

MEMORANDUM

March 12, 2021

TO: Board Members

FROM: Grenita Lathan, Ph.D.
Interim Superintendent of Schools

SUBJECT: **COLLEGE-BOUND ASSESSMENT REPORT, 2019–2020**

CONTACT: Allison Matney, 713-556-6700

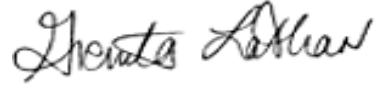

In 2014, Houston ISD launched the Global Graduate Initiative with the goal of ensuring that each HISD student graduates ready for the world. To this end, HISD has made strides to increase participation in college readiness and entrance assessments since 2009, preparing students to be college and career ready upon graduation.

This College-Bound Report provides a brief synopsis of HISD students' participation in and performance on the 2019–2020 administrations of the PSAT 8/9, PSAT/NMSQT, SAT, Advanced Placement (AP), and International Baccalaureate (IB) exams. Data for HISD students enrolled in advanced/dual credit courses and in college upon high school graduation are also presented. For additional information and expanded data disaggregated by demographics, assessment-specific reports can be found on HISD's Research and Accountability website at <http://www.houstonisd.org/Domain/8269>.

Key findings include:

- More HISD high school students are taking college readiness and entrance assessments than in previous years. Although rates of participation have remained relatively flat because of the increase in district enrollment, a greater number of students are taking these tests.
- On the PSAT 8/9 and PSAT/NMSQT, average total scores increased for students in the district in grades 8–11 from 2018 to 2019. The increases in scores narrowed the performance gap between the district and the state/total group.
- The number and percentage of students in the district taking the SAT increased from the Class of 2019 to 2020 although performance decreased.
- From 2019 to 2020, the number of students taking AP exams decreased due to COVID-19, but the percentage of AP exams scoring 3 or higher increased nine percentage points.
- From 2019 to 2020, the number of students taking IB exams increased, and the percentage of IB exams scoring 4 or higher increased from 38.1 percent to 58.5 percent.
- In 2018–2019, 44.6 percent of HISD students enrolled in grades 9–12 have completed an advanced/dual credit course, indicating that many HISD high school students are being prepared for college-level work.
- An increasing number of HISD students are also enrolling in higher education; however, the percentage of these students has declined over the past seven years.

As this is a summary of previously provided data, the district's administrative response to the results of each assessment was provided in the separate reports produced earlier in the year. Should you have any further questions, please contact Allison Matney in Research and Accountability at 713-556-6700.

College-Bound Assessment Report 2019–2020

Executive Summary

Program Description

In 2014, Houston Independent School District (HISD) launched the Global Graduate Initiative with the goal that each HISD student graduates ready for the world. The profile of an HISD Global Graduate is one of a leader, a skilled communicator, adaptable and productive, a critical thinker, a responsible decision maker, and a college-ready learner. HISD has increased participation in college readiness and entrance assessments since 2009 with the implementation and expansion of programs such as SAT School Day and funding both the cost of PSAT exams to students in grades 8–10 and Advanced Placement (AP) Exams to all students.

This report provides a brief analysis of HISD students' participation in and performance on the 2019–2020 administrations of the Preliminary SAT for students in grades 8 and 9 (PSAT 8/9), the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), the SAT, AP, and International Baccalaureate (IB) exams. Data for HISD students enrolled in advanced/dual credit courses and in college upon high school graduation are also presented.

Highlights

- On the PSAT 8/9 and PSAT/NMSQT, average total scores increased for students in the district in grades 8–11 from 2018 to 2019. The increases in scores narrowed the performance gap between the district and the state/total group.
- The number and percentage of students in the district taking the SAT increased from the Class of 2019 to 2020 although performance decreased.
- From 2019 to 2020, the number of students taking AP exams decreased due to COVID-19, but the percentage of AP exams scoring 3 or higher increased nine percentage points.
- From 2019 to 2020, the number of students taking IB exams increased, and the percentage of IB exams scoring 4 or higher increased from 38.1 percent to 58.5 percent.
- In 2018–2019, 44.6 percent of HISD students enrolled in grades 9–12 have completed an advanced/dual credit course, indicating that many HISD high school students are being prepared for college-level work.
- An increasing number of HISD students are also enrolling in higher education; however, the percentage of these students has declined over the past seven years.

Introduction

This report provides a brief analysis of Houston Independent School District (HISD) participation in and performance on the 2019–2020 administrations of the PSAT 8/9 assessment, the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), the SAT, Advanced Placement (AP), and International Baccalaureate (IB) exams. Data for HISD students enrolled in advanced/dual credit courses and in college upon high school graduation are also presented.

Below is a brief summary of previously published HISD reports on student performance. In order to view the detailed reports on each assessment that disaggregate data by demographic student group and campus and provide state and national comparisons, please visit HISD's Research and Accountability website at <http://www.houstonisd.org/Domain/8269>. **Appendix A** (p. 19) offers a summary of the various assessments. Campus profiles of participation and performance in each assessment can also be found at the end of this report.

Results

PSAT

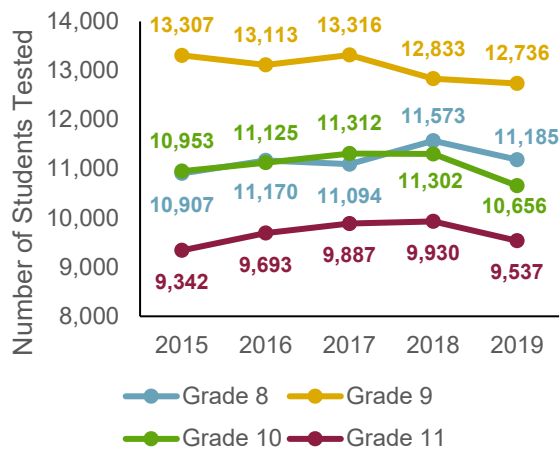

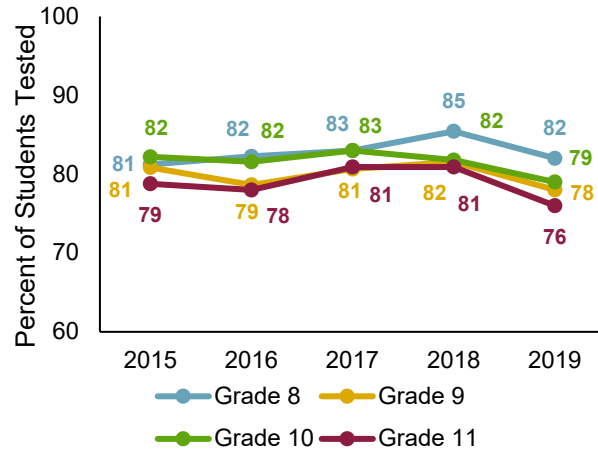

The PSAT 8/9 replaced the ReadStep assessment from the College Board in the 2015–2016 academic year as a low-stakes middle school assessment and serves as the first step on the “College Readiness Pathway” preparing 8th and 9th grade students for the PSAT/NMSQT and for the SAT. PSAT 8/9 has two sections: Evidence-Based Reading and Writing (ERW) and Mathematics.

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a national examination administered in October of each year by the College Board and consists of two sections: ERW and Mathematics. The 2015 version was redesigned to coincide with the redesign of the SAT and addition of PSAT 8/9. Prior versions of the PSAT/NMSQT had three sections, testing Critical Reading, Writing, and Mathematics.

The PSAT/NMSQT serves as preparation for the SAT and is a qualifying examination for numerous scholarship programs sponsored by corporations, colleges and universities, and other organizations, including the National Merit scholarships. Students can qualify for these scholarships depending on the score they earn on the exam in their junior year. HISD provides funding so that all freshmen and sophomores can take the PSAT/NMSQT test for free. Additionally, HISD offers Khan Academy to students in order to prepare them for the SAT and SAT Subject Tests.

How many students participated in the PSAT?

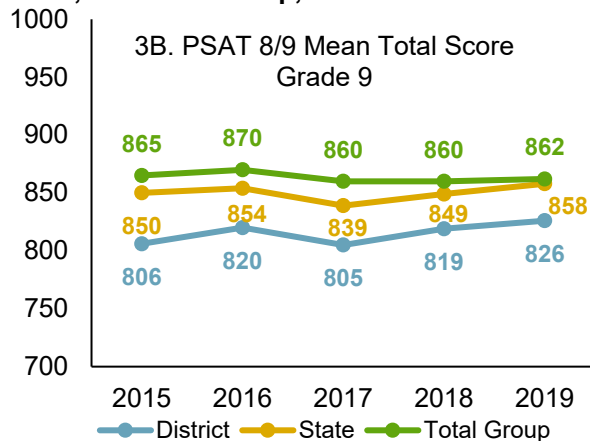

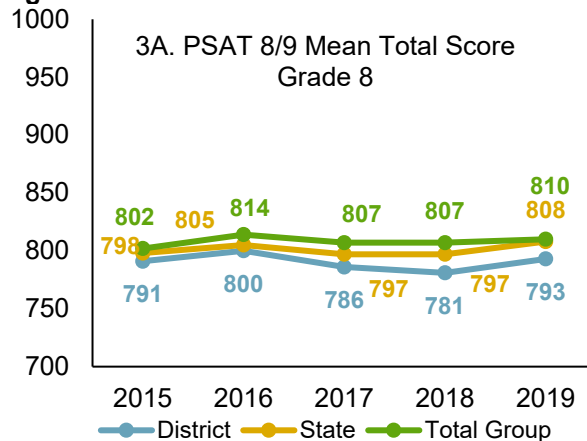

From fall 2018 to fall 2019, the number and percentage of students taking the PSAT decreased in all grade levels (**Figures 1–2**, p. 3). In 2019, 82 percent of eighth graders, 78 percent of ninth graders, 79 percent of tenth graders, and 76 percent of eleventh graders took the PSAT.

