Information in this handbook may be changed with or without notice based upon policy changes from the Harvard Elementary School’s Shared Decision-Making Committee; the Houston Independent School District’s Board of Trustees; the Texas Education Agency, the Texas Legislature or the Congress of the United States.
On September 18, 1898, Harvard Street School opened its doors to the children of the south end section of the Heights. The City Directory for that year lists the school as “Houston Heights School No. 2 – Harvard, 8th Avenue.”

The school was built on two lots at Harvard and 8th, and its name derived from its location, although later the word Street was dropped from its title.

In 1902, rooms were added to the building. This enlarged, three-room frame building was still serving students in 1911 when a book about the Heights printed a picture of the first brick unit next to the old building.

The main structure, now called Harvard Elementary School, was built in 1923 with additions added in 1979 and 1988.

The electronic platform allows parents and guardians the ability to securely communicate with staff using the Announce feature on the PikMyKid© app. Parents can also easily assign pickup permissions for certain days, time periods and pick up modes.

We encourage parents to read more about PikMyKid© at https://www.pikmykid.com/

ECO SCHOOL

Harvard Elementary participates in the National Wildlife Federation (NFW) Eco-Schools USA program. This program is a nationwide program that engages PreK-12 school students, faculty, administrators and community volunteers in a comprehensive, environment-based program to improve student environmental literacy and skills.

COMMUNICATION

LIVINGTREE

Living Tree is a safe and secure social media platform which strengthens school-to-home communication. Teachers are required to post twice a week to keep parents informed of the teaching and learning aligned with IB Programme. This is our main source of communication to inform families of important dates and current news happening on campus.

HOME COMMUNICATION FOLDER

Tuesday is Home Communication Folder Day. The office as well as classroom teachers will send a majority of all written communications home in a weekly folder. Some
items such as the Weekly Conduct Grade sheet require a parent signature each week. Individual teachers may also require parents to sign completed assignment packets or tests.

A teacher or an administrator may require that a student sign for items before they are taken home. This includes, but is not limited to, progress reports, tests, discipline notes or other forms of communication.

**TWITTER**

Twitter is a social media platform used to share content that is school-related, educational, and relevant to our school community.

**PTA FACEBOOK**

Harvard Elementary School’s Parent-Teacher Association utilizes Facebook to inform the Harvard community of on campus events, volunteering opportunities, fundraising and spirit nights.

---

**MEDIA RELEASE FORMS**

Throughout the school year, students may be highlighted in efforts to promote HISD activities and achievements. For example, students may be featured in materials to train teachers and/or increase public awareness of our schools through newspapers, radio, TV, the web, DVDs, displays, brochures, and other types of media.

*This also includes LivingTree, Twitter, and the Harvard Yearbook.*

The media release form must be signed and returned in order to give permission to participate in any of the above examples.

**SAFETY**

The safety of students is a major concern of parents and school staff alike. The goal of the Houston Independent School District is, **safety above all else**. Our rules for bicycle riders, walkers, and drivers are of primary importance in maintaining an accident free environment for everyone. We feel that the safety of children cannot be overemphasized. We urge you to caution your child about safety to and from school, talking to strangers, and going directly home unless
previous plans have been arranged. We also expect all community members to support and adhere to the Harvard arrival and dismissal school policy.

**RULES FOR WALKERS**

- Adults are to pick up a walker in approved locations only. (unless student is in 5th and a signed walker permission slip is on file)
- Walk at all times without running.
- Cross streets with a crossing guard or at a crosswalk.
- Walk on sidewalks.
- Do not talk to strangers – do not accept rides with strangers.
- Always follow planned, direct route to destination.

**RULES FOR BIKE RIDERS**

- Pick up student in approved location only.
- City ordinance requires all students to wear a helmet. While bicycle riding is permitted, it is not encouraged.
- Bicycles must be “walked” on school grounds.
- Bicycles must be parked and locked each day in the rack.
- Only one person may be on bicycle.
- Parents should set an example by having student passengers on bicycles in approved seats only.
- No one may ride or play with another child’s bicycle.
- Always follow planned, direct route to destination.

