

AGE WAIVER FOR ENROLLMENT IN FIRST GRADE

A five-year-old child can be enrolled in first grade provided he has completed kindergarten during the previous school year and this permission form has been signed by the parent, teacher, and principal. At the end of the first nine-week grading period, the principal and teacher will evaluate the student's performance to determine whether the student should continue in the first grade.

_____ has been approved for enrollment in
(Name of Student)

the first grade at _____
(Name of School)

Parent's Signature: _____

Teacher's Signature: _____

Principal's Signature: _____

Date: _____
