Shared Decision Making Committees

A Shared Decision-Making Committee (SDMC) shall be established on each campus to assist the principal. The committee shall meet for the purposes of implementing planning processes and site-based decision making in accordance with Board policy and administrative procedure.

Role

The committee is an advisory group to the school principal except for approval of campus staff development. The committee must outline procedures for addressing the areas of involvement listed under *Responsibilities*, below and for decision making. The principal will consult the SDMC in matters relating to the school educational program, but the principal has the final authority in fiduciary and financial decisions.

Responsibilities

The areas that require involvement of the SDMC are:

- ☑ Implementing all pertinent campus-level planning processes;
- ☑ Developing recommendations for the school budget;
- ☑ Submitting recommendations for the school curriculum;
- ☑ Recommending changes in the school's staffing patterns;
- ☑ Developing and approving the campus staff development plans;
- ☑ Developing, reviewing, and revising the School Improvement Plan (SIP) for the purpose of improving student performance for all student populations. After the principal approves the SIP, the SDMC will present the plan to the school-based professional staff for a vote of approval;
- ☑ Reviewing and making recommendations regarding the school's organizational structure; and
- ☑ Establishing procedures to periodically obtain broad-based community, parent, and staff input.

Meetings and Communications

The principal or designee shall ensure that the campus-level committee obtains broadbased community, parent, and staff input through ad hoc committees, Web site, newsletters, and other methods as appropriate.

Calendar: In addition to regularly scheduled meetings (approximately once a month), the committee must hold at least one public meeting each year after receipt of the annual campus rating from the Texas Education Agency to discuss the performance of the school and the school's objectives.

Agenda: The committee will establish procedures for school personnel, parents, and business and community representatives to submit agenda items for meetings.

Minutes: A record of all decisions and significant discussion items will be maintained by the committee. Copies of the SDMC minutes will be distributed to members of the committee, school-based personnel, and the appropriate District superintendent, and will be available to the general public upon request.

Attention: Copies of the minutes of the SDMC meetings shall be placed on the school's web site and distributed to members of the committee. A paper copy shall be made available to parents and to members of the general public upon request. Along with the list of SDMC members, campuses will be asked to provide the pathway to where the SDMC minutes will be posted online. Please attempt to make the minutes easily accessible with no more than three clicks from the campus main page. Post the minutes within 10 calendar days of the meeting. A random monitoring review will be conducted to assure that the minutes are appropriately available online.

Composition

The school principal determines the size of the committee. Membership must include parents, community representatives, and no more than one business representative. Professional staff members must include at least two-thirds classroom teachers and one-third other campus-level professional staff.

Principal: The principal will serve as chairperson and as a member of the SDM committee, and will determine the size of the SDM committee.

Co-chair: A co-chair shall be elected by the SDM committee members. The co-chair may be elected only from the SDM committee's professional staff.

Professional Staff: The professional staff membership of the SDM committee will consist of two-thirds classroom teachers, one-third members of the school-based professional staff. Appointment: The selection of the Business Representative must be done in a manner that provides for appropriate representation of the community's diversity. The principal shall appoint at least one business representative.

Election Nominated employees shall give their consent to serve on the committee before they are eligible for election. An employee's affiliation or lack of affiliation with any organization or association shall not be a factor in either the nomination or election of representatives on the committee. An annual election will be held by secret ballot to determine the members of the SDMC. Nominations for election must be received by the principal within ten consecutive working days prior to the election.

Terms Each SDMC member will serve a two-year term. Terms shall be on a two year staggered basis. SDMC members who are elected to the SDMC may be re-elected and are eligible for nomination for election to the District Advisory Committee.

Vacancy After the election and through the first nine weeks of school, SDM committee vacancies may be filled with the first runner-up for that position. After that period, a special election must be held by secret ballot to select a new representative to complete that committee member's term.