**RULES FOR DRIVERS**

- Please be patient and observant – young children sometimes forget that driveways and streets are for cars. No appointment or deadline is more important than a child’s safety.
- Drop off and pick up children in approved locations only.
- Do not use a cell phone while driving in the school area. Distracted driving presents a danger to others.
- Use the Announce feature on the PikMyKid© app once you are idling/parked and have passed the Announce Sign located in our car line to securely communicate to the school your arrival for pick up.
- Observe all parking signs and traffic cone placement around the school and in the neighborhood. Picking up and dropping off children at school does not exempt you from the information on these signs.
- Adhere to the school speed zone limit of 20 mph.
• Do not pass a car in front of you. Remain in car line.
• Cars parking or standing within 30 feet of crosswalks is prohibited by law.
• The parking spaces in the parking lot are reserved. This area may not be used to drop off or pick up students.

SECURITY

The Harvard Elementary School campus is in compliance with safety, security, and emergency preparedness. The HISD Risk Management Department regularly conducts fire and safety inspections. All staff, students, teachers, parents and visitors must remain observant and immediately report any person, vehicle or situation that is out of the ordinary.

The school conducts monthly fire drills, inclement weather, semi-annual disaster and intruder drills to maintain our awareness of emergency situations that may arise. In addition, perimeter doors are locked beginning at 7:35 a.m. and entry is restricted to individuals with keys or electronic entry cards.

All visitors are required to enter the front door and report to the office. They will be asked to provide a reason for their visit along with a valid identification card before being issued a visitor badge.

A closed-circuit television system (CCTV) with cameras located throughout the facility records all activities inside and outside of the building. The CCTV system is operational 24 hours per day and is monitored by the school and the Houston Independent School District Police Department.

An emergency telephone call out/email system is in place and may be used to notify parents of situations either before school starts or during the school day. A Living Tree post may also be used. It is each parent’s responsibility to keep all telephone numbers and addresses updated.

A PLAN FOR EVERY CHILD FOR EVERY DAY

Children need the security of knowing exactly what to do when the school day is over and should be reminded how they will go home each afternoon and with whom. A message can be relayed to a child through the school office if an emergency necessitates a change in plans. Children will not be called to the telephone for any reason. Since children are not permitted to leave school once they have arrived and are discouraged from using the school phone, except in an emergency, parents should do all they can to help their child remember everything needed each day – homework, library books, lunch or lunch money, books, signed notes, water bottles, etc.

DISMISSAL FOR INCLEMENT WEATHER and OTHER EMERGENCIES

In the event that weather conditions become inclement or other emergencies exist and there is a possibility that school may be closed, HISD and the principal
will activate the emergency telephone call/email system. This system will notify parents via the telephone and email, if on file, of the emergency conditions and the action that will be taken. LivingTree will also be utilized.

**SHELTER IN PLACE**

In the case that the school is asked to *shelter in place* by emergency personnel, parents will not be permitted to enter the building to pick up children until an all clear as been announced by fire or police personnel.

---

**ATTENDANCE**

Student attendance is taken daily at 9:30 a.m. Students must be at school in order to be counted present. A student must be in attendance at least two instructional hours in order to be counted present for one-half day and at least four hours to be considered present for one full day. TEC 42.006(b)

**EXCUSED ABSENCES (TEC 25.085)**

Parents may write a handwritten excuse for the following reasons:

- Personal illness
- Dental or doctor appointments (note required from physician)
- Illness or death in the family
- Weather or road conditions making travel dangerous
- Emergencies or unusual circumstances recognized by the principal or person designated
- School sponsored or school sanctioned activities away from the campus
- Participation in school activities recognized by the principal or person designated

*Excused absences will impact receipt of perfect attendance certificate and/or trophy. Perfect attendance is demonstrated by being in school everyday throughout the year.*

**UNEXCUSED ABSENCES**

A student is considered to have an unexcused absence if he/she does not present a written excuse within three (3) days of return. Absences unrelated to the factors stated above or those taken for family trips or the like are deemed unexcused.

Schools shall attempt to notify parents/guardians of all unexcused absences immediately. All unexcused absences are subject to an administrative conference or investigation by an attendance officer. **Unexcused absences may not be made up.**
HANDWRITTEN NOTE POLICY

Parents are limited to writing 5 handwritten notes per semester (Fall/Spring). After 5 absences with handwritten notes, absences will be unexcused unless accompanied by a doctor’s note.

