

MEMORANDUM

August 26, 2015

TO: Board Members

FROM: Terry B. Grier, Ed.D.
Superintendent of Schools

CONTACT: Carla Stevens, (713) 556-6700

SUBJECT: **JULY 2015 STAAR END-OF-COURSE PERFORMANCE**

The Houston Independent School District (HISD) has received the results for the July 2015 administration of the State of Texas Assessments of Academic Readiness End-of-Course (STAAR EOC) exams. These exams are a graduation requirement, and were given to eligible students who did not meet the satisfactory level of performance in previous administrations (retesters), as well as students who completed a summer school course and tested for the first time.

Under House Bill 5 (HB 5), passed by the 83rd Texas Legislature and signed by the governor, high school students are now required to pass five STAAR EOC assessments to meet the new graduation requirements. These five assessments include Algebra I, English I (combined reading/writing), English II (combined reading/writing), biology, and U.S. history.

The next administration of the STAAR EOC exams will be December 7 – December 11, 2015.

Key Findings:

- Of the 10,749 STAAR EOC tests administered in July 2015, 51% (5,466 tests) were taken by ninth grade students, 29% (3,131 tests) were taken by tenth grade students, 16% (1,704 tests) were taken by eleventh grade students, and less than 1% (375 tests) were taken by twelfth grade students.
- Of the 5,466 STAAR EOC tests taken by ninth grade students, 3,048 (56%) were taken in English I and 1,391 (25%) were taken in Algebra I.
- At the satisfactory phase-in 1 standard for All Students, performance ranged from 21 percent on English I to 48 percent on U.S. History.
- When compared to last year's results, the percentage of students meeting phase-in 1 standard **increased** in Algebra I, Biology, and U.S. History (25 percentage points) and **decreased** in English I (11 percentage points) and English II.

Campus results are displayed in **Tables A-C**.

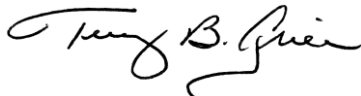

Administrative Response

Secondary Curriculum and Development

To address the ongoing needs of EOC re-testers:

- A4E will provide a comprehensive list of data that includes the summer results.
- Chief Secondary School Officers will draw attention to the data with high school principals.
- The Secondary Curriculum and Development team office will distribute results, by school, to instructional coaches who are supporting the campuses. Further investigation into areas of specific weakness will continue through planning meetings and conversations with principals about school support. For schools that will not have instructional coach assignments, the Secondary Curriculum and Development team will investigate and interpret results then reach out to principals to discuss possible support solutions.
 - Possible support solutions include:
 - HUB Master Courses
 - Master Schedule Adjustments
 - Before/After School Tutorials
 - Targeted Literacy Support
 - Targeted ELL Support
 - Targeted SPED Support
 - SB149 Portfolios
 - Online Tutorials (iTunes Library, Khan, etc.)
 - Newly revised English 1, 2 and 3 Curriculum Documents (These HISD courses were re-written over the summer to include the workshop model.)

Should you have any further questions, please contact my office or Carla Stevens in Research and Accountability at 713-556-6700.