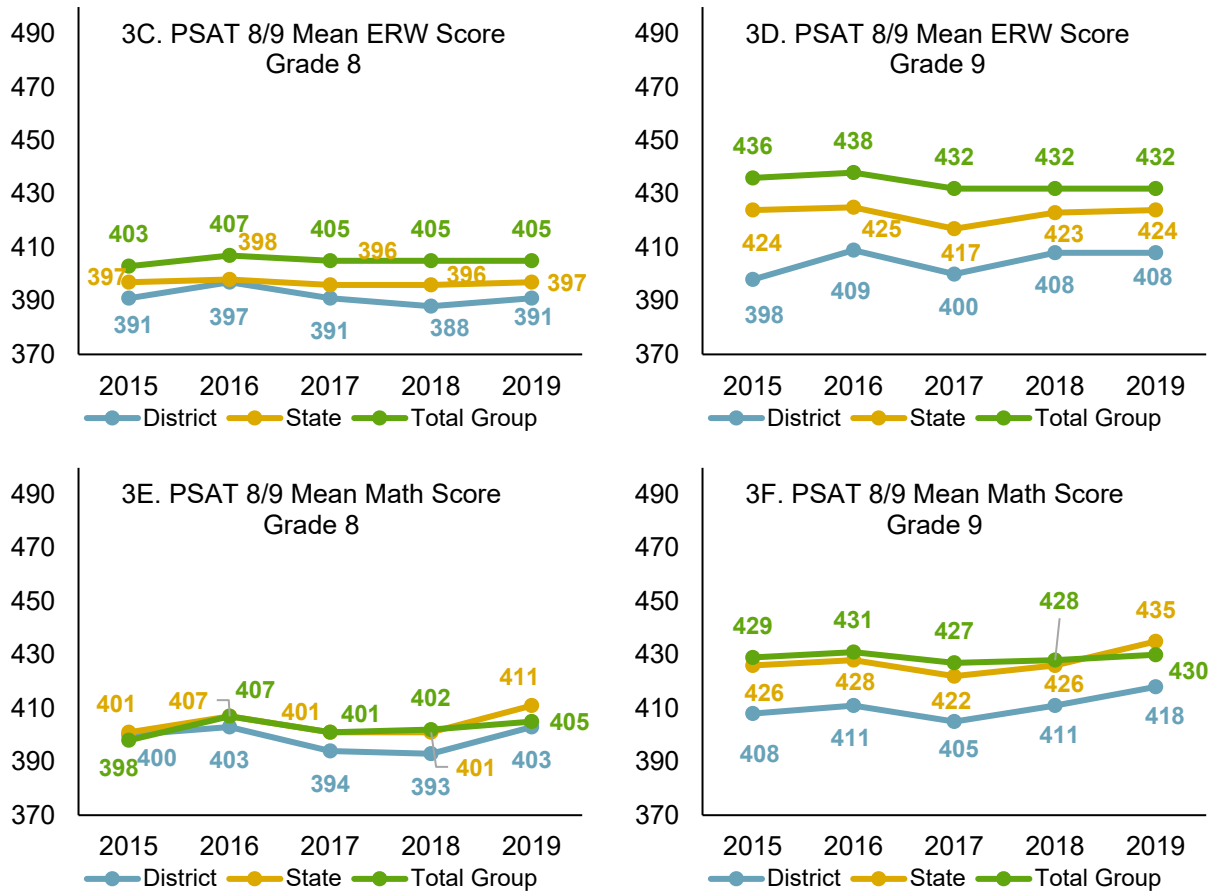

Figure 1. PSAT Participation by Grade**Figure 2. PSAT Participation Rate by Grade**

Source: HISD PSAT Report, 2019–2020

How well did students perform on the PSAT?

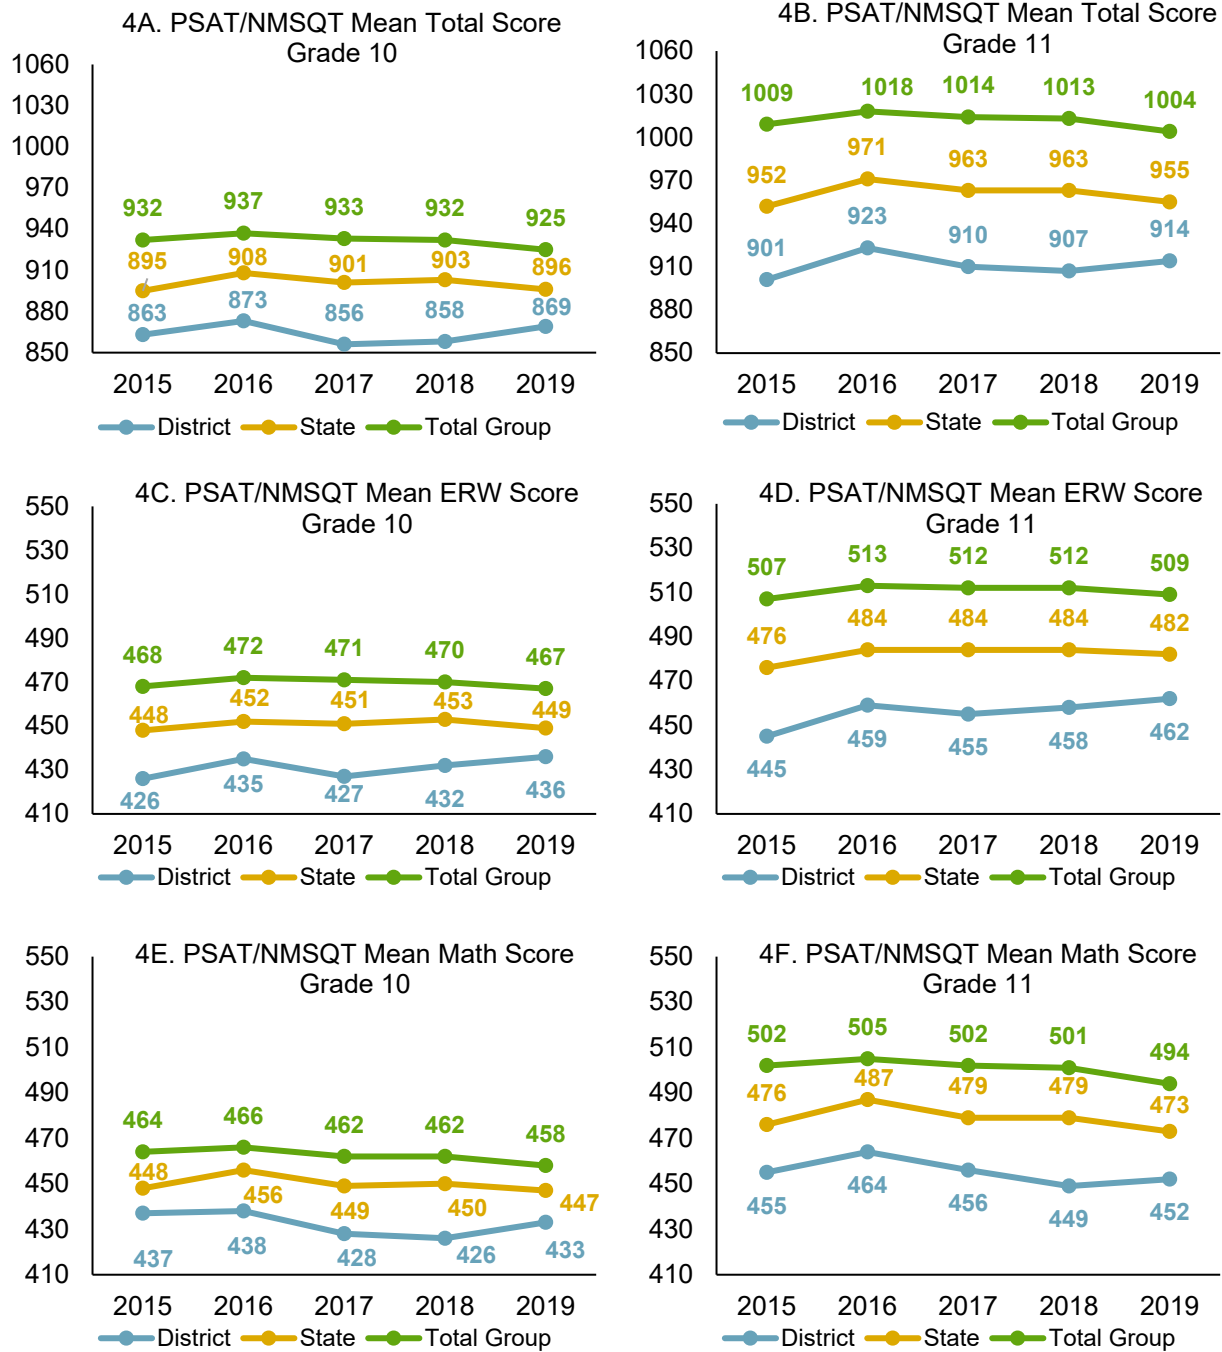

Scores on the PSAT 8/9 range from 120 to 720 points on each of the two sections for a total score between 240 and 1440. Overall, students in both grades 8 and 9 from the district scored higher in 2019 than they did in 2018 with larger increases on the math section (**Figures 3A–3F**, pp. 3–4). Although students from the district continue to score lower than students from the state and total group, their increases from 2018 to 2019 narrowed the gap.