1. If a child is absent more than 3 consecutive days, their absence must be excused by a doctor’s note.
2. Elementary school guidelines stipulate that missed parts of school days (excessive tardies) accumulate into absences.

TARDY POLICY

School begins promptly at 7:30 a.m. each day. Students are considered tardy at 7:35 a.m. School officials understand that occasionally traffic, weather or waking up late may cause a student to be late. However, persistent tardiness will not be tolerated. More than 5 tardies in a school year is considered excessive. Chronic tardiness will be addressed by a school administrator and the parent will be placed on a Tardy Contract before a referral to the Truancy Officer is submitted.

According to the Code of Student Conduct, it is the parent’s and student’s responsibility to arrive on time each day. Students on magnet transfer qualify for bus transportation if they live outside the two-mile zone. This will guarantee their arrival on time each day.

A student must present a written note at the time they arrive at school explaining the reason for being tardy in order for the tardy to be considered excused.

STUDENTS ARRIVING AFTER SCHOOL BEGINS

Students arriving after 7:35 a.m. are to report to the main office. This includes students that are tardy or returning with a parent after an off-campus appointment. Students will be given a tardy pass or admitted to class. Parents may not walk their child to class.

SCHOOL TOURS AND AUDITIONS

Students going on school tours or taking place in auditions as part of the School Choice Program or to visit private schools will be counted absent (excused) if they are not present at Harvard Elementary School when attendance is taken at 9:30 a.m. HISD Magnet Schools have scheduled tours for the afternoon to ensure that students are present for attendance. Parents are encouraged to seek afternoon auditions if their child is applying to a Fine Arts Magnet School. This is the policy of the HISD School Choice Office. Information pertaining to Magnet Tours can be found on the HISD School Choice Website: https://www.houstonisd.org/Page/133703
COMPULSORY SCHOOL ATTENDANCE LAWS
TO PARENTS OR TO PERSONS STANDING IN PARENTAL RELATION TO CHILDREN

This section is to inform you of Senate Bill 1432 as passed by the Texas Legislature effective September 1, 2001. The law states that if a student is absent from school three (3) days or parts of days in a four week-period without parental consent or is absent without an excuse for ten (10) or more days or parts of a day in a six-month period:

• The student’s parent or legal guardian is subject to prosecution under Texas Education Code 25.093
• The student is subject to prosecution under Texas Education code 25.094

It is your duty to monitor your child’s attendance, require your child to attend school and request a conference with a school official to discuss absences. Parents or legal guardians are subject to prosecution under Texas Education Code 25.093 (b) for failure to require their child to attend school.

Once enrolled in a Texas public school, all children beginning at age 4 (PK) are subject to the compulsory school attendance laws.

*Please be aware daily student attendance has a significant impact on school funding.

PERFECT ATTENDANCE INCENTIVES/REQUIREMENTS

Various attendance incentives may be offered to students during the school year. These include, but are not limited to, free dress, certificates, ribbons, stickers, and pencils. Students will be awarded a trophy at the end of the year, if perfect attendance was maintained all year, during grade level Awards Day programs.

Requirements for the trophy include:

• Absences to receiving a trophy will begin on the second day of school.
• Only students enrolled at Harvard Elementary School during both the fall and spring semesters are eligible to participate for the trophy award.
• A student is disqualified for the trophy award if they are absent (excused or unexcused).
• A student is disqualified for the trophy award if they have chronic tardies (no more than 10 tardies throughout the school year).
• Fifth-grade students enrolled at Harvard Elementary School since their kindergarten year and who have perfect attendance for all six years will receive a special recognition trophy and a bike at their grade level Awards Day program.
RELEASE OF STUDENTS BEFORE REGULAR DISMISSAL

Any student who will leave school early must be picked up no later than 2:30 p.m. Early release of students is strongly discouraged.

Children are not permitted to leave school after they arrive unless certain procedures are followed. Only the parent who has signed the enrollment form or someone with a written or telephone authorization from the parent will be allowed to take a child from school during regular school hours. Go to the school office to sign out the child who will then be called to the office. Office personnel will ask for a valid driver’s license to verify your identity. A phone call may be made to the parent or guardian who signed the enrollment form to verify if an individual is eligible to remove the student from the campus. The school is not permitted to release students unless this procedure has been followed.

