Members Present	Deville, Dr. Blank, Crystal Fernandez, R. Hiatt, Feuk, Gonzalez
Safety & Security	<ul style="list-style-type: none"> ● Fire Drills- Multiple have occurred this month because there was a glitch in the building that has been setting the alarm off on the 3rd floor; we think the glitch has been fixed <ul style="list-style-type: none"> ○ We need to make sure the gate gets closed after fire drills. ● Have been calls to some of the surrounding schools recently according to Officer Romero; wasn't close enough to us to warrant a lock down drill; there were shots at Law & Justice before Christmas but we did not lock down <ul style="list-style-type: none"> ○ Teachers have access through an app to call a lock down. ● Teachers: Students aren't going to their classes during homeroom & flex; if you have students you're not supposed to have that's a liability; students are also taking advantage of when there's a sub so they just go to a different classroom <ul style="list-style-type: none"> ○ McDonald sent an email reminder that students need to be where they are assigned. ○ HOSA Split is going to be scheduled. ● Need to do an intruder drill & inclement weather
Tutorials	<ul style="list-style-type: none"> ● Starting 2/12 ● Teachers filled out forms to volunteer for tutorials ● Students based on MAP data
Budget	<ul style="list-style-type: none"> ● Don't know anything yet- will probably know more next month.
Professional Development	<ul style="list-style-type: none"> ● 2/19 ● Planning to continue to work on lesson planning & embedding MRS strategies; LO & DOL; TEKS alignment ● District is sending out Independent Review Teams (IRT) to monitor how the teachers are implementing new systems and high quality instruction; they visit 15 minutes & then rate our teachers- Should get a visit in the next two weeks and this visit counts for the school's appraisal <ul style="list-style-type: none"> ● Data dives ● Health Science electives will be at BCM training
24-25 Master Schedule,	<ul style="list-style-type: none"> ● Meeting yesterday regarding initiatives for next year for

Curriculum, & Materials	<p>schools that will be required to follow NES curriculum or another identified high quality curriculum for ELA, Math, and Science. The district will provide the curriculum.</p> <ul style="list-style-type: none"> ● The master schedule will require 90 minute blocks (90 minutes every day for ELA & Math.) ● All students will still be required to take the grade level health science course so fewer elective periods/choices.
Lunch Detention Tardies	<ul style="list-style-type: none"> ● We are holding students accountable. ● Last Friday had over 20; yesterday had 6 so it appears to be working. <ul style="list-style-type: none"> ○ Teachers: There is a lot of social media stuff happening & they're bringing it here- make sure students don't have their phones or aren't using apple watches.
Other	<ul style="list-style-type: none"> ● Met Friday with BCM about support and curriculum.