Figures 3A–3F. Mean PSAT 8/9 Scores of District, State, and Total Group, 2015–2019

Source: HISD PSAT Report, 2019–2020

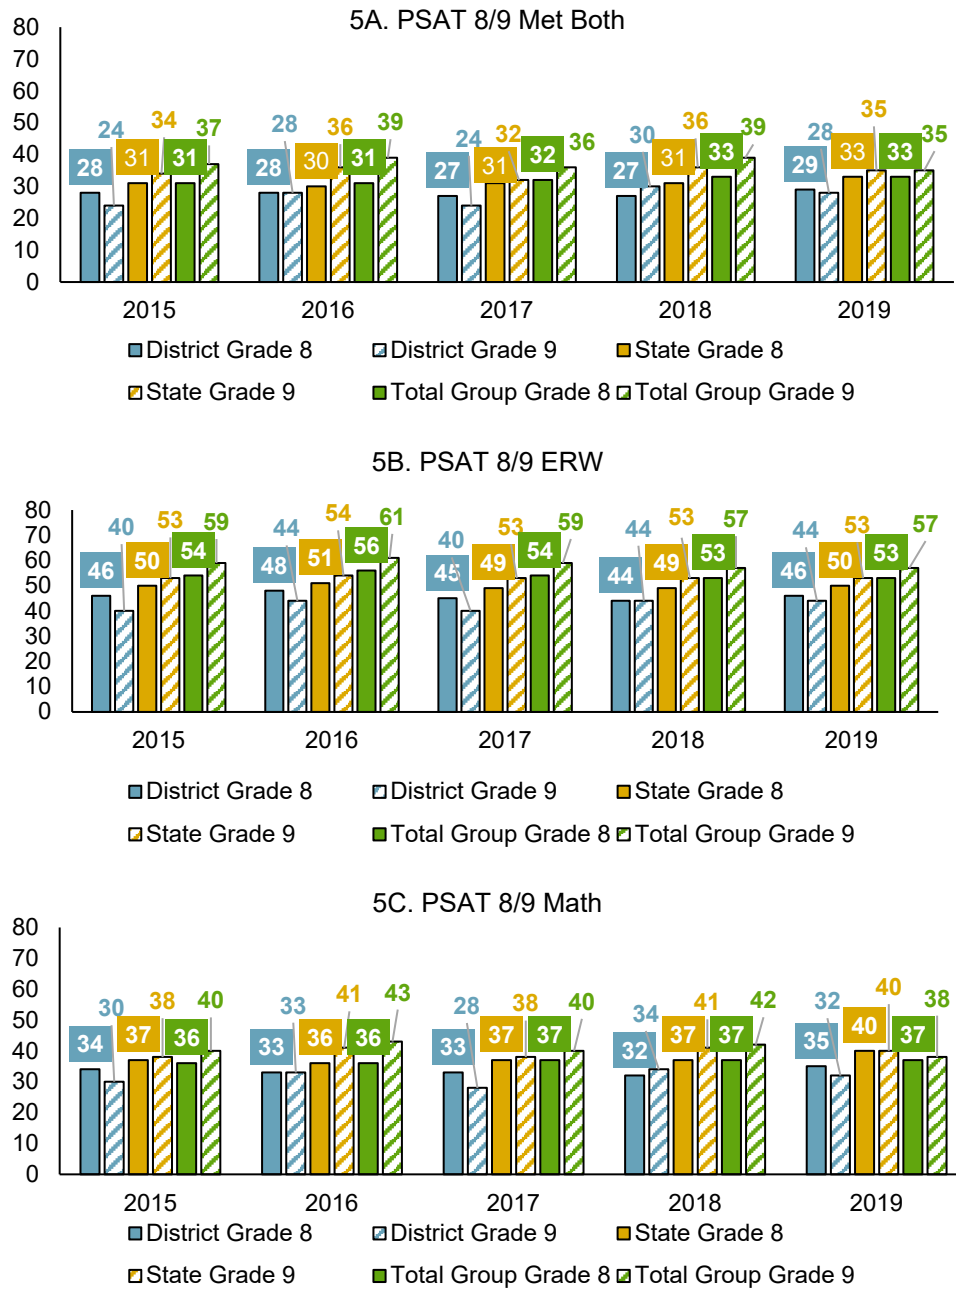

Figures 4A–4F (p. 5) display the mean PSAT/NMSQT Composite and subject scores for the district, state, and total group for fall 2015 through fall 2019. Each subject on the PSAT/NMSQT is scored from 160 to 760, and total scores range from 320 to 1520. From 2018 to 2019, average scores increased for the district but decreased for the state and total group, thus narrowing performance gaps.

Figures 4A–4F. Mean PSAT/NMSQT Scores of District, State, and Total Group, 2015–2019

Source: HISD PSAT Report, 2019–2020

The College Board sets College and Career Readiness (CCR) benchmarks for students who took the PSAT. These are the scores that students should meet or exceed to be considered on track to be college or career ready. **Figures 5A–5C** (p. 6) show the proportion of students that met the PSAT 8/9 benchmarks. In fall 2019, the percentage of district eighth graders meeting both benchmarks increased to 29 percent while the percentage of district ninth graders decreased to 28 percent.

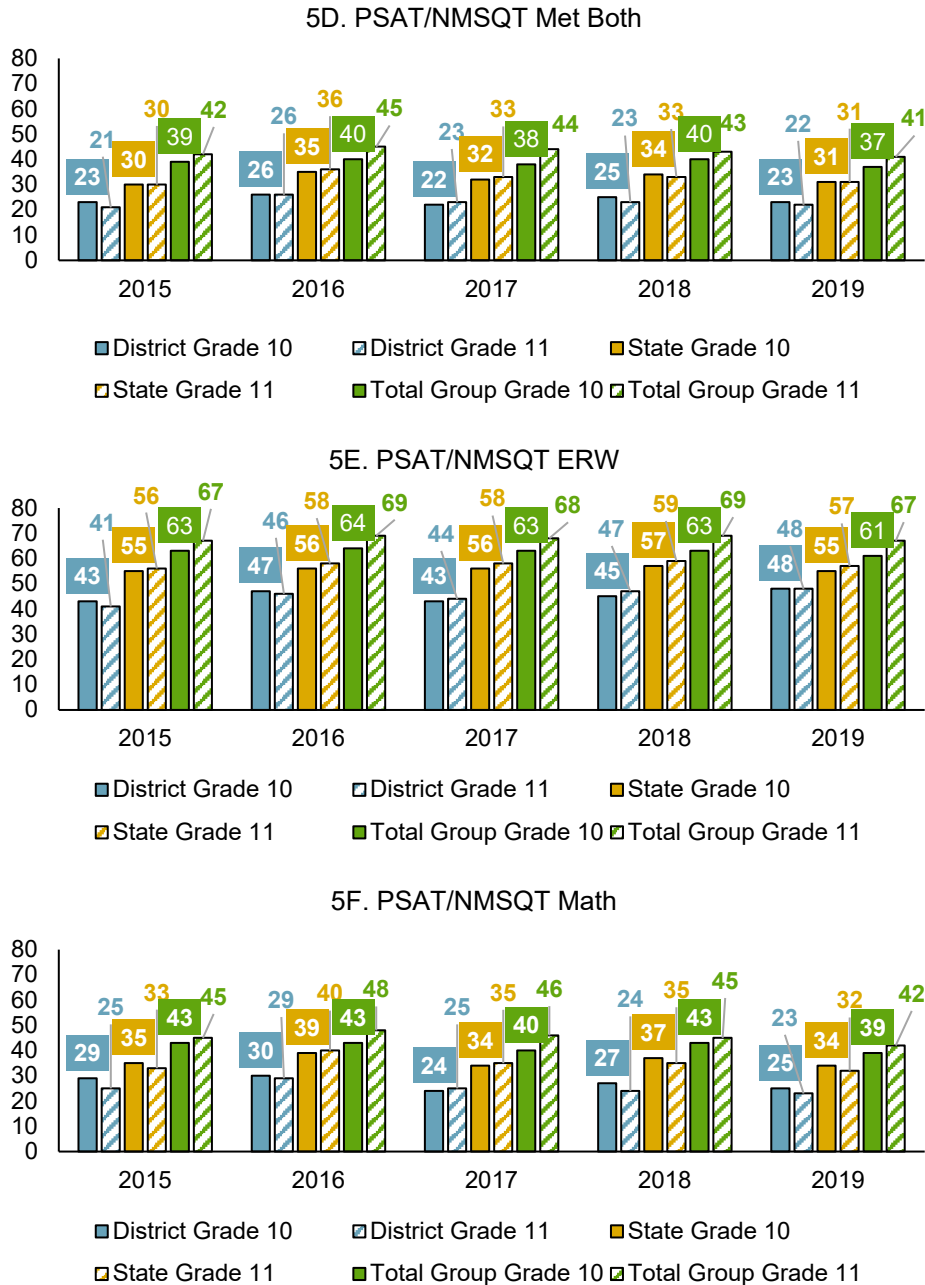

Figures 5A–5C. Percentage of District, State, and Total Group Meeting PSAT 8/9 CCR Benchmarks, 2015–2019

Source: HISD PSAT Report, 2019–2020

Figures 5D–5F show the proportion of students who met the PSAT/NMSQT benchmarks. In fall 2019, the percentage of district tenth graders meeting both benchmarks decreased to 23 percent, and the percentage of district eleventh graders meeting both benchmarks decreased to 22 percent. Percentages of students from the state and total group meeting both benchmarks decreased from 2018 to 2019 as well.

