HISD to Celebrate Career and Military Signing Day for Graduating Students

WHAT: Houston Independent School District will hold a signature event to honor students who are graduating from the Career and Technical Education (CTE) programs and those who have decided to serve in the military.

The event will feature CTE students accepting career opportunities in high-wage, high-skills, and high-demand fields such as architecture and construction, arts, audio/video technology, cosmetology, transportation, health science, public safety, hospitality, and business, marketing, and finance. Additionally, industry partners will be in attendance to welcome its new work-ready talent.

Students who have chosen to serve in the military will not only have a unique opportunity to serve their country, but it also offers valuable benefits such as college tuition assistance, vocational training, and an avenue to develop essential life skills.

Career and Military Signing Day is a celebration dedicated to recognizing the achievements of HISD's graduating seniors as they embark on their careers. The CTE courses offered by HISD are designed to prepare middle and high school students for successful careers in industries that don't necessarily require four-year degrees.

This event highlights HISD's commitment to providing students with the necessary skills and knowledge to succeed in the workforce and serve effectively in the military.

The CMSD event is by invitation only. If you wish to attend, please send your request to pressoffice@houstonisd.org.
