ANNOUNCEMENTS

NWEA MAP Testing: HISD has begun using the NWEA MAP assessment to measure student growth in Algebra I, English I, English II and Biology courses. Students will take this exam three times this year (beginning of the year, middle of the year, and end of the year). Students will take the exam for the first time between Sept. 18th and Sept. 29th. Please ensure your student comes to school during this window with a charged laptop to make their testing experience smooth. *Family Guide to MAP Growth (nwea.org)*
**PSAT Testing:** HAIS will offer the PSAT 8/9, the PSAT 10, and the PSAT/NMSQT exams on October 11th for all 9th-11th grade students. The exams will be digital so students must bring their device to school that day. The PSAT exams are tests that align to the college admissions SAT exam. They follow a similar format, and they provide scores that help predict students' SAT scores and give insights into how students can improve. For 11th graders, the PSAT/NMSQT is a qualifying exam for the National Merit Scholarship competition. Students with excellent scores from around the country can become finalists as seniors and earn great merit scholarships, but must qualify with a high score on the PSAT. 10th and 11th graders can also use their scores for TSI completion if they meet the benchmarks. 10th and 11th grade students are practicing the test format in their AVID courses, and any student who wishes to do additional study can check out Khan Academy for personalized recommendations and practice based on their previous PSAT scores.

**Fri-Yay Treat Donations Needed:** Help show support of HAIS faculty and staff with our Fri-YAY Treat program. Sign up [here](#) to show your appreciation.

**Nurse Alert:** Attention HAIS High School students, please speak to Nurse Ambrosia today if you have a medical diagnosis such as asthma, severe allergies with use of Epi pen, seizures, diabetes, mental health diagnosis, or you are pregnant. To ensure optimal safety we must have an emergency plan in place for you during the school year and especially if you go off campus or school field trip.

**Transportation Announcement from Superintendent Miles:** "This is just a reminder to keep an eye out for updates to your child’s bus route. HISD is enrolling more students every day, and as a result, our bus routes will continue to change to meet those needs. If your route is updated or changed, you will be notified directly, but you should also periodically check [Find My Route](#) for updated information. If you have problems or questions regarding your child's bus route, you can call 713.556.9400; press 2."

**Transportation Concerns/Requests:** If you have transportation needs (new request, change of address, stop change request due to concerns) click here to [complete our campus transportation tracking form*](#). *Note that there is a minimum 2-week district processing time. Please be sure to arrange for alternative transportation until you received your transportation update from the district and/or me.
