

MEMORANDUM

June 20, 2011

TO: School Board Members

FROM: Terry B. Grier, Ed.D.
Superintendent of Schools

SUBJECT: **COMPLETION STATUS AND DROPOUT ANALYSIS: 2009–2010**

CONTACT: Carla Stevens (713) 556-6700

Attached are the completion status and dropout data for 2009–2010 academic year. Annual rates are reported at the district and state levels and are analyzed on the basis of ethnicity and economically disadvantaged status.

The four-year completion status results which measure dropouts, graduates, GED recipients, and continuing students from the cohort that began 9th grade in 2006–2007 are also presented. Each year, over the last three years, HISD has progressively increased graduation rates and decreased dropout rates. The Class of 2010 district rate for graduation was 74.3 percent, the Class of 2009 district rate for graduation was 70.0, and the Class of 2008 graduation rate was 68.2 percent. The longitudinal dropout rate was 12.6 percent, compared to the 2009 longitudinal dropout rate of 15.8 percent, and the 2008 longitudinal dropout rate of 18.7 percent.

Districtwide, the 2009–2010 overall annual dropout rate for grades 7–8 was 0.5 percent, slightly lower than last year (0.6 percent), and the dropout rate for grades 7–12 was 2.6 percent, up from last year's 2.3 percent.

Figure 1 presents five-year trends for the district's grade 7–8 annual dropout rates by student group.

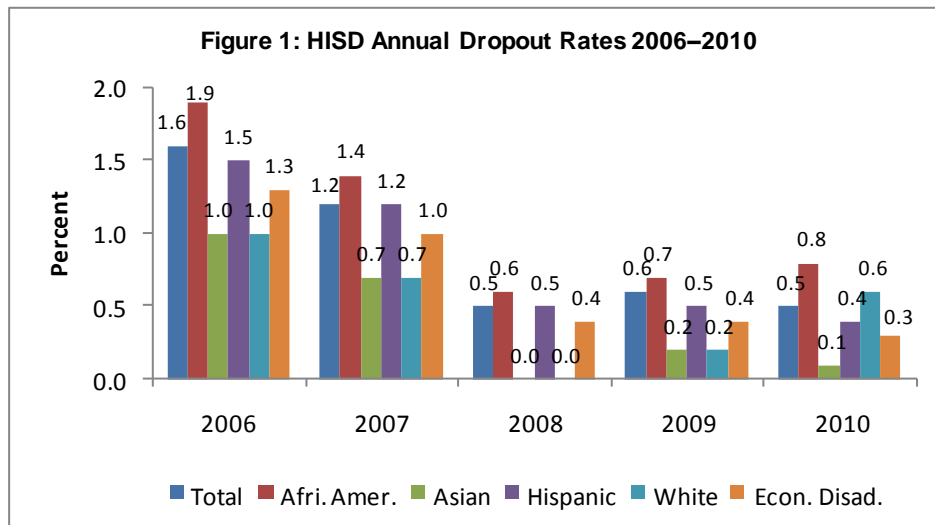

Figure 2 presents five-year trends for the district's four-year completion rates by student group.

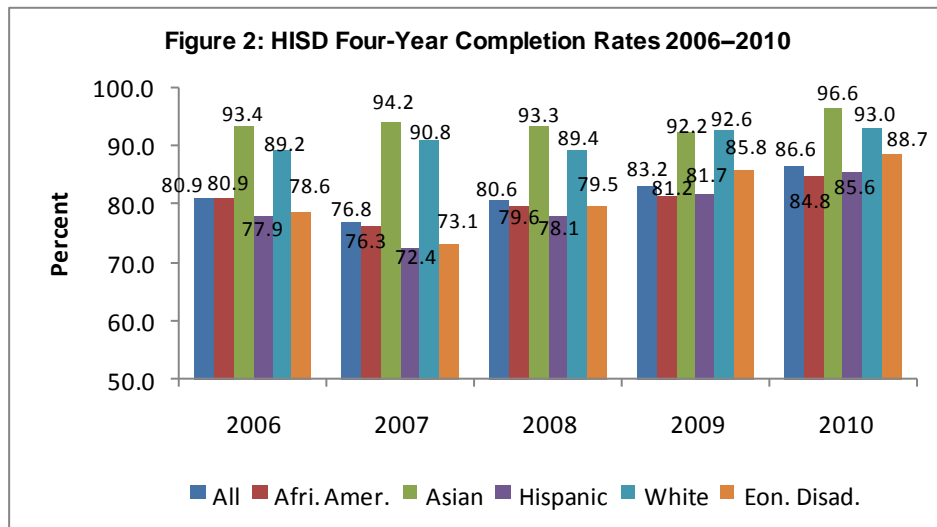

Figure 3 presents five-year trends for the district's graduation rates by student group.