Figures 5D–5F. Percentage of District, State, and Total Group PSAT/NMAQT CCR Benchmarks, 2015–2019

Source: HISD PSAT Report, 2019–2020

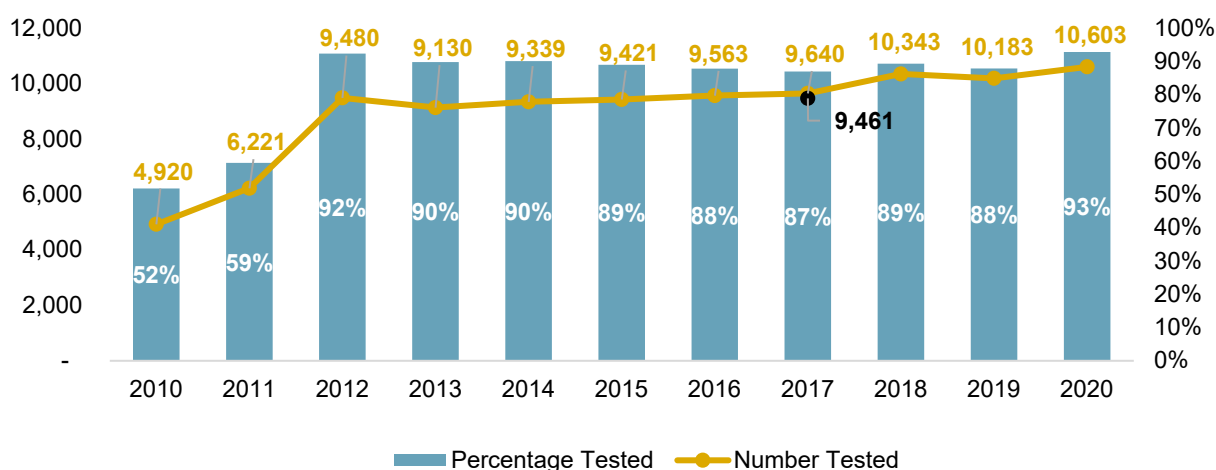

SAT

The SAT is a college-entrance exam developed by the College Board that measures developed verbal and mathematical reasoning abilities related to successful performance in college. The test was redesigned in March 2016 to only include two sections: ERW and Mathematics. The data presented in this section reflect performance of graduating seniors for each year, as self-reported by students to the College Board when they took the exam.

How many students participated in the SAT?

Figure 6 shows that the number and percentage of seniors in HISD taking the SAT increased to 10,603 students and 93 percent for the Class of 2020. One reason for the increase may be that in addition to the regular SAT school day offered in the Spring, another SAT school day was offered in October 2019.

Figure 6. HISD SAT Exam Participation, Classes of 2010–2020

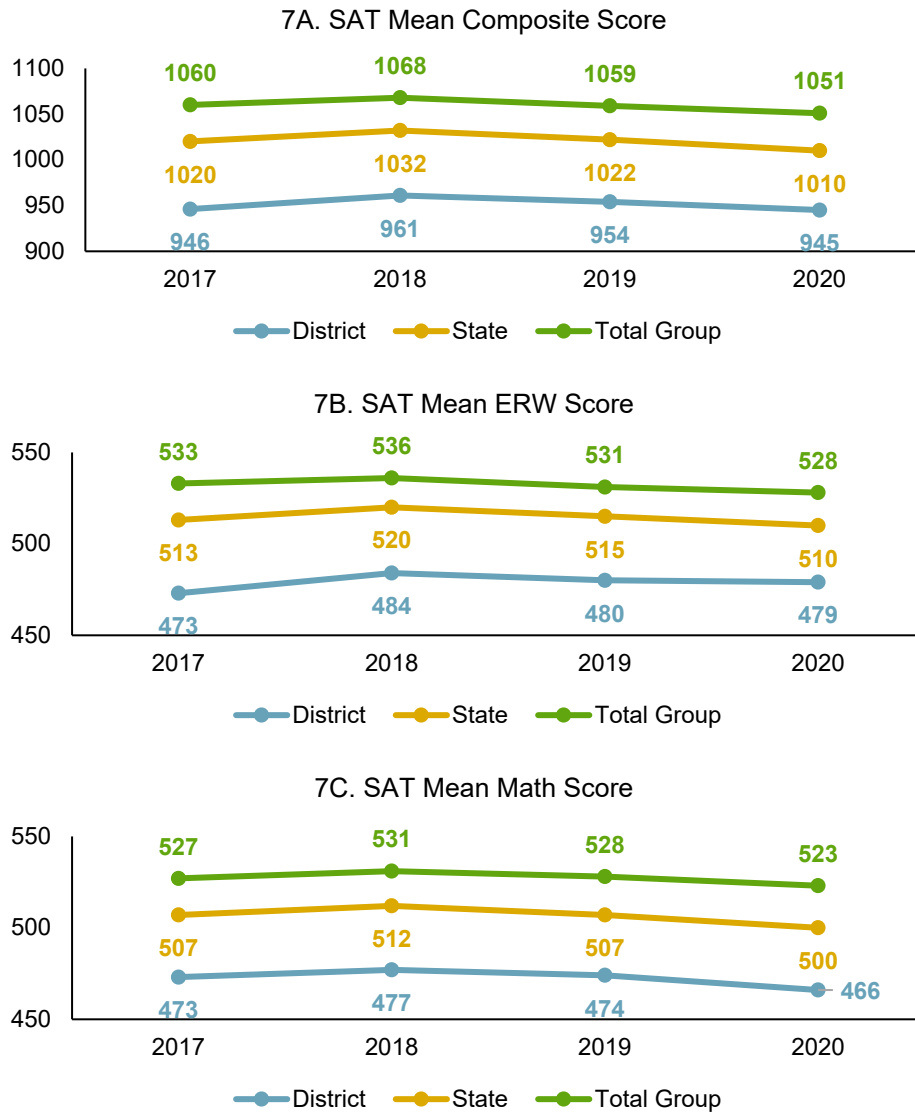

Source: *HISD SAT Report, Class of 2020*

Note: Student participation for 2017 includes those who took both versions of the SAT, as shown with the colors blue and yellow. The number of new version testers in 2017 is shown in black.

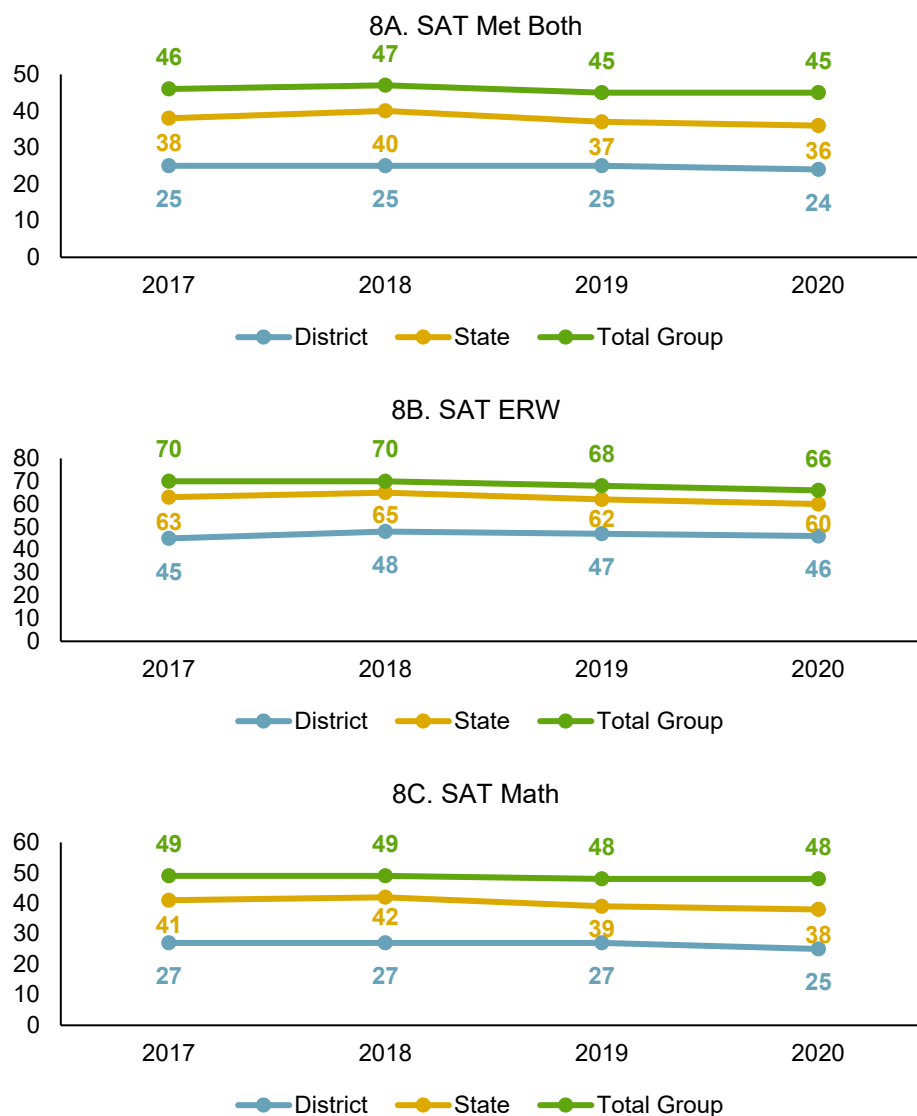

How well did students perform on the SAT?

