Barbara Jordan Career Center
5800 Eastex Freeway
Houston, TX 77026

HoustonISD.org/Jordan
**AUTOMOTIVE TECHNOLOGY**
- Learn how to diagnose, maintain, and repair basic and advanced automotive systems.
- Provided the opportunity to earn one or more ASE student-level certifications.
- Practice using advanced automotive technology that is currently used in the field.

**CULINARY ARTS**
- Learn skills and techniques to prepare for a career in cooking, baking, catering or managing a restaurant.
- Earn a ServSafe certificate, a national food safety and sanitation certification, to stay a step ahead of other potential job seekers.
- Eat what you cook.

**CHILD DEVELOPMENT**
- Learn how to plan an educational and developmental program for young children by working in our state-of-the-art facility.
- Learn about nutrition and safety for young children as you explore careers related to child care and development.
- Earn a certificate in Child Development.

**CONSTRUCTION TECHNOLOGY**
- Experience hands-on skills in the construction field in the lab or visiting worksites, providing opportunities to work with professionals in the career path and earning a NCCER Core certificate.
- Gain hands-on experience using a construction management computer simulator.
- Learn how to use and operate Computer-Aided-Design (CAD) software to design a house or other construction project.

**GOVERNMENT AND DIPLOMACY**
- Take field trips to departments in the City of Houston government offices.
- Attend presentations by embassy or foreign service officials.
- Participate in a partnership with Texas Southern University to explore careers in government and public service.

**HEALTH SCIENCE**
- Learn the terminology used in the medical field.
- Gain exposure to the health care system by learning the history of medicine, safety practices used by medical professionals, communication skills, ethics, and leadership skills.
- Provide students with classroom, laboratory, online, and internship experiences to work in various health care settings.

**MARKETING**
- Travel and compete in various DECA events.
- Participate in field trips, such as Rockets Day, Dynamo Day, and Houston Astros Day, to learn about sports marketing.
- Meet and interact with local entrepreneurs to gain insight on today’s market and demands.

**PROCESS TECHNOLOGY**
- Learn about safety, health, and environmental standards used in oil and gas production plants.
- Learn how to operate process control equipment such as analyzers, flow indicators, pressure alarms, and pressure control valves.
- Earn credits toward a certification in Process Technology at HCC.

**WELDING**
- Perform a combination of simulations, real-life, and hands-on welding experiences throughout your time in the Welding Program.
- Provided the opportunity to participate in field experiences to enhance classroom learning and to seek internships or possible job opportunities.
- Earn 9 or more credits from HCC towards a structural welding workforce certificate.

**COSMETOLOGY**
- Gain real world experience by providing the community with student salon services.
- Earn the opportunity to test for an operator license upon graduation through the Texas Board of Cosmetology.
- Participate in various competitions to enhance hands-on and technical skills, such as Skills USA.
