How to Start a New Westside Club

- **Come up with an idea!** Clubs typically have an academic, community service and/or common interest purpose that are beneficial to young adults. If you need some ideas, we have a list of clubs, including some national organizations, which students or administrators have expressed an interest in having on campus.

- **Find a sponsor.** Students wishing to start clubs should discuss their idea with faculty members and find a sponsor. Sponsors should request a packet from the Mrs. Nassab in the main office and fill out Sponsor Responsibilities Form and Club Info Form.

- **Find students interested in joining.** You will need a Club Petition with at least 15 students interested in joining and the signature of the sponsor.

- **Get approval.** Have your sponsor submit this petition, plus completed Sponsor Responsibilities Form and Club Info Form to Mrs. Nassab. Please allow 5 days for this to be processed. It will be returned to the sponsor once approved.

- **Get going and have fun!**
