Welcome to the Virtual School Department!

I hope that you are ready to work on your courses, but before you get started, please make sure that you set up your contact information in your student profile. This will enable your teacher to communicate with you regarding your course.

Click on your name on the top right corner, and select “My Profile”

- Update contact info
- Change password
- Change security questions
- Add Spanish Language audio
- Forward messages to email

Add a phone number (outside US - optional) and an Email address (REQUIRED for all students)
You may view your username and change your password

Select for the system to send you a copy of all communication to your email:
You may view what coaches are listed for your account

You teacher will add the following emails as your coaches:

- Self (Teacher Email)
- Student Email
- Parent Email
- Counselor email (person who signed your enrollment form)
