Welcome

Ms. Day reviewed minutes from October meeting.

Safety

Warranty expired last week of October, all repair pending items either have extending warranty or have been turned over to HISD for repair. Elevator had a short last week, elevator had an extended warranty and contract came in to maintain.

Gates – New gate at Columbus St entrances have been installed, they were lowered to prevent people who were crawling underneath to access the field. The gates

No Place for Hate Activity #2 – Students will write post-it notes on what they are grateful

ASP – Please contact Leslie Hancock on any after school events so she can help

Middle School Concerns – Middle school students have had two incidents in the locker rooms. Administration is addressing the procedures for the locker rooms, new rules have been made and when there is a substitute, students will not dress out and complete a Health class lesson. This is a place where they can make mistakes and they can learn and grow from our mistakes. When things happen, we will investigate and follow HISD student code of conduct.

Magnet

Date reminders:
Phase I
K – 12th Dec. 6th, Jan 30th Notifications,
PK Sept. 27 – Feb. 28
Remaining tours: Nov. 14th, 21st and Dec. 5th
# of applications so far: PK 146 applications, K 321 applications, 6th 103 applications

Campus Intervention

Response to Intervention and the Intervention Assistance Team – Tools available to parents and students outside of class, all textbooks are available on the HUB, Mackin VIA, Achieve3000, Reading A-Z.

Interventionists on campus – Mr. Dominguez, Ms. McCoy, Ms. Marina, Dow Chemical Engineer volunteers

Tutorial – various grade levels and teachers offer tutorials before or after school.
ASP – Homework hour first hour
MAPS – Ms. Santos explained that the district have a dyslexia screener for 1st and Kindergarten students.
Parent said that other parents were confused because there is a lot of information that is allow. A suggestion was a one email without a bunch of emails so you are only paying attention to the one notice.

Ms. Day shared information that TEA will take over the board and appoint their own board of managers.
| **Budget** | This year’s budget is based on projections we made last spring. Ms. Day explained how the budget is now being adjusted based on the PEIMS snapshot in October. We should know what our adjusted numbers are by the December SDMC meeting. Our average daily attendance is 98.3% right now. $10,821.00 is the amount of money we have lost for funding due to absences. |
| **PTO** | They are working on more detailed plans so they can make recommendations for future years for Fall Festival. There are a lot of upcoming programs to promote starting at the beginning of the year: Boosterthon, BBQ Fundraiser & the Gala. They approved all requests for funding, including covering the consultant for kindergarten. The PTO is meeting today to discuss funding for the 4th grade Austin field trip. |
| **Other** | We have found a new kindergarten teacher and sent in the offer letter. We have also just hired a new clerk. |
| **Next Meeting** | |
