The Distinguished Level of Achievement Plan consists of: 4 English credits, 3 mathematics credits (must include Algebra II), 4 social studies credits, 3 advanced science credits, 2 foreign language credits, 1 credit each of physical education and fine arts, 1/2 health credit and 3 1/2 credits of electives, plus one 4-credit Endorsement (pending Board approval as of March 8, 2014). Students graduating under this plan are eligible to be considered for automatic admission to state colleges and universities through the Top Ten Percent Plan.

ENDORSEMENTS: All incoming ninth-graders must select an endorsement based on their career interests and goals to complete the required credits for graduation.

The five Endorsements you may choose from are:

- **STEM (science, technology, engineering, and math)**
  This path includes courses directly related to science, including environment science; technology, including computer science; engineering; and advanced mathematics.

- **Business and Industry**
  This path includes accounting, architecture, automotive technology, communications, construction, finance, graphic design, information technology, marketing, welding, and much more.

- **Arts and Humanities**
  This path includes cultural studies, English literature, fine arts, history, political science, and world languages.

- **Public Services**
  This path includes education and training, health sciences and occupations, law enforcement and government services, human services, and JROTC.

- **Multidisciplinary Studies**
  This path includes courses selected from the curriculum of each Endorsement area.

**Performance Acknowledgments:** Students may earn up to FIVE acknowledgments for outstanding performance, which will be displayed on diplomas and transcripts:

- Dual credit courses
- Bilingualism and Biliteracy
- AP and IB exams
- PSAT/SAT/ACT and/or Act-Plan exams
- Business and industry certifications and/or licenses

HISD has magnet programs, early college high schools, college preparatory schools, Futures Academies, and many other options to help you reach your education goals. HISD will provide transportation to some schools if you apply and are accepted. Certain grade and test score criteria do apply.

For questions regarding Endorsements, required courses, or your educational path, please visit your guidance counselor.
