The Theatre Guild is our very involved and supportive group of volunteer parents. To foster communication between parents and faculty and create a cohesive, nurturing environment for our children, we ask every parent or guardian to become an active participant in the Guild. Please visit [www.hspvafriends.org/theatreguild](http://www.hspvafriends.org/theatreguild) for more information on how you can support our family of young artists.

We look forward to seeing you in August!
