Scarborough High School
LANGUAGE MAGENT
World Language Magnet Program

Our Program
Scarborough High School provides students with a unique learning opportunity through the language magnet program. We are the only high school in HISD to offer a dual language program that is comprised of core content classes and language classes.

Application Process
Families can apply virtually by selecting Scarborough High School World Language Program. Apply today at: choosehisd.my.site.com

Dual Language
Dual language programs promote instruction in two languages as equally important, giving English speakers the gift of bilingualism and allowing English-as-a-second language students to retain their own language while mastering English.

College and Career Benefits
Careers for language magnet students can include:
- Translator or Language Interpreter
- International Business
- Intelligence Analyzer
- ESL Educator
- Public Relations
- Journalism