Each subject on the SAT is scored from 200 to 800, and composite scores on the redesigned exam range from 400 to 1600. **Figures 7A–7C** (p. 9) show average subject scores for HISD students compared to the state and the total group (which includes international testers) on the redesigned test only. While a few students from the Class of 2017 took the old version of the SAT, the vast majority took the new version. Because comparing the redesigned exam with prior versions is problematic, performance data are only included for the Class of 2017 on the redesigned exam. HISD's Class of 2020 scored slightly lower than the previous three classes did, and their scores were lower than those of the state and total group. However, the decrease in ERW scores from the Class of 2019 to 2020 were smaller for the district than for the state and total group.

Figures 7A–7C. Mean SAT Scores of District, State, and Total Group, Classes of 2017–2020

Source: *HISD SAT Report, Class of 2020*

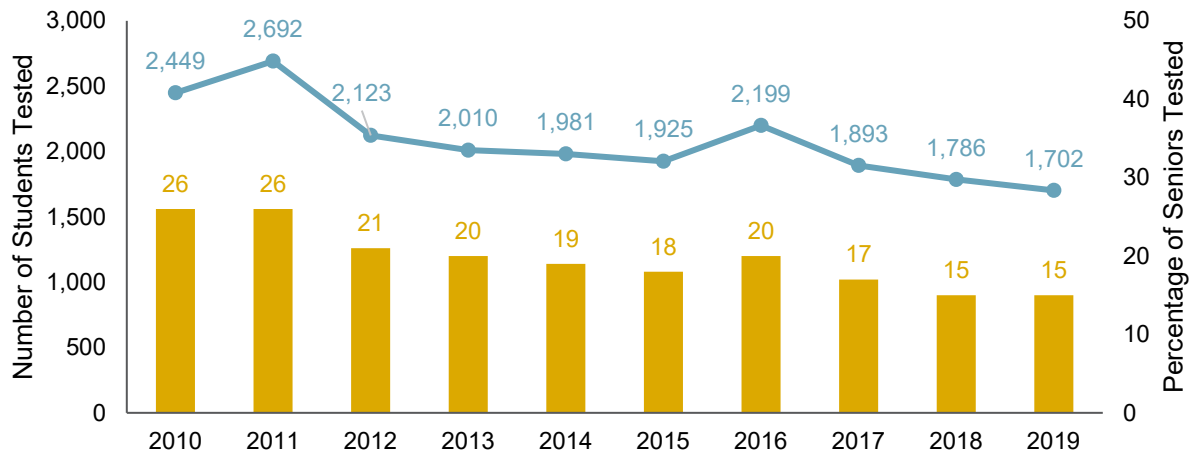

The College Board sets college readiness benchmarks for the SAT to predict students' chance of success in college. The percentage of HISD students meeting the benchmarks decreased for the Class of 2020. HISD lags compared to the state and total group, but HISD's decrease in ERW from the Class of 2019 to 2020 was smaller compared to the state and total group (**Figures 8A–8C**, p. 10).

Figures 8A–8C. Percentage of District, State, and Total Group Meeting College-Ready Benchmarks, Classes of 2017–2020Source: *HISD SAT Report, Class of 2020***ACT**

The ACT is a college admissions exam that tests four subjects: English, Math, Reading, and Science. The ACT is offered six times per year and is typically taken by juniors and seniors. The data presented in this section reflect performance of graduating seniors for each year, as self-reported by students when they took the exam. Because data for the Class of 2020 were not available, only data through 2019 are shown in this report.

How many students participated in the ACT?

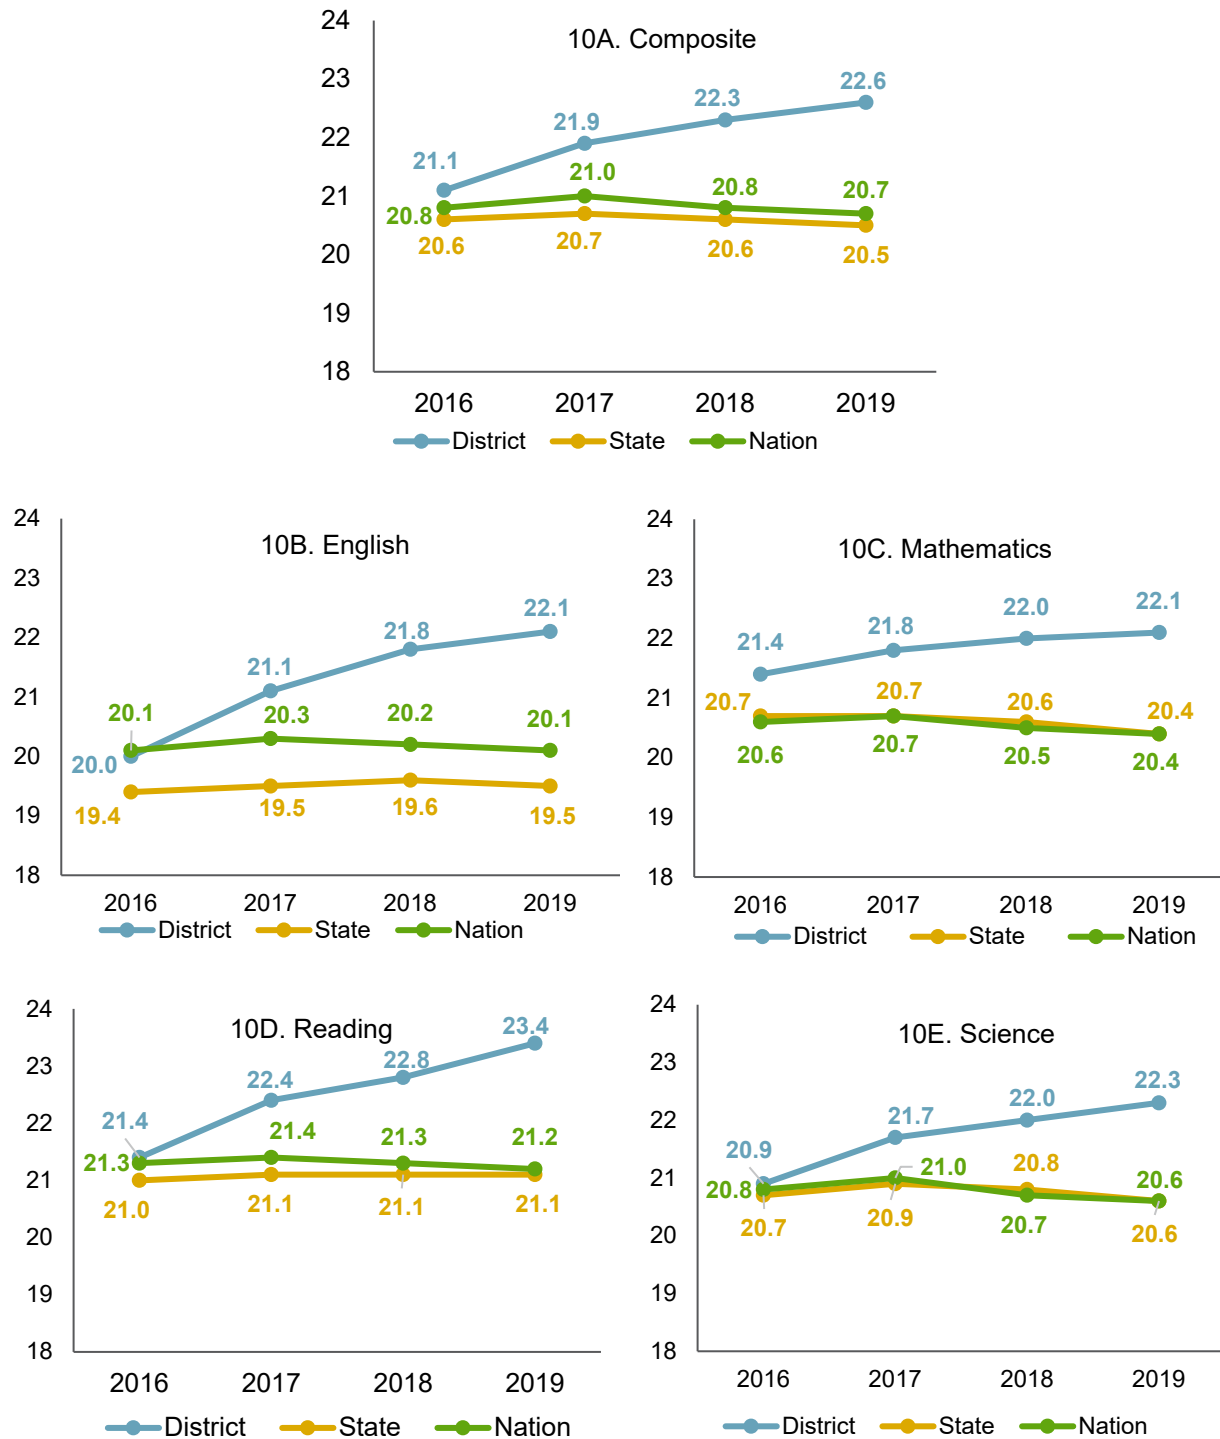

Figure 9 indicates that 1,702 students from the Class of 2019 took the ACT, which is 15 percent of the class. Participation on the ACT has declined since 2016.

