School Picture Day!!!

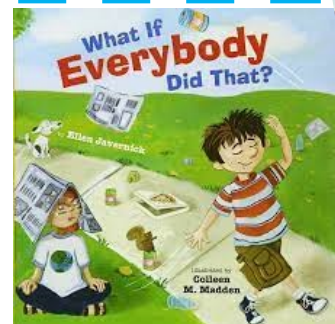

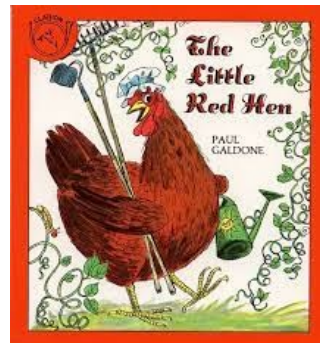

October is Bully Awareness and Prevention Month! To help prevent bullying at Alcott; each week this month our students will view "real life" short stories of children and how they handle conflict with their peers. Our Owl Teachers are also building a positive classroom community where students are encouraged to share their feelings amongst each other and with the teacher.

During guidance lessons students will learn techniques on how to help someone who is being bullied and also the steps that they should take to report someone who is being cruel to others. We will strive to have a safe environment and an atmosphere where all students feel valued. Bullying hurts and it will not be tolerated! **You Matter at Alcott!!**

RESPONSIBILITY

Character trait for the month of October is **RESPONSIBILITY**. This month students will learn that Responsibility is proving that you can be trusted with what's expected of you. Students show responsibility in their actions of how they treat themselves, how they treat others and the world around them. We are encouraging our Alcott Owls to be responsible citizens by treating others right and taking ownership of their learning and personal development!

Alcott Families,

If you are in need of support please reach out to myself or Mr. Hill- our Wraparound Specialist for your individual or family needs. We will work together to see how we can best support you and your "OWLS" At Alcott, we understand that for students to be successful while at school, they must have their essential needs met at home and while they are here on campus- let's partner for our student's success!!