As an extra safety precaution, any changes to a student’s afternoon dismissal plan must be communicated directly to the Harvard Elementary office. An email to your child’s teacher is encouraged, but will not suffice as the only means of communicating a dismissal change. The office will require that a parent communicating a dismissal change over the phone must provide the driver’s license number that is written on the student’s enrollment form on file with the school.

*To inform your child of a change in his/her dismissal plans, please notify the office by 2:00 p.m., and the message will be relayed to your child’s teacher prior to dismissal.*

Students are required to wear uniforms Monday through Friday. Occasionally, non-uniform days will be announced. Teachers will enforce the dress code and the principal has the final authority for dress code decisions, including consequences for dress code violations.

**PARENT-TEACHER COMMUNICATION**

Email is the preferred method of communication with your child’s teacher. Please keep these messages brief and allow up to 48 business hours for a
response. Always address concerns with the teacher first before contacting an administrator. LivingTree and Tuesday folder will be used to inform parents of information pertaining to the school or your child’s classroom. Information will include, but is not limited to important dates, events, individual classroom announcements, IB and Classroom newsletters.

REQUESTING A PARENT-TEACHER CONFERENCE

Parents may request a parent-teacher conference to discuss a variety of issues. Teachers are available before school, during their planning period, except Tuesdays, and after school. Parents are encouraged to make an appointment with his/her child’s teacher.

*A parent request for a classroom observation during the instructional day is at the discretion of the principal.

REQUESTING COPIES OF STUDENT RECORDS

Copies of student records may be requested from the main office. Requests can be made via email to our records clerk. Request for records must be in writing. The records will be prepared, and you will be contacted to pick up the documents in the main office. The records clerk will verify your relationship with the child and check your identification before releasing any information. The turnaround time for record requests is 2 business days after request is made.

STUDENTS WHO BECOME ILL AT SCHOOL

VISITATIONS TO THE NURSE

The school nurse will contact parents to pick up all students who have temperature elevations or who have vomited. Students are permitted back in class when symptoms have cleared.

If parents cannot be contacted, a relative or emergency contact person listed on the enrollment form will be called and asked to pick up the child. Parents are expected to keep their contact information current.

Teachers will refer children who appear ill or complain of sickness to the school nurse. It is the nurse’s professional decision to contact parents. The nurse is not expected, nor will she, contact parents every time their child is sent to the clinic. It is the parent’s responsibility to keep the nurse informed of all medical conditions related to their child’s health.
REPORTING COMMUNICABLE DISEASES AND ILLNESSES

Parents are required to report all communicable diseases such as strep throat, chicken pox and influenza to the school nurse within 24 hours of a diagnosis by a physician. This information is then reported to the City of Houston Health Department for monitoring.

VOLUNTEERS

Teachers are encouraged to establish a volunteer program in their classroom. The frequency for volunteering directly in the classroom and the types of activities the volunteer will complete is at the discretion of each teacher. Some volunteer activities can be completed at home if you are unable to come to the school during the instructional day.

All volunteers must follow Volunteers in Public Schools (VIPS) procedures. Forms are available in the school office. Allow 3-6 weeks for the approval process.

Any parent/guardian or community member who volunteers time must be VIPS approved prior to the scheduled time.

FIELD TRIPS

Field trips will be arranged by the teacher as an outgrowth of school curriculum and instruction. For any field trip, parent approval forms will be sent home by the teacher to be signed and returned. No student will be permitted to go on a trip without written permission on the appropriate form. This signed permission slip must be returned to the teacher no later than two days prior to the scheduled trip. Telephone, faxed or emailed confirmations will not be accepted. Children represent the school and your home while on field trips. Their appearance and conduct should be exemplary.

CHAPERONES FOR FIELD TRIPS

Assisting teachers with field trips is an integral part of our volunteer program. Adequate adult supervision makes for a pleasant learning experience for all of our students. All adults must ride school buses and pay admission fees. Parents may not drive personal vehicles on field trips. Parents may not “show up” at a field trip location to avoid our procedures. Appropriate attire that matches the activity should be worn. Parents may not bring siblings or other family members or friends on field trips.

