It is the policy of the Houston Independent School District not to discriminate on the basis of age, color, handicap, or disability, ancestry, national origin, marital status, race, religion, sex, veteran status or political affiliation in its educational or employment programs and activities. The purpose of this handbook is to provide students and parents with the rules, regulations, and policies that have been put into place in order to ensure a safe and secure campus and a high standard of education.
Dear Parents,

You are the most important people in your children’s lives. We value you and look forward to working with you to ensure that your children are safe and successful at Tinsley Elementary School!

Please help us to help your children by:

- Supporting all school and classroom rules for student conduct.
- Providing the school with your current address and home, work, cell, and emergency telephone numbers.
- Making sure that your child is on time and attends school every day. Tinsley officially starts at 7:45 a.m. Please do not drop students off at the school before 7:30 a.m. Leaving your child unsupervised before the official school start time is a student safety hazard.
- Providing school personnel with any student information that may affect your child’s ability to learn and/or to behave at school.
- Making sure that your child is prepared for school each and every day.
- Promptly contacting your child’s teacher, counselor or administrator with your questions and concerns.

The Tinsley Story

Eleanor Tinsley Elementary was the first school to open under the "Rebuild 2002 Bond Program" on August 20, 2001. Tinsley is located in the Fondren Southwest area of Houston. The school is a state of the art facility, equipped with a parent center, science, computer, and music labs along with a multi-purpose/gymnasium area. The school opened with a projected enrollment of 750 students. Instruction is provided at grades 1-5, with the Pre-kindergarten and Kindergarten grades provided through Halpin Early Childhood Center. Our school was proudly named after Eleanor Tinsley, former Houston school board chair and city councilwoman. She fought for causes such as school desegregation, smoking bans, billboard regulation, bicycle helmet requirements, gay rights, and park space. She was known to have a fondness for turtles. Turtles were her personal symbol, she said, “because they only get things done when they stick out there necks.” She was a graduate of Baylor University.
