HISD Superintendent Planning to Surprise Students with Scholarships

WHAT: Houston Independent School District Superintendent Millard House II will surprise ten high school seniors with the 2022-2023 HISD Superintendent Scholars Award at their home campuses.

The award is for high school seniors who have exemplified outstanding character and resilience by facing and overcoming obstacles in their lives, including navigating the foster care system, homelessness, and other unique challenges.

Every HISD high school principal nominated one senior for this award. The student nominated will receive a scholarship from the district. Additionally, Mr. House reviewed all nominees and based on principal statements of support, he selected ten students to receive additional scholarship funds totaling \$3,000.

Superintendent House will personally visit each campus of the ten students selected. He will present them with a scholarship check, a certificate, and a yard sign for their persistence in overcoming life's most challenging adversities.