All chaperones must follow Volunteers in Public Schools (VIPS) procedures prior to any field trip according to Houston Independent School
**District policies.** Forms are available in the school office. Allow 3-6 weeks for the approval process. Parents are responsible for updating their status yearly. There is no rollover from year-to-year. Teacher sponsors of the field trip or the principal reserve the right to limit the number of chaperones or deny certain individuals from acting as chaperones.

**DAILY PLANNER**

All students in grades 2-5 will be issued a daily planner to assist them in tracking homework assignments and projects. Students are required to enter information daily and to keep track of their planner. Parents are asked to monitor their child’s homework by reviewing the planner each day. Teachers may ask parents to initial the planner each day if their child has a habit of not completing assignments.

PARENT AND STUDENT CONNECT – PS CONNECT

GRADESPEED – ON-LINE GRADES, PROGRESS REPORTS AND REPORT CARDS

Parents may log on at www.houstonisd.org and register under PSConnect to view their child’s grades, receive progress notices and view report cards. You will need the following information to register:

- HISD Student ID Number
- Student’s Date of Birth
- Last 5 digits of the student’s Social Security Number

If you need assistance in registering your child, please come to the main office. The school is unable to provide parents with the information needed to register over the phone, by email or by fax. All requests must be made in person.

A kiosk is located by the school cafeteria for parents to use to access the PS Connect website and print their child’s grades, progress notices and report cards.

NOTICE OF PROGRESS

REPORT TO PARENT FORMS

The Notice of Progress – Report to Parents will be sent to parents during the fourth week of the reporting period or as often as may be deemed necessary. The parent must sign and return the form to indicate to the teacher that the parent has seen the report.

REPORT CARDS

A report card is issued to the parent or guardian at the end of each grading period for grades PreK-5. Grades obtained during the days of attendance and/or current transferred grades will be the basis for the report card grades. When a student has transferred from one or more schools within the grading period, grades on the checkout sheet or latest report card are considered as the basis for report card grades.

PROMOTION STANDARDS

Promotion Standards are updated yearly. Log on to the school website for a current list of the standards for each grade.
The following grading percentages will be used for determining the average report card grade for each core academic subject that is assigned a numerical grade each nine weeks.

RESTORATIVE DISCIPLINE

The Harvard Elementary staff implements restorative discipline practices. Restorative discipline is defined as a relational approach to building school climate and addressing student behavior. The approach fosters belonging over exclusion, social engagement over control, and meaningful accountability over punishment.

DISCIPLINE MANAGEMENT SYSTEM

In addition to the implementation of restorative discipline, the IB attitudes and attributes are explicitly taught throughout the curriculum to develop the IB learner.

Harvard Elementary is a public school and must adhere to The Code of Student Conduct which outlines consequences for chronic misbehavior. Parents are expected to review expectations for proper behavior at school on a regular basis with their child. Teachers are expected to assume responsibility for the discipline of students in their individual classrooms. Students will be dealt with reasonably, fairly and with patience, but persistent misconduct will not be tolerated. Parents will be advised promptly when students begin to get into difficulty which might lead to reassignment, alternatives to suspension, suspension or expulsion. (State Law Section 37.000) The school may prohibit any action which impairs, interferes with or obstructs the educational process or function of the school.

ESSENTIAL ELEMENTS OF AN EFFECTIVE DISCIPLINE MANAGEMENT SYSTEM

- The teacher effectively and consistently implements discipline management procedures in alignment with the IB learner profile.
- The teacher consistently communicates high behavioral expectations with students, addresses non-compliance, and reinforces age appropriate behavior, as needed.
- The teacher redirects off-task behavior in a subtle and preventative manner.
- The teacher consistently follows-through with consequences that are logical, appropriate to the level of the student behavior, and effective at changing student behavior.
- Students demonstrate a clear understanding of behavioral expectations and rules through their actions.

REWARDS FOR AGE APPROPRIATE BEHAVIOR

Teachers will use a variety of rewards to fit the individual differences of students in their classes. Rewards include, but are not limited to, individual incentive charts,
certificates, stickers, pencils, and/or a certificate of recognition included in the Awards Day envelope.