Figure 9. HISD ACT Test Participation, Classes of 2010–2019

Source: *HISD ACT Report, Class of 2019*

How well did students perform on the ACT?

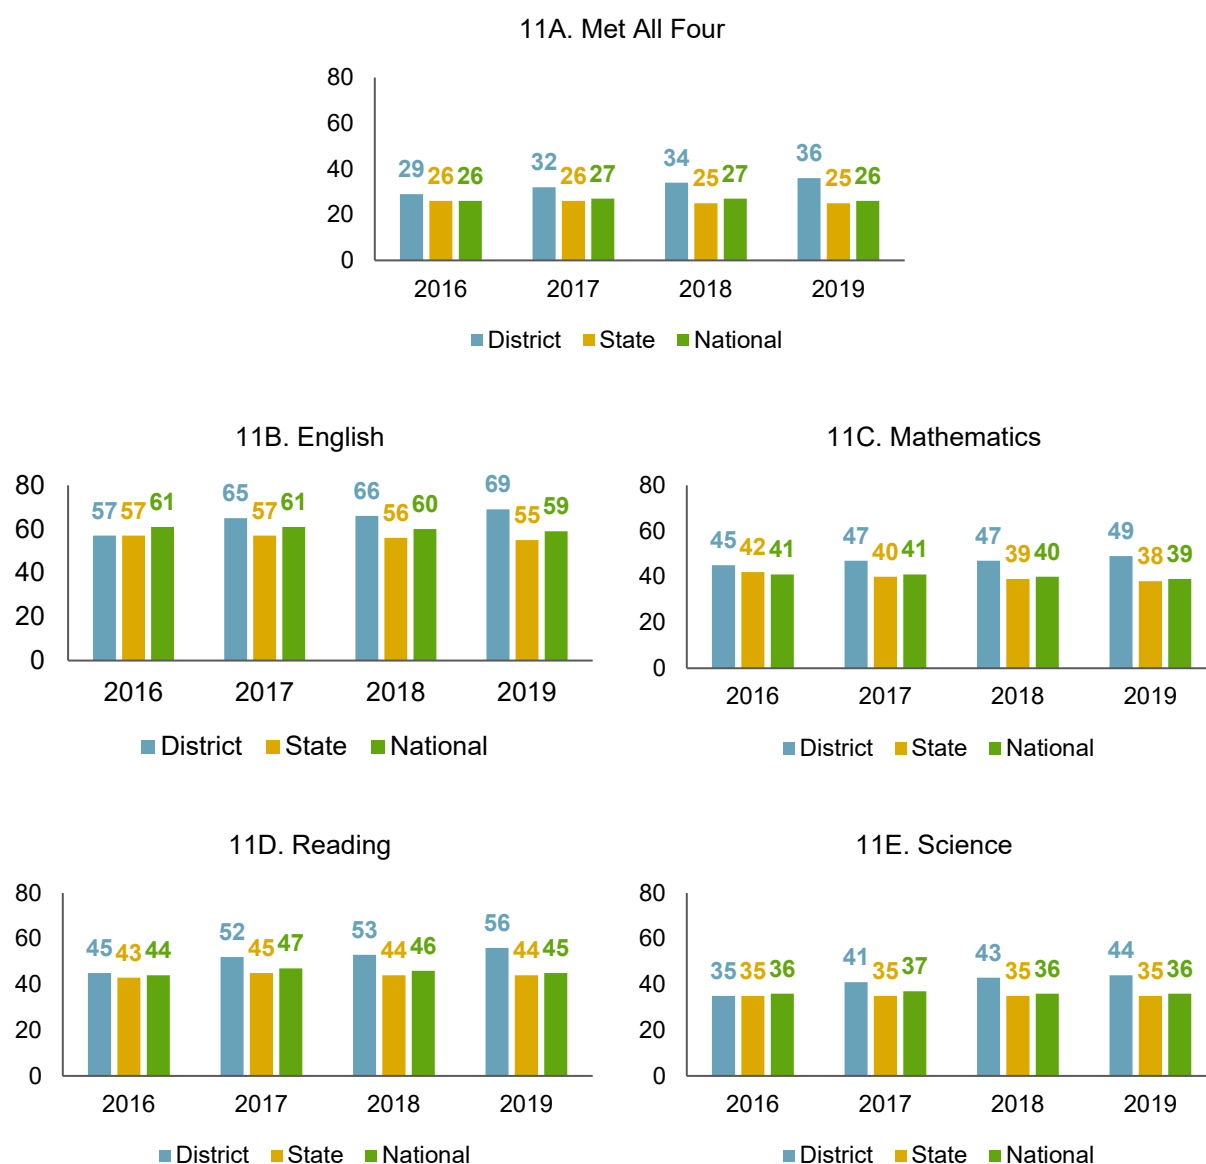

Each subject on the ACT is scored from 1 to 36, and composite scores are an average of scores earned on the four subjects. **Figures 10A–10E** (p. 12) show that HISD's overall scores continue to increase and outpace those of the state and nation.

Figures 10A–10E. Average ACT Scores of District, State, and National Students, Classes of 2016–2019

Source: HISD ACT Report, Class of 2019

The ACT has also identified college readiness benchmarks. A student who earns or exceeds scores of 18 in English, 22 in Math, 22 in Reading, and 23 in Science is considered to be ready to succeed in college courses after high school. **Figures 11A–11E** show the proportion of students who met the benchmarks by subject from the Classes of 2016 through 2019. HISD's Class of 2019 had a higher percentage (36 percent) that met all four benchmarks compared to the state and nation for the fourth year in a row. In 2019, the greatest percentage of students met the benchmark for English (69 percent), and the lowest percentage met the benchmark for science (44 percent).

Figures 11A–11E. Percentage of College-Ready Students, Classes of 2016–2019, District, State, and National

Source: HISD ACT Report, Class of 2019

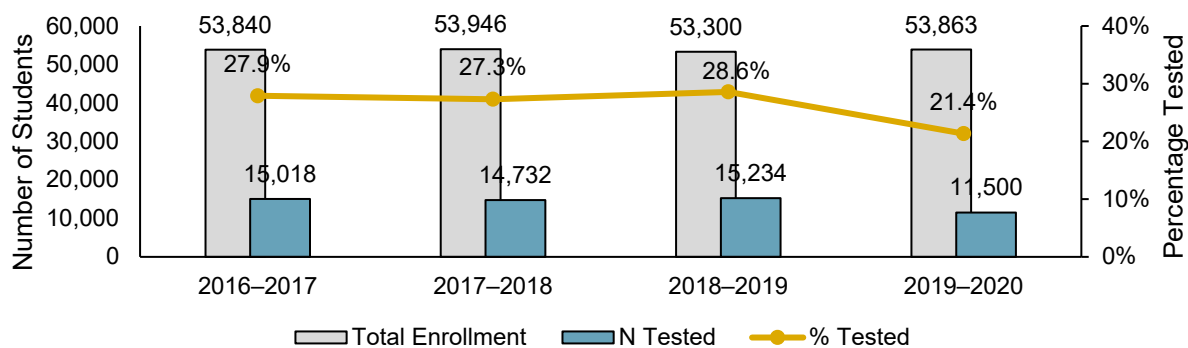

Advanced Placement (AP)

The College Board's AP Program provides participating high school students with the opportunity to take college-level courses and earn college credit, advanced placement, or both. A total of 38 examinations in Arts, Capstone (new in 2014–2015), English, History and Social Science, Mathematics and Computer Science, Sciences, and World Languages and Cultures are administered in May. The AP Program represents a critical element in HISD's efforts to inject rigor into high school classrooms. Since 2009, the AP course offerings in HISD have been vastly expanded, with more campuses offering a wider selection of AP courses that exposes a larger percentage of the high school population to academic rigor.

How many students participated in AP exams?

Figure 12 shows the number of students enrolled in grades 9–12 and the number and percentage of students who took at least one AP exam. Due to the COVID-19 pandemic in Spring 2020, AP exam participation decreased.

Figure 12. Number of Students Enrolled and Tested, Grades 9–12, 2016–2017 through 2019–2020

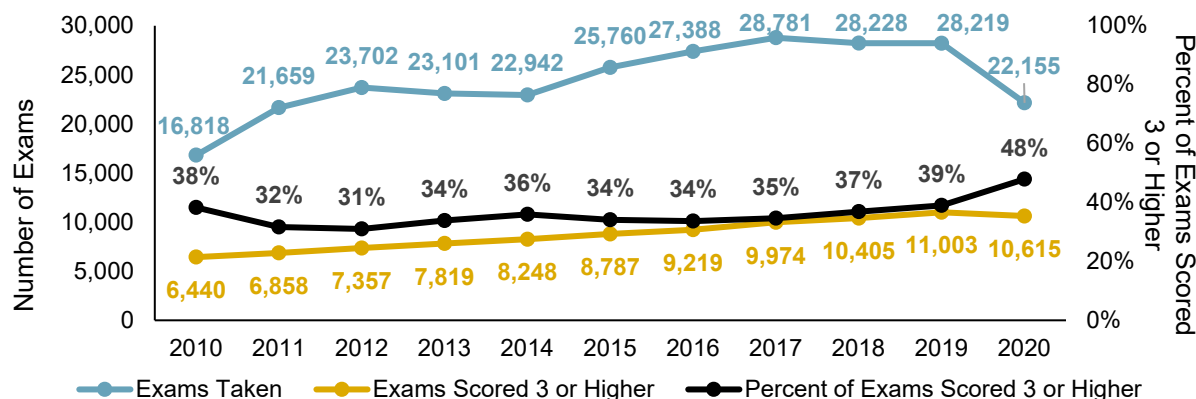

Sources: PEIMS Fall Resubmission, 2016–2019; AP data file

How well did students perform on AP exams?

