

Character Trait of the Month: Gratitude

This month we are learning all about **GRATITUDE!** Having the **attitude of gratitude** is being able to appreciate the little things in life and also letting others know that we see how they help us each day!

World Kindness Day is on November 13th. Students are encouraged to do something kind each day (especially this day) and do good deeds at school and at home! Please share all of the kind things that your child does to help others- we would love to highlight our helpful Owls on the daily announcements!

Check out these stories about our word of the month- **GRATITUDE!!**

Generation Texas Week

November is *Generation Texas Month*, a statewide movement to ensure students have the information and resources regarding post-secondary options such as college, career and military.

Alcott will participate in the HISD district wide celebration the week of November 13-17 with college and career activities!!! We will also participate in JA (Junior Achievement) in a Day! You can check out their website to learn more about this program!