**CONSEQUENCES**

Teachers will use school wide consequences to address off-task behavior. Consequences for chronic off-task behavior are outlined in the Code of Student Conduct.

**WEEKLY CONDUCT GRADE**

All students will receive a weekly conduct grade in their Tuesday Home Communication Day folder. Parents are required to sign the conduct form and return it in the folder on Wednesday. Weekly conduct grades make up the report card conduct grade for each 9-week period.

**REPORT CARD CONDUCT GRADE**

**Exemplary: E**

Student follows classroom and school Essential Agreements on a daily basis. All weekly conduct grades equal an S for the grading period.

**Satisfactory: S**

Student follows classroom and school Essential Agreements on a daily basis with a few reminders. One or two weekly conduct grades of N during the grading period.

**Poor: P**

Student does not follow classroom and school Essential Agreements on a daily basis and is frequently reminded about behavior. Three weekly conduct grades of N during the grading period.

**Unsatisfactory: U:**

Student does not follow classroom and school Essential Agreements on a daily basis and is consistently reminded about behavior. Four or more weekly conduct grades of N during the grading period. A student who is suspended receives an automatic ‘U’ regardless of the weekly conduct grades during the grading period.
BULLYING
Any student behavior that makes a peer feel physically or emotionally unsafe or compromises another person’s comfort or desire to learn at Harvard Elementary is not acceptable. A full explanation of what constitutes bullying can be found in the HISD Code of Student Conduct. Reported instances of bullying will be communicated to parents of any affected students. Violators are subject to disciplinary actions as outlined under Level 3 of the Code of Student Conduct, however, positive interventions such as counseling, medication, and conflict resolution through restorative discipline are always preferred.

RECESS TEC 28.002
Structured and unstructured physical activities have been shown to have positive implications in the development of the whole child. Active play supports areas of growth concerning academic achievement and physical health. Recess and physical education are included in the daily program. Recess may not be restricted to support classroom punishment.

BIRTHDAY TREATS
The Texas Department of Agriculture has revised the policy regarding birthday treats at school. Should a parent wish to celebrate a child’s birthday, cupcakes or cookies (one per student) are permitted at school however, they may not be served in the cafeteria during the lunch period. No other items are permitted such as candy, sheet cakes, juice, sodas, or fast food items. Items that do not meet these guidelines will not be served and will be sent back home at the end of the day.

To maintain our instructional focus, teachers will allow a child to share cupcakes or cookies with classmates, at a time and location decided by the teacher after the students’ lunch period. Students in pre-kindergarten and kindergarten will use the treat as their daily snack. Parents should send the food items to school in the morning in a sturdy container. Parents will not be allowed to interrupt instructional time to drop off items or to supervise this activity in the classroom. No party type activities will take place including photographs, balloons, flowers, gifts or favors.

*To maintain a healthy and safe educational environment please be aware of any food allergy precautions that may exist in the classroom.

SNACKS
Each grade level has a designated snack time during the day. Parents of students in 1st – 5th are responsible for providing snack to their child if they wish for the child to engage in snack time. Students in Kindergarten will have snacks provided to them based on an individual class schedule. While students enjoy snack, they will also be engaging in an academic activity. Snacks are to encourage healthy eating habits.

*To maintain a healthy and safe educational environment please be aware of any food allergy precautions that may exist in the classroom.

USE OF CELLULAR PHONES AND ELECTRONIC COMMUNICATION SYSTEMS
- All cellular phones and electronic communication systems (Apple watches, Fitbits, etc.) must remain in the OFF or DO NOT DISTURB position (unable to receive signals and commands) while on the school campus or at school sponsored events off campus, unless otherwise indicated under BYOT.
- All cellular phones and electronic communication systems (personal digital assistants, etc.) must remain in the student’s backpack, purse or locker, unless otherwise indicated under BYOT.

In addition to disciplinary action as outlined in the Code of Student Conduct, the unauthorized operation of these devices will result in confiscation and require an administrative conference, where the parent must retrieve the device. On the second offense, a $15 fine, payable to Houston ISD, must be paid before the device is returned.

BRING YOUR OWN TECHNOLOGY (BYOT)
Please understand that the use of personal devices to support the educational experience is not a necessity, but a privilege.

