#### COVID-19 Updates

- Texas Gov. Gregg Abbott recently issued an executive order prohibiting governmental entities —cities, counties, school districts, public health authorities, and government officials — from requiring or mandating masks. Under the order, school districts may continue to follow their current mask guidelines through Friday, June 4, 2021. After that date, school districts are prohibited from requiring any student, teacher, parent, employee, or visitor from wearing masks.
- Though masks will not be required after this date, HISD encourages their use and recognizes that the decision to continue wearing a mask is a personal one.
