Sam Houston’s JROTC is visiting @BurbankMiddle this good Wednesday to let the 8th grade class know that @SHMSTC is ready for them to become a Tiger, and consider Army JROTC.

At Burbank MS, the senior cadet mentors the sophomore cadets about leadership and academics. All four are 4.5 GPA and higher.

Support Our Girls Golf Team!! Go @SHMSTC Lady Tigers!!

reach out to help. Long story short, my dear friend and colleague who was our golf coach for years, unfortunately passed at the beginning of the year and I took over the program. Last year we had 3 players and this year we have 6. With that being said, we only have 5 golf bags and 5 sets of clubs. Needless to say 2 ladies have to share clubs. With 4 additional ladies wanting to join, we just don't have the means or supplies. To add injury to insult, we share the clubs with the boys team. District play starts in less than a month and both teams play on the same days. I really want this program to continue to grow. Myself and my girls have grown to love this sport and I want our black and brown youths to play a sport other than the one's society associates them with. Even with the lack of equipment, the ladies finished 3rd and 2nd in their last 2 tournaments respectively. I can be reached by email nharris6@houstonisd.org, through my DM or anyone@hotmail.com.
