<p>Agenda</p>	

1. Welcome-

Mr. Sabillon welcomed the team. He went over the norms and the meeting’s objectives.

2. SIP review

- a. **Problem of Practice – We discussed several problems of practiced that were identified in the SIP. The first problem of practice is that teachers did not used a structured system to collect data. The second problem of practice is that there was a low rigor of instruction in the classroom not aligned to the TEK. Ms. Tamez asked why this was happening and Mr. Sabillon explained that this sometimes happens because teachers try to provide support to students who are behind. A third problem of practice is a drop-in attendance rate from 94% to 98%. A parent commented that we should provide more incentives to parents and students.**
- b. **School Wide Goals: Mr. Sabillon presented the following goals. The school will increase student achievement on the NWEA MAP tests in all**
