Safety & Security	<ul style="list-style-type: none"> ● Students are getting destructive- broke a sink, tore a door off a stall ● T Building restrooms are locked from the outside and unlocked only on the inside. ● Teachers are still letting students out without passes, need to return to structure like the 1st week of school ● Need more teachers out during passing periods ● Teachers aren't marking students absent or reinforcing students following rules. ● Feuk was told that students in ISS were given Raising Cane's (parents brought.) Students enjoy lunch detention- can we make it more uncomfortable. Personnel is an issue. ● There are many students going to the restroom every period. <ul style="list-style-type: none"> ○ Can we limit the number of times they can go during a week? Use a roster and keep track of it. Would have to be implemented & monitored by teachers.
