Note: For purposes of this policy, the terms “gift” and “donation” have the same meaning.

### Definitions

- **“Gift”**
  A “gift” or “donation” shall mean something bestowed voluntarily and without a fee to the District.

- **“Device”**
  A “device” shall mean a tangible product, commodity, good, or instrument that has relative value or worth.

- **“Donor”**
  A “donor” shall mean an organization or individual who contributes a donation, device, or gift.

### Voluntary and Unsolicited Gifts

The District, schools, programs, and classes may seek and accept gifts with approval from designated administration. The practice is permissible as long as it is truly voluntary and in no way a prerequisite to participation in any District program or activity. Furthermore, the District shall not solicit anything of value from known technology service providers who plan to participate or currently participate in the District's E-Rate Program. However, the District may accept voluntary philanthropic gifts initiated by such vendors where such actions further the educational mission of the District and comply with all aspects of this policy. Any statement or explanation related to a gift that may lead a reasonable person to believe the donation may not be truly voluntary shall be avoided.

Examples of such statements include, but are not limited to, a specified minimum amount of a gift, a date by which a gift is due, or a lesser gift amount if funds are received prior to a certain date. Additionally, any statement or action that exerts explicit or implicit pressure on a student or parent to make a gift shall be avoided. The reason a student or family does not make a gift is not a subject for inquiry.

### Authority to Accept

The Grant Development Department requires all donations to be submitted with a "Donation Intent Form and Donation Letter" to review and seek approval of unsolicited gifts. The donation process is as follows: The Board delegates the following employees authority to accept and seek approval for unsolicited gifts on behalf of the District as follows:

1. Any donations that are under a $5,000 cost or market value will require approval from the division superintendent or designee, or appropriate department designee, if applicable. Principals or department/campus designees to which the gift has been made shall be authorized to accept and seek approval for unsolicited gifts with a cost or market value up to $1,000.
2. Any donation of $1,000 or more shall be approved by the Superintendent or his designee. The Superintendent or designee shall be authorized to accept unsolicited gifts with a cost or market value more than $1,000 but less than $5,000.

Any gift with a cost or market value of $5,000 or more, any gift that the potential donor has expressly made conditional upon the District’s use for a specified purpose, or any gift of real property, shall require Board approval, except that gifts from recognized parent organizations, including parent-teacher organizations (PTOs), parent-teacher associations (PTAs), and Booster Clubs will be exempted from this requirement.

Any gift to the District that requires the prior approval of the Board shall be considered by the Board at its next regularly scheduled Board meeting following the date the gift was offered. The principal or appropriate department shall work with a member of the Superintendent’s cabinet to submit an agenda item for Board approval.

Once accepted, a gift becomes the sole property of the District.

[For technology service provider contributions, see TECHNOLOGY DONATIONS, below.]

Criteria for Acceptance

The District shall not accept any gift that would violate or conflict with policies or actions by the Board or with federal or state law.

Before employees accept a gift or an agenda item is submitted for Board approval, the following shall be considered:

1. Does it have a purpose consistent with the District’s educational philosophy, goals, and objectives;

2. Does it place any restrictions on a campus or District program;

3. Will it support a program that the Board may be unable or unwilling to continue when the donation of funds is exhausted;

4. Will it result in ancillary or ongoing costs for the District;

5. Does it require employment of additional personnel;

6. Does it require or imply the endorsement of a specific business or product [see GKB for advertising opportunities];

7. Will it result in inequitable funding, equipment, or resources among District schools or programs;

8. Does it obligate the District or a campus to engage in specific actions;
9. Is it connected to an existing contract, future promise, or future contract;

10. Does it create a controversy calling into doubt the appropriateness of the gift or donation;

11. Does it require factual determination as to the legal ownership of the gift; and

12. Does it affect the physical structure of a building or would require extensive maintenance on the part of the District and meets the District’s design standards?

For real property, the Superintendent shall determine whether the title to the property has been transferred to the District.
