### **SDMC MINUTES**

June 20, 2024

#### **Minutes:**

- **Call to Order**

**Principal Gregoire welcomed attendees and went into our campus IRT scores of the school year and how those will affect both our Campus Improvement Plan and School Action Plan for the 2024-2025 school year.**

**Staffing update of anticipated vacancies and teacher apprentices that have excelled and are moving to teachers roles.**

**Master scheduling update of new courses from the district such as the AI course.**

**Principal Gregoire detailed out professional pathways our campus offers and the growth of new pathways that coincide with the district initiatives.**

**Presentation of Defined Autonomy for the district and where NES schools fall into the model.**

**Expressed need for more parent, and community engagement**
