**HSAA SDMC Meeting
Minutes
Thursday, February 23, 2017**

Meeting start time: 4:20 p.m.

Meeting end time: 5:21 p.m.

Actual meeting minutes

- 4:20-4:24 pm- Ms. Jones greeted the SDMC members
- 4:25-4:29 pm- Ms. Johnson reviewed the minutes from the last meeting,
- 4:30-4:40 pm -Ms. Jones discussed the new updates on recapture and how that will affect the budget of the school.
- 4:40-4:50 pm -Ms. Austin discussed how a lot of great work is being done in PLCs. The teachers present lessons, discuss STAAR alignment, review test data and make changes to instruction based on student needs. Mr. Isaac also gave feedback on the PLCs.
- 4:50-5:00 pm-Ms. Austin discussed the content based interventions that have been implemented to support students with reaching mastery. There were changes made this semester based on student data analysis and pairing students with teachers to meet their needs. Also push-ins and pull-outs are being done to support struggling students. There is no need for Saturday tutorials because interventions are built in during the instructional day.
- 5:00-5:10 pm- Ms. Austin discussed the STAAR Explosion. After spring break, we change the instructional day to focus on the tested subjects in March to give

the students a blitz of review and test taking strategies in preparation for the STAAR test. At the end of the week we will have a STAAR Explosion pep rally.

- 5:10-5:15 pm -Mr. Cabrera discussed upcoming field trips to the universities and planning for more student activities.
- 5:16-5:20 pm-Ms. Jones discussed recruitment efforts in the works and soliciting free advertising.
- 5:21 pm- Meeting adjourned