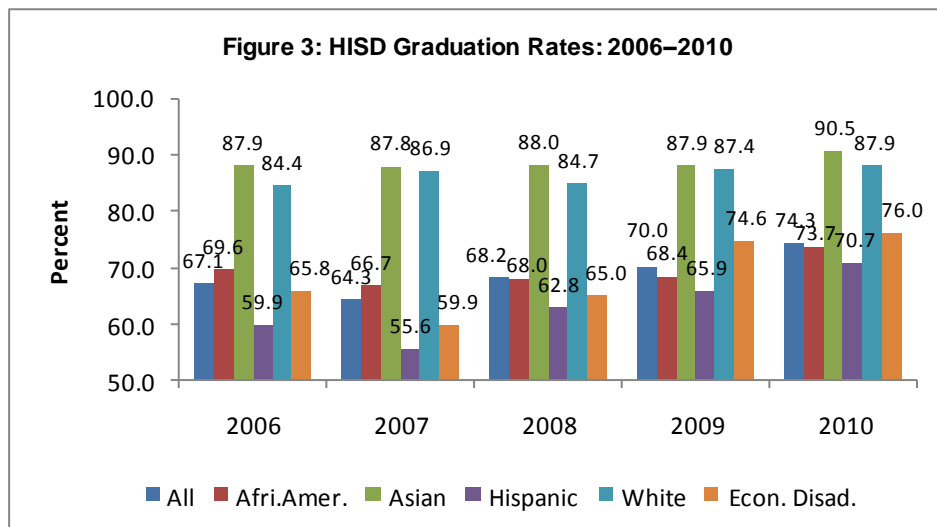

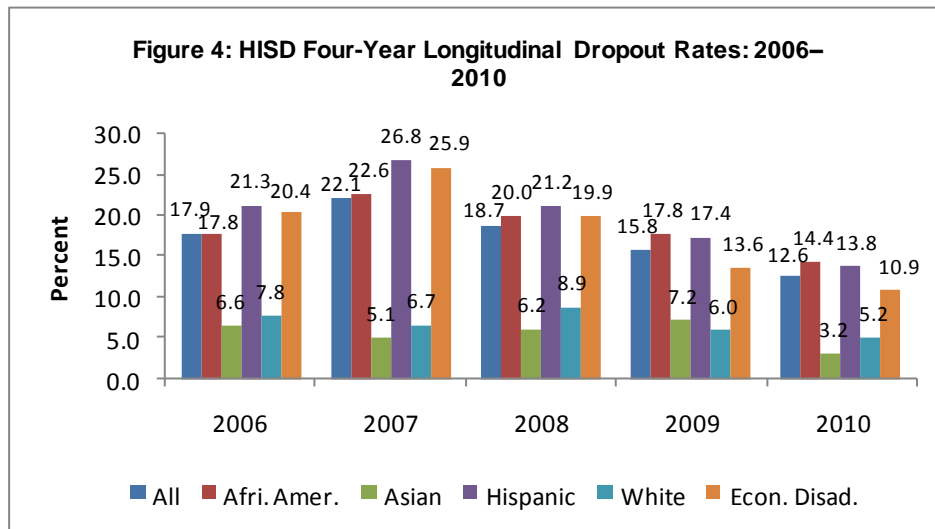

Figure 4 presents five-year trends for the district's longitudinal dropout rates by student group.

Attached are appendices with campus-level results for dropout and completion rates. **Appendix A** contains current definitions of dropout and completion rates, **Appendix B** presents two years of completion data for the district and each campus, and **Appendix C** presents 2007–2008, 2008–2009, and 2009–2010 annual dropout rates for grades 7–8 by campus.

Should you have any further questions, please contact my office or Carla Stevens in the Research and Accountability Department at 713-556-6700.