Each AP exam is scored from 1 to 5. Students require a score of 3 or higher to “pass” the AP exam and potentially earn college credit. **Figure 13** shows the number of AP exams taken, the number of exams with a score of 3 or higher, and the percentage of exams with a score of 3 or higher.

Figure 13. Number of AP Exams Taken, Number of Exams Scored 3 or Higher, and Percentage of Exams Scored 3 or Higher, 2010–2020

Source: HISD AP Report, 2019–2020

Note: Students in all grade levels are included.

Table 1 shows the percentage of AP Exams that received a score of 3 or higher by subject. Students who took AP Exams in World Languages & Culture were most likely to earn a score of 3 or higher.

AP Exam Category	AP Exams Taken		AP Scores ≥ 3	
	N	% of Total	N	% of Exams
History & Social Science	10,067	45%	4,101	41%
English	3,907	18%	1,557	40%
Sciences	2,848	13%	1,164	41%
World Languages & Culture	2,363	11%	1,983	84%
Math & Computer Science	2,092	9%	1,257	60%
AP Capstone	594	3%	373	63%
AP Arts	284	1%	180	63%
HISD Totals	22,155	100%	10,615	48%

Source: *HISD AP Report, 2019–2020*

Note: Students in all grade levels are included.

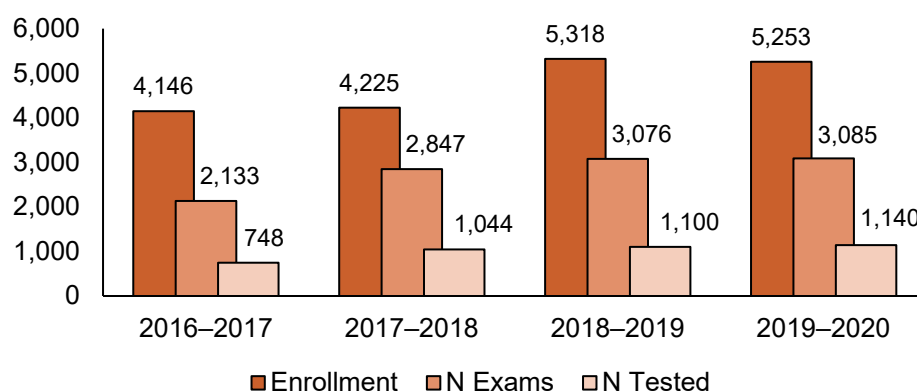

International Baccalaureate (IB)

The IB Diploma Programme is a two-year course of study that prepares students for college and is recognized and accepted by universities around the world. Similar to the AP program, students with high scores on IB Exams can earn college credit or advanced placement at a college or university. Students participating in the IB Diploma Programme are required to take six exams in the following subjects: Literature, Language, Social Science, Experimental Science, Mathematics, and Art. Students may also choose to take individual IB courses and IB exams instead of participating in the full diploma program.

How many students participated in IB exams?

Two HISD high schools participated in the IB Programme through 2015–2016: Bellaire and Lamar High Schools. In 2016–2017, Heights High School also participated in the IB Programme, and in 2018–2019, Chavez High School joined. The total number of students who took IB exams increased to 1,140 students and the number of exams taken increased to 3,085 in 2019–2020 (**Figure 14**).

Figure 14. Number of Students Enrolled in Grades 11–12 from Campuses with the IB Programme, IB Exams Taken, and Students Tested, 2016–2017 through 2019–2020

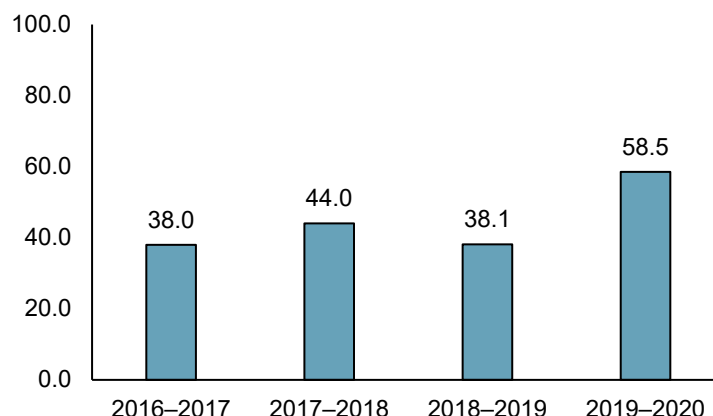

Source: *HISD Gifted and Talented Program Evaluation, 2019–2020*

How well did students perform on IB exams?

Each IB exam is scored from 1 to 7. A score of 4 or higher is required to “pass” the IB exam and potentially earn college credit. **Figure 15** shows that the percentage of IB exams that received a score of 4 or higher increased to 58.5 percent in 2019–2020.

Figure 15. Percentage of IB Exams Scored 4 or higher, 2016–2017 through 2019–2020

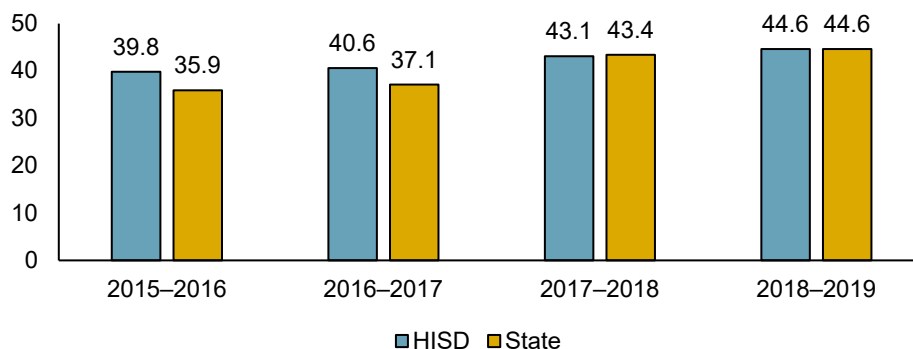

Source: HISD Gifted and Talented Program Evaluation, 2019–2020

Advanced Course/Dual Credit Completion

In addition to the use of assessments, college readiness can also be determined through enrollment in and completion of advanced and dual credit courses. Advanced courses include AP and IB courses along with other courses designated by the Texas Education Agency. A dual credit course is a college course taken by a high school student where the student earns both college and high school credit, which saves the student money and time toward college degrees before finishing high school. Students must meet certain eligibility requirements in order to participate in dual credit. Students who enroll and perform well in advanced/dual credit courses are not only college-ready but also are college-proven. In 2018–2019 (most current state data available), 44.6 percent of HISD students in grades 9–12 had completed at least one advanced/dual credit course in any subject, which matches the state percentage (**Figure 16**).

Figure 16. Percentage of Students that Completed at Least One Advanced/Dual Credit Course for HISD and the State, 2015–2016 Through 2018–2019

