - b. Representation
 - i. Overall
 - ii. African-American
 - iii. Hispanic
 - iv. ELL
 - c. Placement in Instructional Setting 40/41
- c. Economically Disadvantaged
 - a. STAAR/EOC Participation
- d. English Language Learners
 - a. STAAR/EOC Participation
 - b. TELPAS Reading and Composite Scores
- e. Dyslexia Program

SIP Part 3: Special Funding Goals

Goal Area: Title I, Part A – 3 Required Elements of Schoolwide Planning – Campus Compliance

Note: As a Schoolwide Title 1 Part A campus, ESSA Requires the completion of the sections below (campus compliance).

- 1. Comprehensive Needs Assessment** The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire school that takes into account information on the academic achievement of children in relation to the challenging state academic standards, particularly the needs of those children who are failing, or at risk of failing, to meet the challenging state academic standards and any other factors as determined by the Local Educational Agency (LEA).

- **Briefly summarize your campus' needs as identified in your Comprehensive Needs Assessment.**

Our area of strength is math at all grade levels. Our areas of growth are reading and writing at all grade levels; Social Studies and Science in 8th Grade; and increasing the academic performance level of SPED students and ELL students.

- **Indicate the programs and resources that are being purchased out of Title I funds.**

Title 1 funds are used to pay the salaries of two Reduction in class teachers. Title 1 funds are also used to pay overtime to teachers working Saturdays in our targeted tutorials program and it also pays for our Summer School Program.

- 2. School Improvement Plan Requirement (SIP) Schoolwide Plan Development:** The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Campus-specific, schoolwide reform strategies will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

- List at least four (4) campus-specific, schoolwide reform strategies that will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

- 1. Implementing the instructional Baccalaureate Program campus wide.**
- 2. Implementing the performing and Visual Arts Magnet Program to increase academic achievement.**
- 3. Planning and delivering data driven instruction**
- 4. Provide time for teachers to have Professional Learning Communities meetings daily.**

3. Parent and Family Engagement: Campuses **shall** jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that **shall** describe the means for carrying out the following requirements:

Parents **shall** be notified of the policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. The policy **shall** be made available to the local community and updated periodically to meet the changing needs of parents and the school.

Identify at least four (4) strategies specific to your campus to increase Parent and Family Engagement activities.

- 1) International Arts Festival in the Fall semester
- 2) International Food Festival in the Spring semester.
- 3) Asian New Year Celebration; Black History Month Celebration; Noche Latina
- 4) Magnet and IB Newsletter
