- Current Grading Policy
- Parent Programs & Information
- Questions & Concerns

SDMC Meeting Minutes

Date 12/13/23

| Campus Updates/ Topics | SDMC Feedback |
|-------------------------------|--|
| Christmas Parties | During the principal’s meeting, the Senior Director mentioned that teachers are not to interrupt lessons for parties or alter schedules. The times we can use for the parties are recess or lunch. Therefore, we can do it during a “45 Holiday Recess”, and it must be held on Thursday 21 st only. |
| Curriculum Teams | <p>Questions regarding the district’s Amplify pacing and alignment. We need to have the curriculum map on the door. It is up to teachers regarding the pacing. We need to keep in mind that our students will be receiving the same tests as the rest of the district. Therefore, teachers should stick to HISD (Houston Independent School District) pacing calendar and indicate what they are learning on door. Make sure TEKS (Texas Essential Knowledge and Skills) are aligned, it is not to worry about the Read Aloud choice.</p> <p>It is important to be aligned to what we have on the doors. Creation of Curriculum teams to dig into Amplify. We can supplement because we have some autonomy. Dr. Johnson will design the framework program (teachers will work 2-3 hours and get paid to work on this committee).</p> |
| Staff Celebrations | <p>The week of Dec 18th-21st</p> <p>Bucket fillers, fun treats, catering. Recommendations: coffee bar, throughout the day.</p> |
| Tutorials | Spring Tutorials from February-April 30 th . Teachers are tiered (Tier 1, Tier 2, Tier 3). Therefore, teachers will be selected and be sent invitations due to budget (4 or 5 days a week). |
| Current Grading Policy | Principal Mays was informed about the progress card printout requirement by teachers. SDMC committee agrees that communication needs to be sent to (Student Information Rep) regarding “why” in having individually, instead of collectively having the office distribute as in previous years. This is the first year that it is expected of teachers. My concern is that it may run through the allotted paper. |
| Parent Programs & Information | Birthday Celebrations on announcements and Marquee (2 packages). Look into: Oil Field Ranch, Museum of Natural Science, Children’s Museum, The Zoo. |