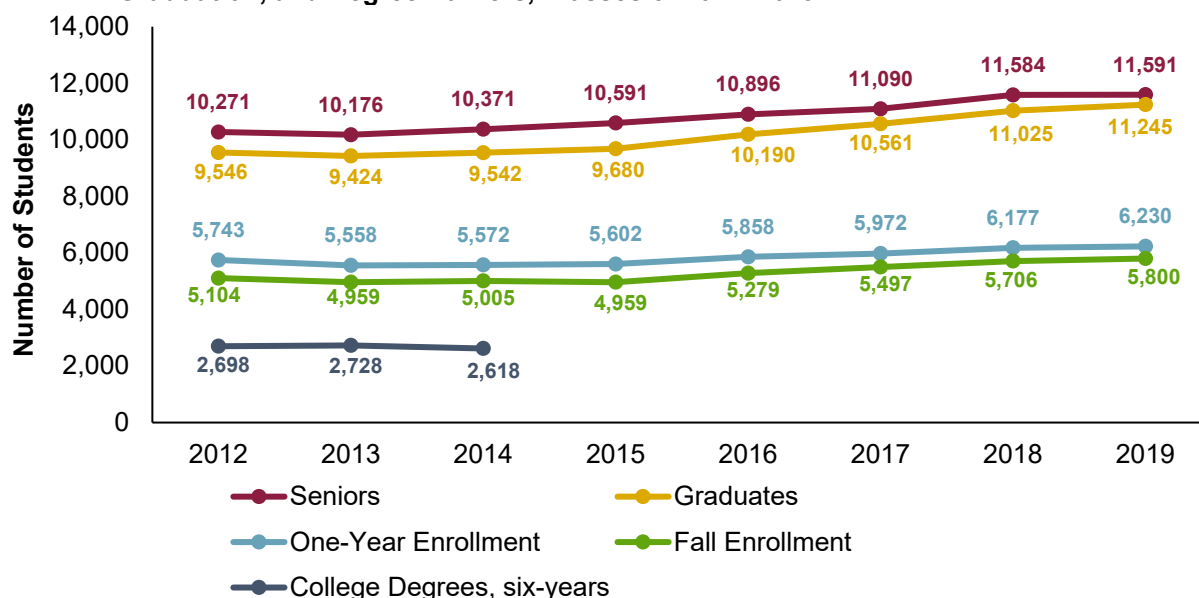

Source: TAPR, 2016–2017, 2017–2018, 2018–2019, 2019–2020

Postsecondary Enrollment

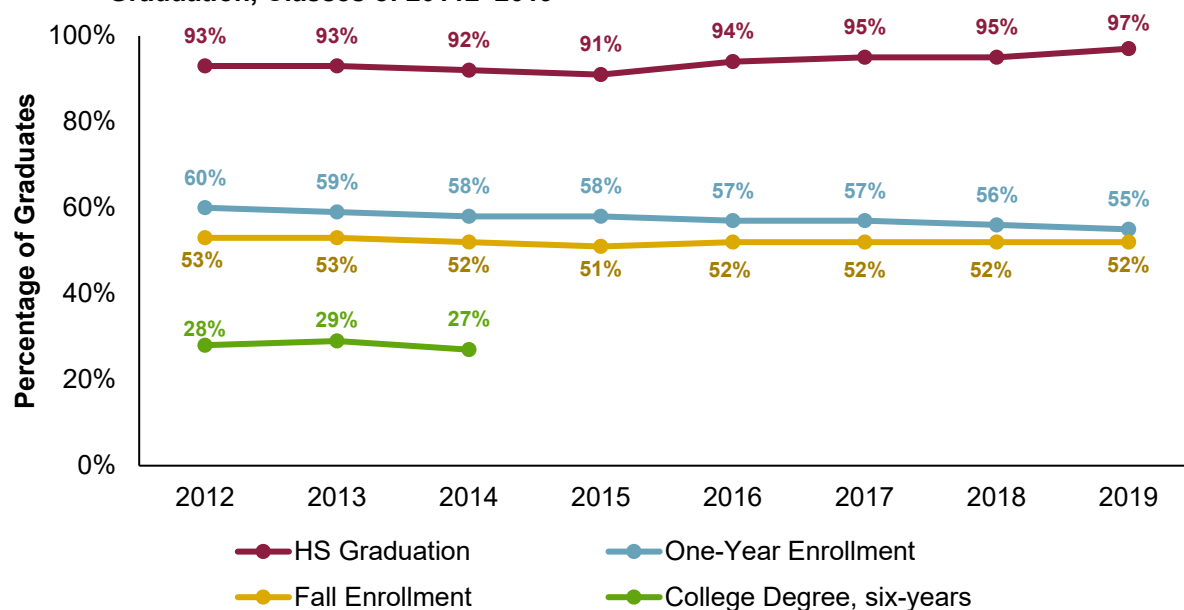

The number of HISD graduates who enroll in college within one year of graduating from high school has increased by 8.5 percent from 5,743 to 6,230 between the Classes of 2012 and 2019 (**Figure 17**). The percentage of students enrolling in college within one year of graduation has declined since 2012 reaching 55 percent for the Class of 2019 (**Figure 18**).

Figure 17. Number of Seniors, Graduates, College Enrollees in the Fall and Within One Year of Graduation, and Degree-Earners, Classes of 2012–2019

Source: HISD Postsecondary Enrollment Report, Class of 2019

Figure 18. Percentage of Graduates Enrolled in College in the Fall and Within One Year After Graduation and Earning College Degrees Within Six Years After High School Graduation, Classes of 2012–2019

Source: HISD Postsecondary Enrollment Report, Class of 2019

Conclusion

In 2014, Houston ISD launched its Global Graduate Initiative. The district's and initiative's goal is to ensure that each HISD student graduates ready for the world. The profile of an HISD Global Graduate is one of a leader, a skilled communicator, adaptable and productive, a critical thinker, a responsible decision maker, and a college-ready learner. While this is a relatively new initiative, the goal of preparing students to be college and career ready upon graduation is not a new one for the district, which is why HISD has significantly increased participation in college readiness and entrance assessments since 2009 with the implementation and expansion of programs such as SAT School Day and funding both the cost of PSAT exams for freshmen and sophomores and AP Exams for all students.

These assessments measure a variety of skills and competencies, the mastery of which has proven to correlate with student success in both college and career. These assessments also help to track student preparation and progress. The PSAT 8/9 exam helps outline areas in which students might require additional support and areas in which students have demonstrated proficiency. Such feedback can help students focus their efforts and develop critical skills. It will continue to aid students early on and prepare them for critical exams such as PSAT/NMSQT and SAT.

Definitions of college readiness are quickly encompassing more than just a score on one assessment. In fact, to be considered both college and career ready, students may demonstrate performance on the Texas Success Initiative Assessment (TSI-A), SAT, or ACT. Another way to prove college readiness is to take AP, IB, and dual credit courses which provide students with the opportunity to earn both high school and college credit upon course completion. Almost 45 percent of HISD students enrolled in grades 9–12 completed one of these courses in 2018–2019.

As the key findings of this report indicate, more HISD students are taking college readiness and entrance assessments, but the participation rates remain relatively flat. Performance on the AP and IB exams has improved while overall performance on the SAT exam has decreased. Performance on the PSAT varied by grade level. To see additional historical trends and the data disaggregated by demographic student group on each of the separate assessments, visit HISD's Research and Accountability website at <http://www.houstonisd.org/Domain/8269>.

In addition to a larger number of students taking college readiness assessments, more HISD students are also enrolling in and graduating from college or university. While this is a positive trend, the college enrollment rates upon high school graduation have decreased over time. The data presented in this report indicate that more can be done to increase the number of HISD students equipped to succeed in postsecondary education.

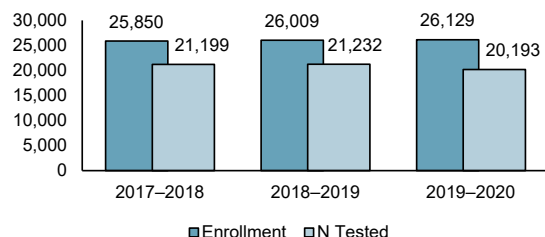

Appendix A – Review of Assessments

	PSAT 8/9	PSAT/NMSQT	SAT	ACT	AP	IB
Description	The Preliminary SAT for students in grades 8 and 9 (PSAT 8/9) is a low-stakes assessment which serves as the first step on the “College Readiness Pathway” preparing students for the PSAT/NMSQT and for the SAT.	The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT) serves as preparation for the SAT and as a qualifying examination for numerous scholarship programs.	The SAT is a standardized college-entrance exam designed to measure verbal and mathematical reasoning abilities related to successful performance in college.	The ACT is college-admission exam that aims to assess both the general educational level of high school students and their readiness for college-level work.	The Advanced Placement (AP) Program provides high school students with the opportunity to take college-level courses and earn college credit through the subsequent AP Exam.	The IB Diploma Programme is an academically-challenging, two-year program that prepares students for success at university and life beyond. Students with high scores on IB exams can earn college credit.
Administration	Fall	October	Seven times per year	Six times per year	May	November and May
Test-takers	8 th graders and 9 th graders	Most important for juniors, but sophomores and freshmen also take the assessment.	Juniors and seniors	Juniors and seniors	Typically, juniors and seniors, but students enrolled in 8 th –10 th grade can also take AP Exams.	Juniors and seniors
Who is included in this report?	Students who took PSAT 8/9 in 2018.	Sophomores and Juniors who took PSAT in Fall 2018.	Students who reported their graduation date as Spring 2019.	Students who reported their graduation date as Spring 2019.	Students who took AP Exams in Spring 2019.	Students who took IB Exams in 2018–2019.
Subjects Tested	Evidence-Based Reading and Writing (ERW) Mathematics	Evidence-Based Reading and Writing (ERW) Mathematics	Evidence-Based Reading and Writing (ERW) Mathematics	English Mathematics Reading Science Writing (optional)	38 possible AP Exams in 7 subjects: Arts, AP Capstone, English, History & Social Science, STEM, and World Languages & Cultures	Literature, language, social science, experimental science, mathematics, art (can be replaced with social science, experimental science, or language).
Scoring	Each section: 120–720 Total: 240–1440	Each section: 160–760 Total: 320–1520	Each section: 200–800 Composite: 400–1600	Each subject is scored from 1–36. Composite: the average of the four test scores, 1–36.	Each AP Exam is scored from 1–5.	Each exam is scored from 1–7.
College & Career Readiness Benchmark	8 th Grade ERW ≥ 390 8 th Grade Math ≥ 430 9 th Grade ERW ≥ 410 9 th Grade Math ≥ 450	10 th Grade ERW ≥ 430 10 th Grade Math ≥ 480 11 th Grade ERW ≥ 460 11 th Grade Math ≥ 510	ERW ≥ 480 Math ≥ 530	English ≥ 18 Math ≥ 22 Reading ≥ 22 Science ≥ 23	Score ≥ 3	Score ≥ 4
Additional Notes	Replaced the ReadStep Assessment in 2015. HISD’s “PSAT for All” initiative enables all HISD 8 th and 9 th graders to take the PSAT 8/9 for free.	HISD’s “PSAT for All” initiative enables all HISD 10 th graders to take the PSAT/NMSQT for free.	HISD funds a school-day administration of the SAT for all juniors. SAT redesigned in 2016 with ERW and Math sections.	ACT is most popular in the Midwest and East Coast of the U.S.	Students may take as many AP Exams as they like. AP course completion is not required.	Chavez High School joined Bellaire, Lamar, and Heights High Schools in the IB Programme in 2018–2019.
