NOTES:
1. Mr. H. Sonny Fletcher opened the meeting with a review of the milestone schedule
2. Mr. Fletcher introduced Ken English of AECOM to update the PAT on the recent progress of the 2007 Bond work.
3. Mr. English made a brief presentation to the PAT of high level items in the 2007 bond that are proceeding.
   a. Satterfield & Pontikes have put together and received bids for their first pricing package that includes:
      i. Completion of electrical upgrades;
      ii. Window replacement (this scope of work to begin first);
      iii. Athletic field buildings;
      iv. Construction of temporary swing space for the 2012 renovations to take place.
b. Pool renovation work is on-going and should be complete by the end of the year.

c. All 2007 work will be coordinated with the 2012 work to minimize any duplication of efforts.

4. A question was asked “When will the technology replacement be completed? Mr. English responded that a majority of the 2007 work has been completed and that the district has additional technology work as part of the One to One computing and the 2012 bond that is yet to be complete.

5. Ms. Nina Murrell made a presentation of the proposed glass for the exterior glass façade replacement. The proposed glass along with a “blue glass” and a “gray glass” were shown to the group. The group preferred to have a sample of each and let the PAT come view the glass during the day.

6. A question was asked what warranty would be provided with the glass. That information will be provided back to the PAT.

7. Mrs. Gloria Barrera, Facilities Planner reviewed the Capacity model and Space Requirements. The individual areas were reviewed, minor changes were noted and the PAT confirmed the items below reflect the priorities for new or renovated spaces.