For purposes of BYOT, “Technology” means a privately owned wireless, portable, electronic handheld equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable internet devices, Personal Digital Assistants (PDAs), handheld entertainment systems or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc. In other words, any electronic device that connects to Wi-Fi and has an internet browser.
Only the internet gateway provided by the school may be accessed while on campus. Personal internet connective devices such as, but not limited to, cell phones/cell network adapters are not permitted to be used to access outside internet sources at any time. Students will not be allowed to access cellular data during school hours. Our “guest” Wi-Fi server blocks content such as Facebook and any other inappropriate sites. Teachers may allow students access to personal technology for instructional purposes only. At the teacher’s discretion students may also take photographs and videos for specific class projects.

Technology is prohibited during recess.

Responsibility to keep the device secure rests with the individual owner. Harvard Elementary School, Houston ISD, nor its staff or employees, are not liable for any device stolen or damaged on campus. If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

Parents will sign the Code of Student Conduct Student and Parent Acknowledgment form indicating that you have received this information including the Appropriate Use Policy for Electronic Services for Students and return it your child’s teacher each year.

TEXTBOOKS

All textbooks are owned by the State of Texas and must be paid for when lost or stolen. Another book cannot be issued until payment has been made for the lost book. If books are found after they are paid for a refund will be given.

MONEY AND DEBTS

Students should bring the exact amount of money needed each day. Money sent by parents for a special collection such as picture money, paperback book orders, t-shirt sales, etc., should be sent in a sealed envelope or Ziploc bag with the child’s name, teacher’s name, amount enclosed, and purpose written on the outside of the envelope or Ziploc. The school is not responsible for money that is lost or stolen prior to being received by the teacher or office. All monies collected from students require permission from the principal.

LUNCH MONEY PAYMENTS

Incidental lunch payments are made on-line using a credit or debit card by setting up an account at www.parentonline.net. Please refrain from sending
lunch money to school each day with a child. All students, regardless of application status, may eat a free breakfast and lunch every day.

**LUNCH DROP OFF**

Any family member dropping off lunch for a student must sign in at the front office. They will then be directed to leave the lunch on the designated lunch table located, near the cafeteria, on the first floor.

**CHECK ACCEPTANCE POLICY**

**HANDLING OF FRAUDULENT CHECKS**

Checks may be accepted for various fund-raisers and school related activities. Checks will not be accepted for field trips or breakfast/lunch payments. Presentation of a personal check shall be treated as a good faith effort for payment from the bank.

In the event that a check is returned marked “insufficient funds”, “stop payment” or “account closed” the check will be treated as a presumption to commit theft by deception and the following action will be taken:

- One attempt will be made by telephone to contact the check writer. A three-day period will be given for the individual to present payment in full including all bank charges and processing fees.

**Failure to follow this good faith attempt will result in the following actions:**

- Check writer will be sent a certified letter indicating a demand for payment in full including all bank charges and processing fees.
- Failure to respond to the conditions of the certified letter within 10 days will result in the filing of a check fraud case with the Harris County District Attorney’s Office.
- The school will no longer accept personal checks from individuals that have written a check that will not clear the bank. All future payments must be made in cash or with a money order.

**CRIMINAL CODE INFORMATION**

Pursuant to Chapter 62, Article 62.03 and 62.04 of the Code of Criminal Procedure for the State of Texas, effective September 1, 1997, notification is hereby made of our procedures for school notification of registered sex offenders. The official notification is received by the Superintendent of Schools who then forwards copies to each school. A file is maintained in the office for public inspection of all offender notices received during a school year. The notices are
maintained until the end of the current school year. The notice may include any information deemed necessary to protect the public including name, gender, race, date of birth, street name and zip code of offender’s residence, offense, age of the victim, and date of registration. Information is available during regular business hours.

The student and parent handbook has been written to help you and your son or daughter gain the greatest possible benefit from his or her school experience. The school is in need of your help and cooperation. It is important that every student and parent understand the Handbook and be expected to follow the rules and regulations set forth in the Handbook. Please read and discuss the Handbook with your child. When you have done so, you and your child must sign this form and return it to the school. Signatures of parents and the student acknowledge receipt of a copy of the Student and Parent Handbook and certify that they have read and discussed the terms.
